Act 1039 of 2017 Reporting by the School District (Ark. Code Ann. 6-41-606 (b))

During the 2023-2024 school year, Crossett School District used the evidence-based Take Flight Program, Wilson Reading System, and Barton System for Reading and Spelling in small intervention groups to address the deficits areas of 2nd grade-12th grade students identified as exhibiting the characteristics of dyslexia.

The Crossett School District used Build, an evidence-based program, to remediate phonological awareness and letter knowledge deficits for kindergarten and first grade students.

Number of students who received dyslexia intervention

During the 2023-2024 school year, 121 students attending Crossett School District received dyslexia intervention services from a trained dyslexia interventionist.

The total number of students identified as exhibiting the characteristics of dyslexia

During the 2023-2024 school year, 121 students attending Crossett School District were identified as exhibiting the characteristics of dyslexia.
