NOVEMBER 2026

ALVIN ISD TIA NEWSLETTER

26-27 Alvin ISD Local Designation System

Alvin ISD has a newly created TIA Dashboard for the 2026-2027 school year. Campus Administrators have verified teacher rosters, and teachers are currently in the process of verifying student rosters. Students listed on a teacher's skyward roster on or before September 25, 2026 will be on a teacher's TIA roster and will count towards a teacher's growth score.

26-27 Eligible Teaching Categories:

- 4th-8th grade Reading/ELAR
- 4th-8th grade Math
- Algebra 1
- English 1, English 2
- Secondary Co-teachers in reading and math

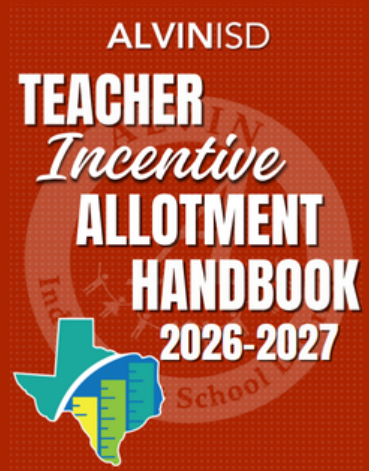

Sign Up

**Sign up for an upcoming TIA Virtual Information Session on November 17th! Click the link HERE to register. Once registered, you will receive a calendar invite to the meeting!

25-26 Designation Determination Critera

DESIGNATION LEVEL	T-TESS AVERAGE (DOMAINS 2 AND 3)	STUDENTS WHO MET EXPECTED GROWTH	OVERALL SCORE (30% / 70%)
Master	4.50 or higher	73% or higher	4.50 or higher
Exemplary	4.00 or higher	62% or higher	3.90 or higher
Recognized	3.75 or higher	55% or higher	3.70 or higher
Acknowledged	3.65 or higher	50% or higher	3.40 or higher

A teacher earns a proposed designation level by meeting all three minimums for that level: the T-TESS average, the growth percentage, and the overall score. No designations are valid until Alvin ISD passes data validation and approval from TEA. Go to the Alvin ISD TIA webpage for an explanation on score calculations.

25-26 Local Designation System

We have submitted the 25-26 data and proposed designations for Data Validation after analyzing multiple data sets in order to find the one with the highest confidence of passing data validation. Texas Tech University will begin the data validation process and send the data to TEA for a holistic review before issuing full system and/or designation approval. Districts receive notifcation of approval or denial in February.
