

COUNCILMAN SPOTTED BEAR'S GREETINGS

FALL 2026 | VOLUME 3 ISSUE 4

Tashkanito'sha Aame!

Greetings to all!

For the past 12 years, it has been an honor to serve the people of the South Segment and to be a part of the growth we have seen here in Twin Buttes. I have always tried to keep our community, our elders, our children and our families at the center of the decisions I make.

When I first came into office, I knew there was a lot of work to do. Over the years, we have worked hard to build up our community and invest in things that will benefit our people for generations.

We have added new homes and continued to make housing a priority. We have invested in our roads, water systems and other infrastructure needed for our community to grow. Roads have been paved throughout the Segment, water infrastructure has been expanded, and we have continued working to open more areas for future homes and development.

We have also been able to build and improve places for our people right here at home. The

Councilman Cory Spotted Bear Feed - Twin Buttes Celebration

Community Center and its pool, walking track, fitness center, basketball court, golf simulator, movie theater and other amenities have given our families a place to gather, exercise and spend time together. We have developed recreational facilities for our youth, including our indoor and outdoor arenas, Indian relay race track, sportsfields, playgrounds, basketball courts, skate park and other areas.

Economic development has also been important. We have worked to create jobs and bring more services into Twin Buttes through projects such as the hardware store, motel, Hans Creek bison pasture and improvements to the gas station. We established the South Segment Community Development Corporation to help us continue looking for opportunities that create jobs and strengthen our local economy.

Another area that is especially important to me is our culture. The Nu'eta Language Initiative and our investment in the Mandan language are about making sure our children and grandchildren have the opportunity to know their language and where they come from. We have also continued investing in our powwow grounds, earthlodges and other cultural spaces.

Our elders have always been a priority. We have worked on elder home improvements, backup generators for elder homes, elder's meal site, elder's healthcare coverage and supplemental insurance, assistant living facility, elder trips and other programs intended to make sure the people who came before us are cared for and included in the growth of our community.

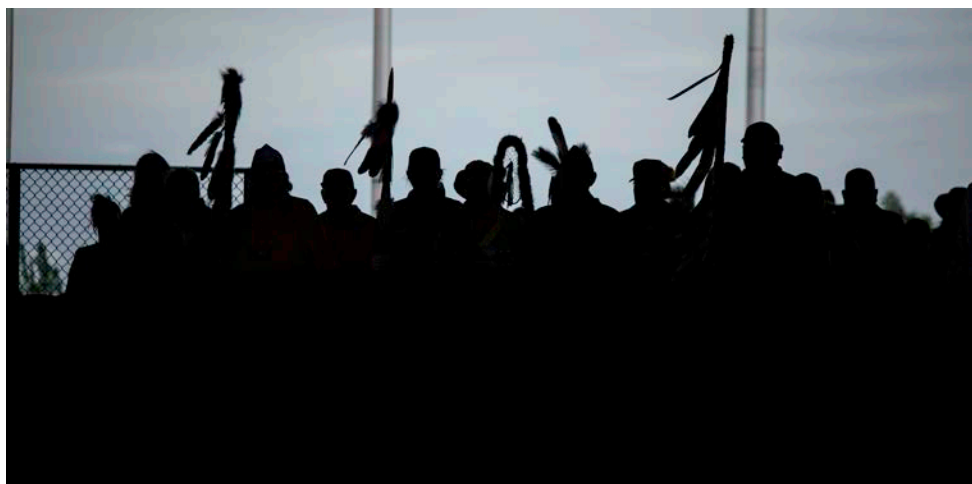

We have also continued working toward

Councilman Spotted Bear's Greetings
(Continued from Page 1)

becoming more self-reliant. Our juneberry orchard, bison pasture, bee hives, greenhouse, community garden, food distributions and other food sovereignty efforts are investments that I hope will continue growing long after any of us are serving in office.

None of these accomplishments belong to one person. They took our community employees, elders, families, Tribal programs, contractors, committees and many other people working together. I am proud of what our community has accomplished together, and I appreciate the employees who come to work every day and keep these programs and facilities going.

There is still a lot of work ahead of us.

Housing continues to be one of our greatest needs. We need to keep working on building new homes and housing units, while also investing in the roads, water lines and utilities that make new development possible. We have ongoing work with the assisted living facility, continued community development, food sovereignty and renewable energy. We also have to be responsible with our spending and keep the overall Tribal budget and long-term health of the MHA Nation in mind.

