One Coppell - Supporting All Learners

One Coppell

Matia Messemer, Director of Employee Experience

What is One Coppell?

- A connection initiative "where neighbors become community"
- Purpose: neighbors knowing neighbors, active engagement, learning experiences, deeper connection
- Vision 2040:
  - Pillar 1, *Perpetuate a Learning Environment*
  - Pillar 2, *Foster an Inclusive Community Fabric and the Unique Coppell Experience*
- CISD Vision and Mission Connection

You Belong Here — where neighbors become community

One Coppell and CISD

Proposed by CISD:

- **Attend** One Coppell events
- **Share** One Coppell programs and events through district communications
- **Bring student voices** and leadership to community conversations and service projects.
- **Co-host a Together We Dine™** experience

Additional Opportunities:

- **Host a session** at the spring conference
- **Offer resources** to teachers and school organizations, such as the downloads, conversation guides, and the library kits as available
- **Explore Together We Learn™** on campus

Next Steps and Questions

The ask: Identify a CISD point of contact to explore these opportunities

Council and Trustees: actively engage and tell your neighbors

CISD + One Coppell

Connecting schools, families and neighbors

One Coppell brings residents together through shared experiences and community conversations. CISD can help extend that connection through our schools.

COWBOYS UNITED

A way to deepen belonging, listen to neighbors and build lasting community relationships.

PROPOSED PARTNERSHIP OPPORTUNITIES

1. Invite families and staff to One Coppell events through campus and district communications.
2. Bring student voices and leadership to community conversations and service projects.
3. Co-host family learning, shared meals and neighborhood gatherings with the city.
4. Connect residents with school tours, mentoring and volunteer opportunities.
