Seeding Profile Sheets

In addition to the seeding profile sheets, we will be using the **required NYSPHSAA Season Record forms from Trackwrestling**. The coach and wrestler must sign these forms. Sheets must be submitted for every wrestler no later than the scratch meeting for each respective tournament for both Division I and Division II, as well as for each Qualifier Tournament. These forms must be updated after each tournament.

TRACKWRESTLING To Do List:

Check your Schedule: Make sure all events are assigned a proper level JV/Varsity
Check your Roster: Make sure all athletes have been checked and update their selected records excluding BYES.
Go to Matches: Select Print Matches, when the new window opens, select NYSPHSAA Season Record Form next to the Individual Season Record Dark Box. PRINT and Give to your Kids for review.
Athlete Signs them, then You Sign them. Once that happens, then they are official. Do not complain if you catch something in 3 weeks for the State Tournament, you had your chance.
