

Digital tools to help you get the most out of your health plan benefits

Avery makes it easier to navigate your benefits

Your personalized digital tools – the UnitedHealthcare® app and **myuhc.com®** – give you access to resources integrated with Avery, a digital resource for your health plan. Avery is an always-on intelligent assistant to help you maximize your benefits and provide quick answers – making it easier to find what you're looking for and take action.

- Review plan documents, like Explanation of Benefits and Health Statements
- Find quality network providers with Smart Choice search results, personalized to your preferences
- View and pay claims, understand your account balances and deductibles
- See your health plan ID card and add your plan details to your smartphone's digital wallet
- Understand cost estimates or average cost data and covered services before you get care
- Discover additional benefits to support your health and well-being available through your health plan
- Learn more about the programs and benefits that are available to you

Get connected

Scan this code to download the UnitedHealthcare app or visit **myuhc.com** and get started with Avery

Register once to access both tools

Start by opening the UnitedHealthcare app or going to **myuhc.com** and then:

- Tap **Create account** on the app, or select **Register Now** on the website
- To create your account, fill in the required fields and follow the **protect your account** steps
- Enter your identification number, create password and agree to the terms and conditions

Now that you're registered, you'll be able to manage your plan all year long.

United Healthcare®

Avery is an AI companion that uses generative artificial intelligence to provide general information and educational assistance. Avery's responses may be incomplete or inaccurate and should not be relied upon as error-free. Avery is provided for informational purposes only and does not constitute medical advice, professional advice, a benefit determination, a guarantee of coverage, a referral, or an authorization for health care services. Avery is not a substitute for the advice or judgment of your health care provider or other qualified professionals. Coverage and benefits are subject to the terms, conditions, limitations, and exclusions of your applicable health plan.

Smart Choice is proprietary to UnitedHealthcare designed to provide members with greater personalization and choice with respect to the provider search experience that considers member preferences quality care, costs, accessibility and convenience. Smart Choice is intended as a guide when selecting care. Smart Choice may rely on personal data. We do not endorse any particular provider or guarantee quality. Scores are generated using artificial intelligence (AI). The AI may not always be error-free and could include incomplete or inaccurate information. Judgement should be used when selecting care.

Where available, members can access a cost estimate online or on the mobile app. None of the cost estimates are intended to be a guarantee of your costs or benefits. Your actual costs may vary. Please refer to the Website or Mobile application terms of use under Benefits & Cost to access a cost estimate, and under Find Care to search for care. Level Funded and Neighborhood Health Partnership members can access average cost data online or on the mobile app. None of the average costs are intended to be a guarantee of your costs or benefits. Your actual costs may vary. Please refer to the Website or Mobile application terms of use under Benefits & Cost to access average cost data, and under Find Care to search for care.

The UnitedHealthcare® app is available for download for iPhone® or Android®. iPhone is a registered trademark of Apple, Inc. Android is a registered trademark of Google LLC.