Twelve years of serving Twin

Buttes has taught me a lot. Not every project happens overnight, and not every decision is easy. I have learned that you have to keep listening, keep showing up and keep working through the difficult issues.

I am thankful to the people of Twin Buttes for trusting me to represent our community for the past 12 years. I don't take that responsibility lightly. There is a lot we can be proud of, there is still plenty of work to do, and I believe Twin Buttes has a strong future ahead of us.

With Respect,

Cory Spotted Bear

COLLEGE INTERN SPOTLIGHT

Government Name: Baylee Jewel Dahlen

Hiráaca name: Áadi cagí hirísh (Builds a Good Home)

College/University: Augsburg University

Major: Social Work

Minor: American Indian Studies

Year: Junior

Career Goal

I hope to create a space where people of all ages can learn and revitalize our culture. I want to bring people together through art, MHA food sovereignty, and sharing traditional knowledge.

How has college changed you?

College has given me purpose and direction. It has made me proud of who I am and inspired me to give back to my community.

What advice would you give someone who wants to attend college?

Carry your Indigenous identity with pride. You belong in every space, even when you don't see familiar faces. Believe in yourself and never stop challenging yourself, reach for the stars!

Why did you decide to go to college?

I have many role models in my family who showed me how education can change your life. They inspired me to earn an education so I can give back to my community.

Why did you choose your major?

I chose Social Work because I want to advocate for Native communities and create meaningful change. My American Indian Studies minor helps me connect Western teachings with Indigenous knowledge.

What has been your favorite part of college?

My favorite part has been connecting what I learn in the classroom with Indigenous knowledge. It has helped me see new ways to serve my community. Also meeting new relatives and learning from one and another.

What has been the hardest part?

The hardest part was losing my dad this February while I was in school. Finishing the semester while grieving was one of the hardest things I've ever done.

How did you overcome challenges?

I wasn't afraid to ask for help when I needed to. My relatives, teachers, and support system helped me keep moving forward.

COLLEGE INTERN SPOTLIGHT

Name: Jada Genaye Rose Appel
College/University: Fort Lewis College
Major: Business Administration
Year: Junior
Career Goal

Expand my already existing business...my coffee shop

How has college changed you?

College has changed me in so many positive ways. Living on my own has taught me responsibility, independence, and perseverance.

What advice would you give someone who wants to attend college?

Advice I would give to someone who is attending college would be to have fun, but also go to class. Even if the teacher doesn't count attendance...go anyways!

Why did you choose your major?

I chose my major because I'm already so invested in the business side of things, so having the schooling benefits.

Why did you decide to go to college?

I wanted to go to college not only for higher education, but also for the sake of my family.

What has been your favorite part of college?

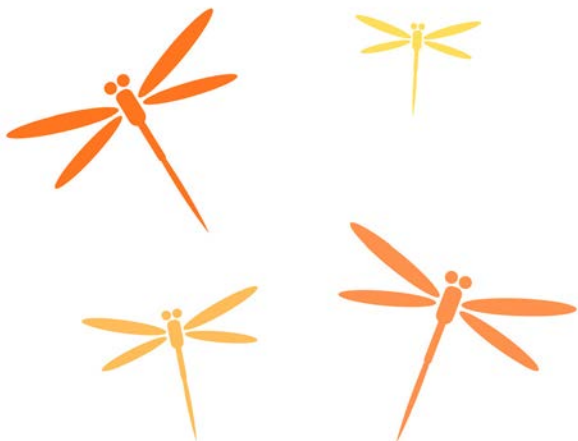

My favorite part of college is all my new friends! Such new opportunities everyday on campus with the different clubs and classes.

What has been the hardest part?

The hardest part of college is not getting over the lonesome feeling for family...no matter how many times school starts and we depart, it never gets easier.

