Recycling Program for at least one (1) year. After one year, I understand that I may terminate my participation by providing thirty (30) days notice to the City of Mustang. I understand that a fee of \$6.25 per month will be added to my monthly City of Mustang utility bill. I also understand that a minimum of 500 households must sign up prior to the initiation of and throughout continuance of the recycling program. I further understand that the recycling program is subject to the terms of an Interlocal Agreement between the Mustang Improvement Authority and the Oklahoma Environmental Management Authority, as it may be amended from time to time.
