2027 Bond Steering Committee Community Ask

District Committees

The Coppell Independent School District prides itself in partnering with all stakeholders. The district has several annual standing committees and also forms committees for district initiatives throughout the year.

Interested in serving on a committee in CISD?
CISD has opportunities for parents or guardians, community members, and business owners to be engaged through various committees. If you are interested in serving, please submit your information. CISD will contact those interested as the need arises.

Interested in serving on a committee

2027 Bond Steering Committee

Coppell ISD is forming the 2027 Bond Steering Committee of parents, students, staff and community members to provide input on the district's life cycle, repair and replacement process for facilities and technology. This group will serve in an advisory role, helping assess and prioritize ongoing maintenance, upgrades and long-term sustainability needs aligned to the district's mission and core values.

The committee will consist of students, parents, future parents, staff and community members from all areas in CISD. Together, this group will help ensure thoughtful, transparent planning that supports safe, efficient and high-quality learning environments for all students.

Interested in serving? As part of the application, applicants are encouraged to share their experience and perspectives, including:

- Experience in capital planning, financial planning, construction, facility management or construction management—preferably in a public education environment
- Experience serving on committees and building consensus on complex topics, including prior CISD committee involvement
- Ability to analyze complex data and prioritize needs within a limited budget
- A growth and innovation mindset for learning environments
- Strong listening skills and openness to diverse perspectives
- Ability to collaborate, compromise and build consensus

Your voice and expertise can help shape the future of CISD.

Key Takeaways

Zonda Demographics

District Information -

CISD Enrollment continues to be impacted largely by outgoing student transfers, Approximately 59% of students that did not re-enroll this school year in Coppell ISD were due to the students moving outside the District's boundaries. Of the Students that left the school district this school year 66% stayed in Traditional ISD schools. Evaluating School Choice conditions; 25% of students that left the District selected attending a Charter School versus a much smaller % that enrolled in Private School or Homeschool.

Housing Market Conditions -

Lack of available land for single family development has resulted in very low single-family activity. However, multifamily activity continues with the addition of new units in the Cypress Waters development. Development of future units will be driven by market conditions.

Housing Activity & Future Developments -

The district currently has 6 homes in active inventory, 62 lots available to build on, and more than 115 planned in the future.

Construction is nearing completion on roughly 375 units within Cypress Waters, with anticipated completion by the end of Spring 2026

Enrollment Forecast -

Larger exiting classes than incoming Kindergarten classes will continue to impact district enrollment. CISD is projected to enroll 11,700 students for the 2030/31 school year, and roughly 10,800 students by 2035/36.