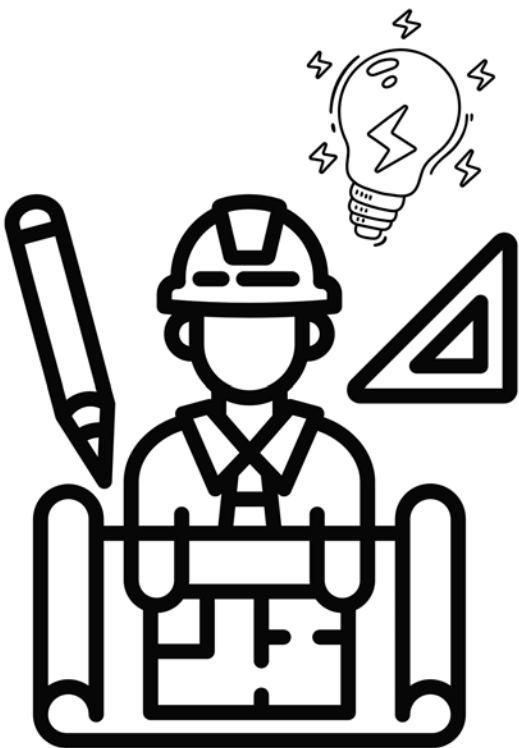

How did you overcome challenges?

Overcoming challenges is apart of everyday learning. There's not really a direct "how" for me, just a do what I think best.

COLLEGE INTERN SPOTLIGHT

Name: James Cody Mossett III
College/University: North Dakota State College of Science
Major: Electrical technology
Year: Sophomore
Career Goal
Get my Electrical license, so I could get a good paying job to support my family.
How has college changed you?
College has made me smarter in the work I want to do!
What advice would you give someone who wants to attend college?
My advice to someone going to college would be too make sure u have fun get to know people and study!
Why did you choose your major?
I chose my major because of the good pay!
Why did you decide to go to college?
Like my career goal, to do something that I can bring back that will support my family.
What has been your favorite part of college?
My favorite part has been meeting new people and learning
What has been the hardest part?
The hardest part was learning all the new things about Electrical work
How did you overcome challenges?
I studied hard!

COLLEGE INTERN SPOTLIGHT

Name: Sydney Diaz-Corral

College: Nueta Hidatsa Sahnish College (NHSC)

Major/Program: Equine Studies

Year in College: Sophomore

Career Goal

After college I plan to immerse myself in the equine community and gain hands on experiences. While continuing my education to become an equine veterinarian. My goal is to help improve horses health, performance, comfort, and overall well-being.

What has been the hardest part?

The hardest part of college for me so far has been the back-and-forth driving between home and college.

How did you overcome challenges?

I overcame challenges by taking things one day at a time and reaching out to my teachers and peers when I needed support. Having a good support system has made a big difference.

What advice would you give someone who wants to attend college?

The advice I would give someone who wants to attend college is to just go for it. You never know what you are capable of until you dive headfirst. The more you step outside your comfort zone and try new things, the more you will learn about yourself, your potential, and you will grow.

How has college changed you?

College has changed me for the better. I have a more open outlook on life, a more positive mindset, and I've expanded my comfort zone. It has brought some incredible people into my life, and I can't wait to meet even more.

Why did you decide to go to college?

I always knew I wanted to go to college. The hardest part was deciding on a career that I could see myself doing for the rest of my life without getting tired of it.

Why did you choose your major?

I chose this major because I wanted to pursue a field that I genuinely care about and enjoy.

What has been your favorite part of college?

My favorite part of college is learning more about myself and becoming more comfortable stepping out of my comfort zone.

COLLEGE INTERN SPOTLIGHT

Name: Orlando Deine Starr
College: North Dakota State College of Science (NDSCS)
Major/Program: Building, Construction, and Technology
Year in College: Sophomore
Career Goal: Forever chase the bag
Why did you decide to go to college? I went to college because I needed a job that made money.
Why did you choose your major? I chose my major because it can lead me to good opportunities where I can make good money. I also enjoy woodwork; it comes easy to me.
What has been your favorite part of college?
My favorite part of college is when I build a house with my classmates. also like the hands-on experience.
What has been the hardest part?
The hardest part of college was the homework.
How did you overcome challenges?
I overcame challenges by persevering, staying positive and pushing through everything.
What advice would you give someone who wants to attend college?
My advice would be to work towards your goals and chase the bag forever an always.
How has college changed you?
College has made me a more punctual and responsible person.

Twin Buttes Fishing 101

June 16, 2026

In Memory of

ROY MORSETTE

April 9, 1950 — July 15, 2026

Roy Morsette, 76, of Twin Buttes, North Dakota, passed away on July 15, 2026, at Sanford Medical Center in Fargo, North Dakota. Services will be held at 9:00 AM CT on Thursday, July 23, 2026 at Twin Buttes Wellness Center, Twin Buttes, ND with Pastor Kevin Finley officiating. Burial will follow at Cannonball Congregational Cemetery, Cannonball, ND. All are welcome.

