Dear Parents/Guardians:

The Department of Elementary and Secondary Education's Office of Public School Monitoring (PSM) will conduct an Integrated Monitoring Review of the Narragansett Regional School District during the week of November 6, 2026. Each school district, charter school, vocational school, and virtual school undergoes an Integrated Monitoring Review every three years. The areas addressed during an Integrated Monitoring Review are organized into two groups, known as Group A Universal Standards and Group B Universal Standards.

The Department of Elementary and Secondary Education's Office of Public School Monitoring (PSM) will conduct a Tiered Focused Monitoring Review of *Group B Universal Standards*. The areas of review include specific special education and civil rights criteria regarding: student registration and enrollment; school admissions; parent, student, and community engagement; facilities and classroom observations; staff licensure and professional development; school oversight; and instructional time and learning.

The process includes interviews with district staff and administrators, a review of student records, policies and procedures, and school building visits. The process may also include parent/caregiver, student and teacher focus group meetings to gather additional information. Interpretation will be provided, if needed.

Within approximately 60 business days after the onsite visit, the review chairperson will provide the NRSD with a report that includes information on further actions that may be required. The public can access the report at <https://www.doe.mass.edu/psm/tfm/default.html>.

Sincerely,

A handwritten signature in blue ink, appearing to be "CC", with a long horizontal line extending to the right.
