CAMMACK HAS BROKEN GROUND!

- Mayor Cody Kees -

If you pass by the corner of Brentwood and McKinley, you will notice some new fencing. On April 7, 2026, the City of Cammack Village officially broke ground on the NEW City Center. The project is projected to be complete by the end of 2026. A ribbon cutting ceremony is tentatively scheduled for early 2027.

This effort has taken the entire Cammack community coming together. I am grateful that Cammack will have a place to call home for future generations. A place where families can gather for clubs, special events, birthday parties, and more. A place where citizens can have ADA access to city council meetings as well as all available city services. Our CVPD works tirelessly to keep the citizens of Cammack safe, and their new police station will serve them well and provide them the tools they need to keep CVPD the best police department into the future!

Nabholz will be providing monthly construction updates at the public council meetings. If you can not attend a council meeting in person, recordings of the meetings are made available on the city's website https://www.cammackvillage.org/page/city-council-meetings. To see more photos from the groundbreaking visit the city's website and click on the front page article.

The City appreciates the continued patience of citizens as we navigate the construction process. Please voice any concerns or questions to city hall (501) 663-4593 or clerk@cammackvillage.org.

Cammack Village FAQ

When is trash pick-up in Cammack Village?

Every Monday – Waste (blue top bin) and Yard Waste (brown top bin)
Every Thursday – Waste (blue top bin)
Every OTHER Thursday – Recycling (green top). There are free recycling date magnets in City Hall as well as on the website under *events*.

Can I leave my trashcan on the street between pick up days?

Per Ordinance 06-03, trash containers and recycling bins can be placed on the street no earlier than 2pm the day prior to pick up and must be removed by 8am the day following pick up. Trash containers and recycling bins should be stored in a location no closer to the street than the front edge of the resident's home in a location that may not easily be observed from the street.

What do I do with Yard Waste?

Any yard waste must be placed in the brown top container provided by Republic. The truck that Republic uses can only pick up the containers. Branches and debris place directly on the curb will not be picked up.

Have a question you want answered?

There is a "Submit a Question" button on the Cammack website. All questions submitted will receive a response within 48 business hours.

Nice Lawns Make Nice Neighbors

- Tall grass can harbor trash and hazards which can be dangerous to neighborhood occupants and children.
- Pests are more comfortable in overgrown conditions.
- A highly overgrown lot becomes very dry in the heat of summer and is a potential for a fire hazard.
- Tall grass and weeds create hazards to neighborhood residents and contribute to an unkempt look and feel to a neighborhood.

"We're slowly disappearing, Marty. Shouldn't we do something?"

Cammack Village City Ordinance #20-03
All properties in Cammack Village should not permit grass and/or weeds in the area **surrounding** (front & back) such dwelling to exceed a height of 7 inches. Upon failure to comply, the City of Cammack Village, shall have the right to take necessary action to remedy such condition, the cost of which shall be charged to the owner/resident in the form of a lien on the property.

There are several property standards guidelines included in Ordinance 20-03 including but not limited to grass, weeds, standing water, and more. This ordinance can be found on the City's website.

Open City Council Position – Have a voice in your community!

Cammack's City Council has an open position within Ward 2. The commitment of City Council is a minimum of two meetings per month and any additional meetings that are called by the City.

Any interested Cammack citizen living within Ward 2 (see map) who is interested in serving their community in this role should submit a letter of interest to the City Council. The Council will appoint a citizen to fill the vacancy at the May 12th city council meeting.

Drop off a letter of interest to City Hall or email a letter to clerk@cammackvillage.org by end of day on **Monday, May 4, 2026**.
Questions? (501) 663-4593.

Monthly City Council Meetings

The Cammack Village City Council meets every month on the 2nd Tuesday at 6:00pm. Each meeting includes the following:

- Public comments are at the beginning of every meeting. This is a time and opportunity for citizens of Cammack to ask questions and offer suggestions.
- Officer reports including treasurer, police and city hall administration.
- Old business including New City Center updates
- New business

Cammack has a unique oportunity for citizens to take part in their government since meetings take place within walking distance of all residents!
