Spoon River Valley CUSD #4

Position: Paraprofessional Aide

We have a need for a paraprofessional aide for the 2026-2027 school year. The exact assignment will be determined once the successful candidate has been identified. It is possible this position could be a one on one and will work closely with the student's case manager to help create the best learning environment for the assigned student and give support to this student throughout the school day. It is also possible it could be a general aide and will work with students needing assistance in the general classroom setting.

*Para-Pro Licensure Required- Registered with ROE #26
