

Safe Schools Week & Red Ribbon Day

October 19th - 23rd, 2026

In Accordance with the New Jersey School Association (18A:36-5.1) all public school districts, charter schools, Renaissance school projects and approved private schools for students with disabilities are required to annually designate the third week in October as School Violence Awareness Week. School districts observe this week by providing age-appropriate instruction to discuss methods for keeping schools safe from violence, to consider school safety and security plans, and to learn how to recognize students in need of help.

And, by showing your support for the National Red Ribbon Campaign, you are showing your child that you promote a drug-free life. Thank you in advance for your cooperation.

Please refer to the calendar below to make sure your child participates in the spirit days during the 2026-2027 Eastlake Elementary Safe Schools Week & Red Ribbon Day!
