ICC DIESEL & HORT SHOWCASE

Mrs. Schwarting took a few members to the ICC diesel and horticulture showcase. They learned about landscaping and diesel mechanics and got to talk to potential future employers.

PLOTDAY OPENHOUSE

We held an openhouse for our seed dealers to see how the corn is growing. We had refreshments and had a good time talking to our dealers.

STATE & SECTION CHAPTER VISITS

Section 5 officers and the State Sentinel came to the school during an Intro to Ag class to teach them more about FFA and working together.

AG IN THE CLASSROOM

A group of members went into the third grade classrooms at Tremont Grade School to teach them about harvesting. They made bead pumpkins. The third graders and members both had a lot of fun.
