To the Mustang City Council Selection Committee:

I am writing to share my interest in serving on the Mustang City Council. This community, specifically Ward 1, has been my home for over 23 years—where my wife and I relocated as a young married couple, raised two boys, and where we have invested our time and energy. I want to serve on the council because I care deeply about the future of our city and believe I can contribute in a way that is both constructive and collaborative.

My motivation comes from a belief that local government works best when it reflects the voices, needs, and values of its people. Because I want to be part of the conversations and decisions that shape our neighborhoods and strengthen our local economy, I am committed to promoting policies that support growth, fiscal responsibility, and a high quality of life for all residents.

Through my extensive work with public, government, and private businesses, I have learned the importance of collaboration, finding common ground, and working toward solutions that serve all parties involved. I bring a willingness to learn, a dedication to transparency, and a commitment to responsibly representing the residents of Ward 1.

I see this role as an opportunity to serve, to work alongside other council members, city leaders, and community members to address challenges, celebrate successes, and create opportunities for the growth of our Mustang community.

Thank you for considering my application. I would be honored to bring my voice, my ideas, and my dedication to the work of the Mustang City Council.

Sincerely,

Colby J. Combs

To the Mustang City Council,

Council, my name is Colby John Combs. I lived at the address above in Ward I from 2017 to 2019. The property was rented for a few years until I married in 2025. My wife and I moved to the same address in Ward I after getting married. Therefore, I have lived in Ward I for over one year prior to submitting this letter, but have only just moved back.

My family planted roots in Mustang in the early 1900s. My 3rd-great grandparents settled just south of 89th street, where we still own property and collect from their pecan trees to this day. My great-great grandmother began attending the First Baptist Church of Mustang after the Methodist Church burned down in the early 1900s. She was committed to the people and church in this town and that is reflected in myself. Today, I am involved in First Baptist Church of Mustang. This church has been my home my entire life. I foresee a future where my children grow up there as well. As a member of this community, I am actively involved in teaching Sunday schools, youth basketball, and operating businesses. I see our town's rich history as I live and continue writing it.

My intentions are to serve the people of Mustang who have impacted my life. It would be my privilege to serve the ward in which I live by filling the vacant Ward I Council seat.
