Discussion:

A. Bus Proposal – FY 14 bus bid 79K and some change. This bus was 2K cheaper because we ordered early. Cummings engine, bus is just like the one we bought this year.

   We could wait to buy a bus in FY 15, but current busses will be over 100K miles.

   Matt found a grant for "cash for clunker" from EPA. We must have been awarded grant before getting purchase order. Applications are due Nov. 14 – Dec. 14. Matt will take care of writing grant. Lottery type selection.

   Excursion has 240 miles, oil leak, brakes. Matt will "limp" along to save money. Bus 56 is randomly not starting and is currently not starting.

   *Bus garage should have heat as of 11-13-12

   Sub bus drivers – Matt feels that situation is Ok.

   Jack truck – suggestion to have Jack drive Excursion.

Adjournment: Motion Mr. Utsinger Time 5:51pm
