

Henrico County Public Schools Student Survey 2026

We Value Your Feedback! As part of our "Journey to 2030" plan, we want to hear from our students. Please take 10 minutes to share your thoughts in this short survey.

What is the survey about? We want to know what it is like to be a part of our Henrico County Public Schools community, including what is going well and how we can make things even better. The questions will ask for your thoughts on:

The way students are taught in the classroom.

The safety and comfort of our school buildings.

How we support everyone's mental health and well-being.

How we can make our schools a great place for everyone to work and belong.

You will not be asked for your name, and no one will know which answers are yours. Please be honest so we can truly understand your experience.

Thank you for helping us shape the future of Henrico County Public Schools!
