

Afton Elementary School

Reading Incentive Program

September 24, 2025

Dear Families,

We're thrilled to roll out our Reading Incentive Program at Afton Elementary School—a fun and motivating way to help students develop a lifelong love of reading while strengthening their literacy skills!

How the program works this year:

Students are encouraged to read a certain number of minutes each day, bringing them to a weekly total (knowing that some days we might read less and some days more, it happens😊). The goals are:

- PK-2: 10 minutes per day (50 minutes per week)
- Grades 3-5: 20 minutes per day (100 minutes per week)

We then ask that you and your student complete the reading log so that we can track their minutes for prizes!

Monthly Book Raffle:

Every student who submits their weekly reading log will be entered into a monthly raffle to win a FREE book! The more weeks they participate, the more chances they have to win!

Quarterly Celebrations:

Students who meet their reading goals each quarter will earn certificates and be celebrated with special events like ice cream parties, pizza lunches, and more! Each quarter's celebration will be announced in classrooms.

How You Can Support Your Child:

- Set aside dedicated time for reading each day.
- Talk with your child about what they're reading, ask about the story, characters, and what they're learning.
- Read together as a family or listen to audiobooks while following along with the text.

We believe reading opens doors to imagination, creativity, and academic success. With your support, we can make reading a joyful and rewarding part of every child's

day. If you have any questions or would like more information, please reach out to us at pwagner@aftoncsd.org or mdriggs@aftoncsd.org.

Thank you for partnering with us to promote a love of reading!

Warm regards,

Peggy Wagner & Marylee Driggs