A wake will begin at 6:00 PM CT on Wednesday, July 22, 2026 at Twin Buttes Wellness Center.

Roy was born on April 9, 1950, in Elbowoods, North Dakota, to Alfred Morsette Sr. and Lena Hunts Along. From the beginning, Roy's life was shaped by family, tradition, hard work, and the land he called home. He attended Twin Buttes Elementary School and later Flandreau Indian School, carrying with him the lessons, friendships, and experiences that helped make him the man so many came to know and love.

Roy lived a life full of memorable chapters. As a young man, he appeared in two movies filmed in Montana: *Little Big Man* and *A Man Called Horse*. He also enjoyed hunting, traveling, powwows, working outdoors, horsemanship, and breaking horses. With a natural connection to animals and the land, Roy carried a strong work ethic into everything he did.

In 1975, Roy met Maryann Running Bear Stretches, and they were married on July 20, 1976. Together, they shared a deep love and made their life in Twin Buttes, North Dakota, where they raised their children and helped care for grandchildren, nieces, and nephews. They were blessed with five children: Chad Morsette

Sr., Roychelle Morsette, Danny Morsette, Baby Roy Morsette, and Danielle Morsette. Family was an important part of Roy's life, and he took pride in the generations that followed him: his grandchildren, Talon, Courtney, and Lance; and his great-grandchildren, Jayci Yankton and Woyawaste "Tae" Morsette.

Throughout his working years, Roy worked as a ranch hand, operated his own ranch, served with the BIA Roads Department, and worked at Twin Buttes Elementary School until he resigned in the fall of 2014. He often said he would never retire, believing that too many people passed away soon after retiring, so in true Roy fashion, he chose to quit instead. Roy was known for being dependable, resourceful, and talented with his hands. He loved fast cars, was an excellent mechanic, and had his own machine shop. He also enjoyed carpentry and welding—skills that reflected both his patience and his ability to solve problems.

Roy found happiness in the things that connected him to his community, traditions, and family. He was a champion grass dancer and enjoyed the excitement of powwows, where his love for tradition and movement was proudly shared. He was also a longtime wrestling fan and enjoyed the entertainment of the sport. Those who knew Roy will remember his wide range of interests, his hands-on talents, and the strength, independence, and heart he brought to everything he did.

Roy was preceded in death by his father, Alfred Morsette Sr.; his mother, Lena Hunts Along; his brothers, Alfred Jr. and William; his sisters, Victoria, Joann, Germaine, Diane, and Donna; his wife, Maryann; and his son, Chad Morsette Sr.

Roy is survived by his daughters, Roychelle and Danielle Morsette; his sons, Danny and Baby Roy Morsette; his grandchildren, Talon, Courtney, and Lance; his great-grandchildren, Jayci and Tae; his special nephew, Jason "Chubbs" Morsette; close first cousins (siblings); and many nieces, nephews, and extended family.

Roy's life will be remembered through the family he loved, the work of his hands, the horses he handled, the roads he traveled, and the many stories he leaves behind. His memory will live on in the hearts of all who knew and loved him.

In Memory of

MARIAN SPOTTED BEAR

Dec 29, 1940 — Aug 2, 2026

Marian Stella Spotted Bear represents the last of a generation born in Elbowoods, North Dakota. Throughout her life, she exhibited independence, strength and pride in being from Fort Berthold. She was born into a family of strong women on December 29, 1940, when her grandma named her Hsehká' Síika Íkiihihe or "Red Corn Mixed with Yellow Corn." The Native community was curious about what baby Marian would look like. Her Indian name represents the blending of two distinct cultural families.

The family has a number of stories on how her parents met, but one common refrain is that when Lorenzo "Larry" Spotted Bear saw Ollie Sholass, he pointed her out to David Little Swallow and said, "I'm going to marry her someday." The result of that knowing love was a marriage that produced ten Spotted Bear children. Marian was the oldest. She was 85 when she died on August 2, 2026, at CHI St. Alexius Health in Bismarck, North Dakota.

Marian later became a sister to three more siblings, Rhonda, Marty and Barry Benson, after the death of Larry and the remarriage of Ollie.

As the oldest, Marian was looked to for guidance. She loved her Mandan-Hidatsa heritage. Her first-born daughter, Faith Ann Skogstad, carried Grandma Stella Tail Spotted Bear's name, Woman Above.

