II. Strategic Technology Planning

1. What is the overall district mission?

We, the Granville School Community, will provide a safe, respectful environment where all students, using their full potential, achieve academic excellence, develop individual strengths, and become responsible caring citizens. We will foster the value of lifelong learning.

2. What is the vision statement that guides instructional technology use in the district?

Granville CSD envisions a school community where technology serves as a bridge to responsible global citizenship. By empowering students to innovate, collaborate, and master the skills necessary to lead and succeed, we aim to unlock student potential. Through seamless integration of instructional technology and academic excellence, we will foster the agility required for lifelong learning in a digital age.

3. At the start of the 2026-27 school year, will the district provide a dedicated mobile device for every student in all grades?

Yes

V. NYSED Initiatives Alignment

1. How will the district's use of instructional technology support a comprehensive and sustained effort to improve student performance and academic standards, while also addressing the need to provide equitable learning opportunities “everywhere, all the time” (National Technology Plan)?

The district’s use of instructional technology will support a comprehensive and sustained effort to improve student performance by addressing the digital divide and dovetailing a universal design for learning with the standards for technology education. We are also addressing the need to provide equitable learning opportunities “everywhere, all the time” through the 1:1 device ratio and a regular cycle of updating hardware. Student learning will involve transitioning from passive consumerism to active use, addressing digital citizenship, and preparing them to be citizens of a digital age.

2. **At the start of the 2026-27 school year, will the district offer full-time virtual instruction to any students? (*Select all that apply)***

- ☐ Yes. Our district operates a full-time virtual instruction program.
- ☐ Yes. One or more of our students will attend a program operated by a BOCES or another public school district.
- ☑ None of our students will participate in a full-time virtual instruction program.
- ☐ Other

3. If the district files or has filed a Smart Schools Investment Plan (SSIP) to apply for Smart Schools Bond Act funds, all responses in this survey align with the district’s response to any related question(s) in the SSIP.

Yes

For help with completing the plan, please visit ITP Resources on our website, contact your district's RIC, or email edtech@nysed.gov.
