

# Oscar A. Carlson H.S. – Course Numbers

## GRADE 10 COURSE OFFERINGS

Before selecting a course, thoroughly read and understand the course requirements, description, and prerequisites outlined in the 2026-2027 Course Description Guide.

*AP = Advanced Placement class and weighted grade*

| Course                                                    | Course Number              | Semesters    | Course                                  | Course Number              | Semesters    |
|-----------------------------------------------------------|----------------------------|--------------|-----------------------------------------|----------------------------|--------------|
| Introduction to Art                                       | ART 101                    | 1            | Algebra I                               | MTH 101 and 102            | 2            |
| Drawing & Painting I - Intro                              | ART 102                    | 1            | Geometry                                | MTH 201 and 202            | 2            |
| Ceramics & Sculpture I - Intro                            | ART 103                    | 1            | Advanced Geometry                       | MTH 205 and 206            | 2            |
| Cartooning, Animation & Character Design                  | ART 200                    | 1            | Algebra II                              | MTH 301 and 302            | 2            |
| Ceramics II - Intermediate                                | ART 614                    | 1            | Advanced Algebra II                     | MTH 303 and 304            | 2            |
| Painting II - Intermediate                                | ART 612                    | 1            | Pre-Calculus                            | MTH 401 and 402            | 2            |
| Drawing III - Advanced                                    | ART 621 and 622            | 2            | <del>Pre-College Algebra</del>          | <del>MTH 410</del>         | <del>1</del> |
| Art History                                               | ART 601                    | 1            | <del>Budgets and Money Management</del> | <del>MTH 420</del>         | <del>1</del> |
| <del>Senior Portfolio</del>                               | <del>ART 661 and 662</del> | <del>2</del> | <del>Your Financial Future</del>        | <del>MTH 421</del>         | <del>1</del> |
| Microsoft Applications & Certification                    | BUS 101                    | 1            | <del>AP Calculus AB</del>               | <del>MTH 501 and 502</del> | <del>2</del> |
| Principles of Management                                  | BUS 103                    | 1            | AP Statistics                           | MTH 511 and 512            | 2            |
| Marketing & Economics                                     | BUS 201                    | 1            | AP Computer Science Principles          | MTH 541 and 542            | 2            |
| Marketing & Promotion                                     | BUS 202                    | 1            | AP Computer Science A                   | MTH 531 and 532            | 2            |
| Sports & Entertainment Marketing - Fundamentals           | BUS 211                    | 1            | Music Appreciation                      | MUS 631                    | 1            |
| Sports & Entertainment Marketing - Products and Promotion | BUS 212                    | 1            | Marching Band                           | MUS 621                    | 1            |
| Sports Officiating                                        | BUS 215                    | 1            | Concert Band                            | MUS 622                    | 1            |
| Business Law - Fundamentals                               | BUS 301                    | 1            | Wind Ensemble                           | MUS 650                    | 1            |
| Business Law - Contract Law                               | BUS 302                    | 1            | <del>Band Methods</del>                 | <del>MUS 310</del>         | <del>1</del> |
