CLEVELAND HILL HS NEWSLETTER

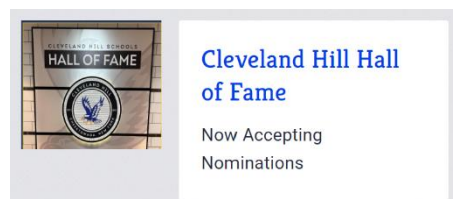

Message from Mr. Wiles

The weather outside is frightful, but the first quarter of our school year has been delightful! I'd like to start by giving a huge round of applause to all of the students who earned High Honor, Honor, and Merit Roll for the first quarter of the 2022-2023 school year. I'm proud to say that we're able to recognize more than 60% of our high school students with one of these honors, and it is a sign of the hard work and dedication that takes place in our classes every day. Additionally, we had the pleasure of inducting thirteen of our best and brightest into the CHHS Chapter of the National Honor Society. These exemplary students deserved every bit of the recognition, as they have spent their careers here dedicated not only to their studies, but also to giving back to our school and community. I'd like to add a special thanks to all of our families and the faculty for supporting the students, as well. None of these accomplishments could occur without the ongoing support of our families and the faculty.

Congratulating our
October 2022 Student
of the Month,
Senior – Amora Smith

The High School Student of the Month Committee would like to congratulate Senior Amora Smith as the October 2022 Student of the Month. Amora was nominated by faculty and staff members as a clear choice for this award. The list of personality traits she possesses including her communication, maturity and leadership skills were the focus of the words echoed in each narrative from our staff.

I wholeheartedly support the nomination for Amora Smith as student of the month. Through her participation in the CHANGE program and her role as a Freshman Mentor, she goes above and beyond to make our Cleve Hill community a better place. She is kind, respectful, hard-working, compassionate and inspirational. Watching Amora lead groups, interact with peers and adults and listening to her speak, I feel confident that she is going to make a big difference in this world, and I'm so excited to see all of the amazing opportunities that will come her way.

- Mrs. Jennilee Schmitt

Amora is challenging herself by taking the Public Speaking elective. She is a leader in the class! She turns in exemplary work, on time. Plus, she is just a cool person! Thanks,

- Mrs. Dana Warford

I fully support the nomination for Amora Smith. She was a huge bright spot in my day last year. As a freshman mentor she was serious

about the responsibilities that came with mentoring the younger students. She led by example and gave them good advice from the heart. Amora also showed me that she is not afraid to stand up for what is right and what she believes in. She was also an amazing student in class. She was always open to learning new things; she would help others who may need assistance, and do whatever she could do to make the class better. If I needed a favor or an extra set of hands, I could always count on Amora. I know she is going to make a huge impact on the world as well as the community as she progresses in life.

-Mrs. Marcie McDougal-Domroes

I was so lucky to have Amora in my yoga class last year. Not only did she actively participate in yoga, but she was a great role model to the rest of the class as well. Not only does she advocate for herself, but she advocates for her peers as well. I always enjoy chatting with Amora!

-Mrs. Kelly Metzger

Amora is an outstanding choice for Student of the Month. In a matter of a few years, I have seen this young lady grow into a leader of not only the classroom but of our student body. She is on to a bright future and I truly look forward and can't wait to hear what successes she has.

-Mr. Keicher

Amora is a fantastic student. She is so passionate when it comes to learning about and discussing issues pertinent to her and her fellow classmates. She illustrates her leadership abilities in group situations but is also a diligent independent worker.

- Mrs. Susan Rooney

Having the unique opportunity to teach Amora as a freshman in my English 9 Honors class and now this year as a senior in my Advance Studies course has been a perk for me. Although she ended her freshman academic year remotely, she was completely dialed in and remained an active discussion leader in that class. She continually demonstrates her leadership, scholarship and maturity. I cannot agree more with my colleagues about the outstanding student, community member and compassionate person we see in Amora. She is an example for her peers when it comes to participation and communicating ideas diplomatically and maturely.

-Mrs. Stones

Amora is an excellent candidate for Student of the Month. I've had the pleasure of working with Amora for two of our work-based learning programs (NHS Tutoring & Student Operated Tech-Hub). Amora is an influential leader who demonstrates collegiate & occupational readiness skills on a daily basis! -Mrs. Boyd

Music News

The Cleveland Hill Music Department is proud to have had 9th grader Elliot Luis Madrigal

represent the high school at the 2022 Area All-State Music Festival on November 4th and 5th. He participated in the SATB Mixed Choir, which is composed of about 150 singers from the five counties of Western NY. Elliot auditioned for this last June and was selected based on his high score on solo performances and sight-reading.

The Cleveland Hill Music Department is proud to announce that our Steinway grand piano which was built in 1914 has been

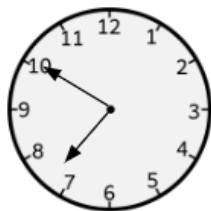

fully restored. This is a beautiful instrument and we are very fortunate to have it in our auditorium. Additionally, we are grateful to CHEF and the family of James Stainrook whose generous donation allowed us to purchase a newly refurbished piano for the elementary school auditorium. Please be sure to check out our upcoming performances:

12/6: MS/HS Winter Chorus Concert

12/13: MS/HS Winter Band Concert

2/16: Cheektowaga High School Band Festival at Cheektowaga Central

Attendance Counts!

This year we are highlighting students who are demonstrating healthy habits of being present

and on time in school each day! Student attendance is a strong predictor of academic success. For the start to the year, we recognized students who were in school 97% or more during the first quarter. In addition, we held a grade level contest over five weeks that tracked the percentage of students present each week. Our overall winner for the competition went to the Freshman class with a 93% average.

Our next competition started November 14. Keep up the hard work Eagles! Remember to be here, every day, ready and on time!

3. Leave room for a photo image if desired.
4. Choose the program you would like to use to create the ad and get started. Make sure you can save as a PDF from whatever program it is (Word, PowerPoint, etc.)
5. If you are planning on a full-page ad you can use the whole page of a Word, Google Doc or Google Slide (see Template). If not, you should create the ad as close to the size it will be placed in so that you can see how it will look when printed.
