South Bristol School Assessment Data

Summary from years Spring 2023 to Spring 2025

January 22, 2026

Assessment Types

Maine Through Year (MTY) - DOE required covers *math* and *reading*. Some data available through NWEA from 2022 other data for earlier years is not available. The Maine DOE changed the assessment type and format. Comparing between current and past results isn't possible. We track growth by grade level and cohort with spring to spring assessment results. Data back to 2024

i-Ready - Math curriculum, diagnostics and assessments. Diagnostics are thorough and done frequently throughout the year to ensure students are meeting their growth goals. Data back to 2023.

Science - Assessment only given to students in grades 5 and 8. Very small sample size in some cases as noted by the N count values. Data goes back to 2023.

Other - Data for the State of Maine and districts across Maine is available on the Maine.gov ESSA data portal at https://www.maine.gov/doe/dashboard