Hsehká' Síika Íkiihihe led a full and robust life, which led to many experiences and stories that she shared with her friends and family. She attended Haskell Institute, graduating in 1960. She also earned her bachelor's degree from Minot State College, winning accolades as Who's Who Among Students in American Universities & Colleges. She spent much of her career as an administrator holding jobs at the Department of the Air Force, the Interior Department's National Park Service, and later at the Dickinson Police Department. She

also dedicated years of administrative service to the Mandan, Hidatsa, and Arikara Nation.

As a sister, mother, auntie, and grandmother, Red Corn Mixed with Yellow Corn leaves the legacy of being a free spirit. She loved to camp near the lake with family. And when she was home, she routinely kept everything neat, clean, comfortable. She was a meticulous organizer, and she also loved to decorate her home splendidly during the holidays. And she always had a showcase for her immense collection of souvenir turtles.

Red Corn Mixed with Yellow Corn was the mother of two beautiful daughters, Faith Ann and Deidre, from her first marriage to Monty Skogstad. Deidre, her husband Marvin Shannon, and two grandsons, Demar and TreVante enjoyed many big life events with Marian. She moved to Okinawa, Japan, for a short time to live with the Shannons at Marine Corps Base Camp Kinser, where she saw the birth of TreVante.

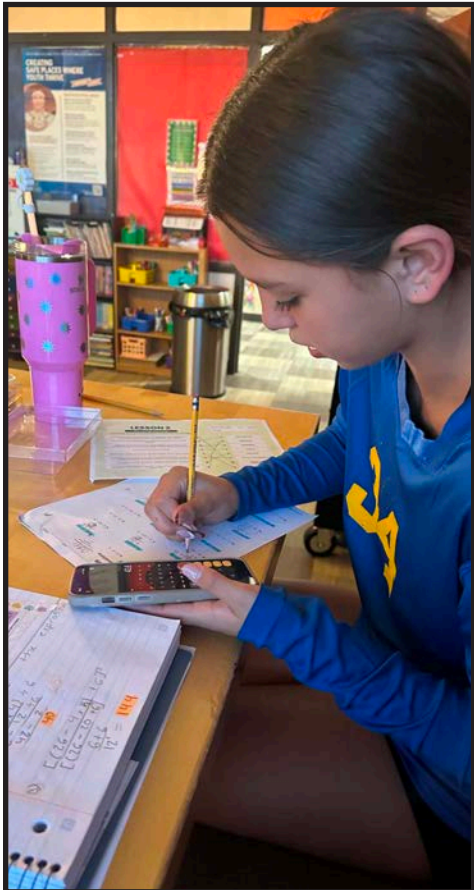

In her life, Marian experienced true love. She married Mitchell Cook in December, 2005. They immensely enjoyed each other's company until his death in 2008. As is life, Marian also saw the passing of other loved ones, including her daughter, Faith Ann Skogstad; her parents, Larry and Ollie Spotted Bear; siblings, Gertrude "Gertsy" Spotted Bear, Sandy Spotted Bear, Karen Lynch, Alyce Spotted Bear, Marty Benson, Kelly Spotted Bear and Rhonda Schettler. She is survived by her daughter Deidre Shannon (Marvin), grandsons Demar and TreVante, sisters Roberta Dahlen (Dennis), Ivetta Holding Eagle (David), Helyn Zarfos (Mark), Julie Beston, and brothers Lonnie Spotted Bear (Diana), Barry Benson, and Sal Beston.

At the time of her death, Marian received the utmost care and attention at Maple View, a memory care center in Bismarck, North Dakota. The family remains forever grateful for the kindness and care provided by the staff.

Marian's life and legacy will carry on through all the special memories she created with friends, family, and relatives. She cherished and cared for her family history. She shared so much knowledge and kept detailed records of the many generations that came before her. Her family finds comfort in knowing that her spiritual journey now leads her to join all those loved ones she missed dearly, and the ancestors she wanted to know.

To honor and remember Marian, a visitation will be held from 10:00 to 11:00 AM on Friday, August 7, 2026, at Bismarck Funeral Home. The funeral service will begin at 11:00 AM. Burial will follow at Werner Cemetery, Halliday, ND.

SEPTEMBER 25, 2026	New Town Game & Fish Office.	8:00am - 4:30pm	Selling ALL Unit Tags. All Tribal Members may purchase any Unit.

*Note we may close sales early in the communities if all the allocated tags for segment residents sell out before the scheduled end time.

