

STAAR & TELPAS Practice

Open a browser go to www.texasassessment.gov. Click on Educators.

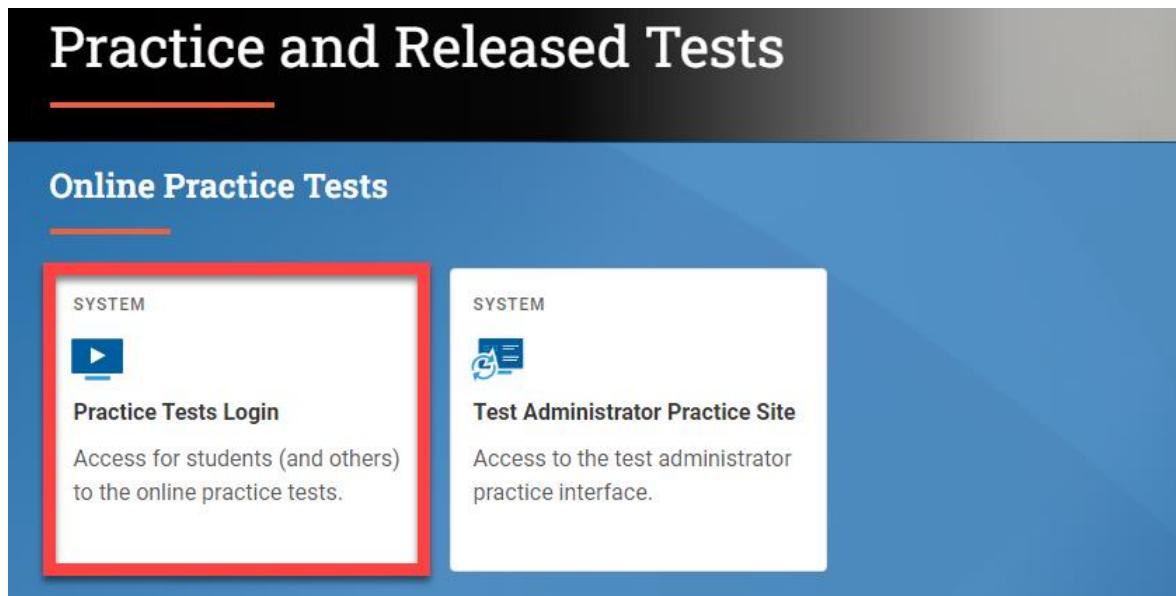

The screenshot shows the Texas Assessment website. At the top, there is a navigation bar with links: Home, Students and Families, Testing Personnel, **Educators** (which is highlighted with a red box), Assessment Programs, and Resources. Below the navigation bar is the TEA logo and the text "TEAS ASSESSMENT". The main heading "Learn More About Texas Assessments" is displayed, followed by a sub-section "View Your Child's Test Results" and a "Family Portal" section.

Scroll down the page and click on the Practice and Released Tests tile.

The screenshot shows the "Educators" page. The "Prepare for Testing" section contains four tiles. The third tile, titled "Practice and Released Tests" with a description of accessing practice and released tests, is highlighted with a red box.

Scroll down to Online Practice Tests and click on the Practice Tests Login to view the STAAR and TELPAS practice.

The screenshot shows the "Online Practice Tests" section. It features two tiles: "Practice Tests Login" (highlighted with a red box) and "Test Administrator Practice Site".

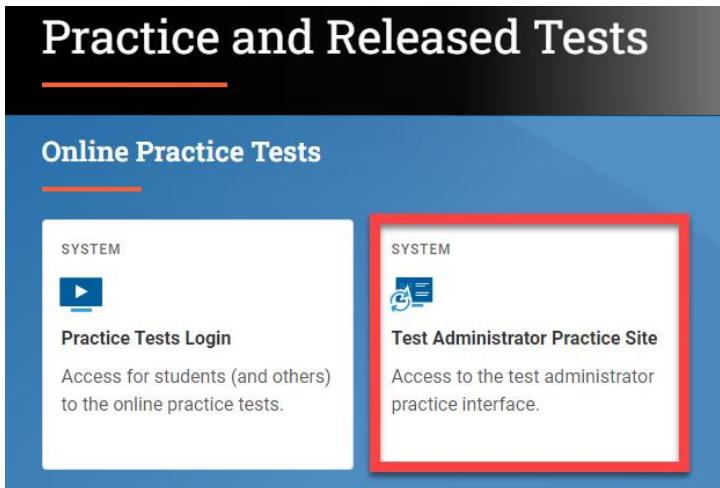

STAAR & TELPAS Practice

To create a practice session for students, follow the instructions below. Students can login to practice a test without a session being created, but by creating a session, teachers can ensure that students complete the practice test assigned.

From this page, select the Test Administrator Practice Site to create a practice test session.

Schedule Unproctored Sessions Test Selection

Create a Session

Choose the dates for which the session can be accessed.

Start: 10/30/22 12:00 AM CDT

End: 10/30/22 11:59 PM CDT

Next

Select the start and stop days and time for your session, then click the Next button.

The session will be available only from the start time to the end day and time. You can create another session for the same practice test after this one expires to allow students to log in again to complete an unfinished practice test.

STAAR & TELPAS Practice

Select the practice test that you wish to assign from the menu on your screen.

Choose a Testing Category

Then select one or more tests. You can switch categories by using the button in the modal header.
