DATE: July 9, 2026

To the Wethersfield School District Community,

As I begin my journey as the new Superintendent of Wethersfield Schools, I am honored and excited to join this outstanding school community. I look forward to getting to know our students, families, staff, and community members as we work together to provide an exceptional educational experience for every child. Our dedicated educators and staff are committed to creating a safe, supportive, and engaging learning environment where all students can grow, achieve, and succeed. It is a privilege to serve this district, and I am eager to partner with you as we begin an exciting new school year.

As we prepare for the first day of school on **Friday, August 14**, I encourage all families to complete Online Registration, which opens on **Monday, July 13**. I will be in the district office throughout the month of July and welcome any questions you may have as we prepare for the upcoming year. **On Tuesday, July 14 at 10:00am**, Wethersfield Elementary Students are invited to an Open Swim at the Kewanee Park District Pool at Northeast Park.

Thank you for the warm welcome, and I look forward to meeting many of you in the weeks ahead. Together, we will make this a successful and rewarding school year for every student.

Sincerely,

Mr. Kurtis Smyth
Superintendent of Schools
