ABOUT OUR FUNDRAISER

Our heart is to provide an incredible school experience where every student has the opportunity to learn and grow. That's why we ensure the leadership and fitness events are open to everyone, regardless of financial participation. If you can help us reach our goal, please know that no gift is too small—it all goes back to our kids!

ABOUT APEX LEADERSHIP CO.

Locally owned and operated, Apex Leadership Co. joins us for two weeks to combine character development and leadership building with a fun fitness event, helping our school secure the resources we need to succeed.

2026-2027 LEADERSHIP THEME

Apex is empowering students to become everyday Super Heroes! Through fast-paced, high-energy lessons, your child will learn to lead by example and lift others up by staying **Steady**, being an **Uplifter**, and acting with **Purpose**. By learning to go the **Extra Mile** and be truly **Reliable** students will help us build an inclusive, "can-do" culture where they bring out the best in themselves and their peers. Each lesson builds critical interpersonal skills that align with our school's vision of cultivating a positive and inclusive focused community.
