

Call for Quality Schools

Longview ISD Invites Proposals for Early Childhood In-District Charter School Models

Longview Independent School District (LISD) is now accepting competitive proposals from qualified organizations to lead In-District Charter Schools focused on Early Childhood Education beginning with the 2027–2028 school year.

This opportunity stems from community feedback and district assessments highlighting early childhood development as a critical priority. By expanding expertise in foundational early learning, LISD aims to build strong academic and developmental foundations, solidifying its standing as a district of choice while aligning directly with strategic goals to:

- Improve student outcomes from the start of their educational journey.
- Foster innovation in education through rigorous, structured instructional approaches.
- Expand high-quality options for families across the community.

Priority Focus: Early Childhood School Models

LISD is specifically seeking proposals for Early Childhood School Models that reimagine early learning environments to promote:

- High-Quality Instructional Materials (HQIM): Standardized, evidence-based, and TEKS-aligned core curricula for early childhood designed to build strong cognitive foundations.
- Foundational Literacy & Numeracy: Systematic, explicit instruction in early reading, language acquisition, and mathematical thinking.
- Data-Driven Early Intervention: Robust diagnostic tools and targeted support frameworks to identify learning gaps early and accelerate growth.
- Family Engagement & Support: Active partnerships empowering parents and caregivers with tools aligned to campus HQIM to extend learning into the home.

These models may feature specialized instructional coaching frameworks, collaborative planning structures, and technology-enhanced learning tools designed to inspire young learners and educators alike.

Compliance & Legal Guidelines

All proposals must comply with EDGAR guidance and are subject to the availability and approval of funding for services to be rendered. LISD reserves the right to accept or reject any or all proposals based on the best interest of the District.

Key Information & Submission Details

Requirement	Details
Submission Deadline	Proposals will be accepted until 2:00 p.m. on November 13, 2026.
Proposal Packet Request	Contact Lori Newton at (903) 381-2296 or lnewton@lisd.org
