Crossnore Elementary School

2026-2027 Family Engagement Policy and Plan

Purpose Statement

Crossnore Elementary will provide a safe, nurturing and engaging environment that prepares all students to be contributing citizens in society.

Family Engagement Policy

Crossnore Elementary School believes that the education of students requires a collaborative effort between parents and school. Parents/guardians are their children's first teachers. Parental involvement greatly enhances educational achievement. Involvement includes understanding the student's needs, attending parent meetings, events, parent days, conferences and working with the student at home. Parent and family engagement positively impacts the effectiveness of the Title I program and contributes significantly to the academic, social, and emotional success of students.

Family Engagement Plan

Developing a strong school-family partnership is essential to our school wide Title I program. Our program focuses on the following activities in an effort to reach out to, communicate with, and work with parents as equal partners in supporting the educational lives of our children.