ONLINE SALES: If you have access to a computer we encourage you to purchase tags online at tat.nagfa.net/online

September 25, 2026 Selling All Unit Tags starting at 8:00am- Online Purchasing is open to TAT Members Only

2026 DEER GUN SEASON DATES: NOVEMBER 6, 2026 - NOVEMBER 29, 2026

- ALL TAGS WILL BE SOLD ON A FIRST-COME, FIRST-SERVED BASIS.
- A set number of tags will be set aside for each segment's in-person sales.
- Persons who are purchasing licenses for segment residents who are unable to make it to the in-person sales must have a 2026 TAT Member Deer Gun Application filled out along with a photocopy of their ID (the address on the ID will be used to verify segment residency), and a copy of their Hunter Education Certification. (Persons born after December 31, 1961 must present their hunter education certification card to purchase a deer gun license. **EXCEPTIONS:** Veterans of the United States Armed Forces that have been honorably discharged – persons applying for this exemption **MUST** present a copy of form DD214 to be eligible). There will be a limit of 4 if purchasing for others.
- If you wish to purchase a deer gun tag for a segment you are not a resident in, don't worry! We will set separate tags aside to sell at the New Town F&W Office and online on September 25, 2026. All Units (1-4) will be available on this date.
- TAT Members who **DO NOT** reside within the reservation may:
 - 1.) Purchase their tags in person on September 25, 2026
 - 2.) Purchase their tags online on September 25, 2026, or
 - 3.) Mail in a 2026 TAT Member Deer Gun Application.
 - Mail-in applications are **ONLY** available to TAT Members who do not reside on the Fort Berthold Reservation. Any mail-in applications we receive from TAT-enrolled members who reside on the reservation will be **DENIED**. **NO EXCEPTIONS**. Mail-in applications may not be postmarked sooner than September 14, 2026.
- A 2026 Request for Designated Shooter Form must be filled out for ALL designated hunters for TAT Elders. Designated Shooter tags cannot be purchased online—forms must be submitted in person. **NO EXCEPTIONS**.
 - Elders requesting a designated shooter will receive an antlerless tag only.
 - Designated Shooters may only be assigned to one elder.
 - Keep in mind that each segment has a limited number of doe/buck tags and that elder tags are also allocated on a first-come, first-served basis.
- We will be accepting payments in cash and credit/debit cards only. **NO PERSONAL CHECKS or MONEY ORDERS**.
- Any person with any incomplete 2025 big game questionnaires will be charged an additional \$20.00 per outstanding questionnaire.

**2026 DEER GUN SALES WILL CLOSE
AT 4:30PM NOVEMBER 5, 2026.**

Deer Gun Permit Fees:

TAT Member	\$25.00 Antlered; \$10.00 Antlerless
Elder TAT Member	No Charge Antler or Antlerless

SPOUSE OF TAT ENROLLED MEMBER

Tags will be sold during in-person tribal member sales at all locations. A limited number of Spouse tags are available and will be sold on a first-come, first-served basis. Applicants must be present to purchase. If the applicant is unable to appear in person, only the applicant's legal spouse may purchase the tag on the applicant's behalf. To purchase a tag at an outreach segment location, applicants are required to be a resident of that segment. Otherwise, tags may be purchased on Friday, September 25, 2026. Applicants must present a valid state-issued ID with your current physical address to verify residency. Reminder: Spouse of Enrolled Member (SOEM) status must be approved by our TAT Game & Fish office prior to purchasing a spouse tag. If your SOEM status has already been approved, you do not need to submit another application. If your status has not been approved, you must submit a Spouse of Enrolled Member Status Form by September 4, 2026. We will **NOT** be accepting these forms during in-person sales.

Deer Gun Permit Fees:

Spouse of TAT Enrolled Member	\$100.00 Antlered; \$50.00 Antlerless
-------------------------------	---------------------------------------

NON-MEMBER TAT RESIDENT

Tags will be issued by computer lottery. Each applicant may enter the lottery for only one unit of their choosing. Lottery entry for a Non-Member Resident may only be purchased in person through the TAT Game & Fish Office, October 5–October 22, 2026, at \$25 per entry (non-refundable). Residency will be verified at the time of purchase. Applicants must present a valid state ID showing current address and proof of at least six (6) months residency. The drawing will be held October 23, 2026, and winners notified by email.

It's everything MHA Nation South Segment, **in your pocket.**
