VOTING IN CAMMACK WILL RETURN

- Mayor Cody Kees -

If you are like me, you love nothing more than walking to the polls on election day. The 14 years we have lived here, my family has made it a tradition of voting at our beloved Cammack City Hall. Many of our neighbors have had such a tradition for more than 50 years.

As many of you noticed from a postcard recently distributed to households, our precinct this November 3rd will be St. Paul United Methodist (2223 Durwood Road). I assure you, the reason for the change is only temporary.

The City will be moving into the NEW City Center in November, which is very exciting! With the move and pending demolition comes the inability to host the election at the same time.

I have spoken to the Election Commission, and they have confirmed polling will return to the NEW Cammack City Center for future elections. They are thrilled at the thought of having a new polling center that is ADA accessible, fully functional, and most importantly safe, thanks to the CVPD!

Thank you for your understanding and patience as we have navigated the construction process. We look forward to the move and grand opening celebration. Details coming soon! If you have any questions or concerns, do not hesitate to contact City Hall (501) 663-4593.

UPCOMING EVENTS

HALLOWEEN IN THE VILLAGE

SATURDAY, OCTOBER 31st

Schoolwood traffic alert – Schoolwood will be blocked off to thru traffic Halloween evening 5:30p-8p for trick-or-treating.

CVPD CORNER
with Chief Davidson

CVPD has a fully staffed department including two volunteer officers. We welcome Officer Andrew Drummond and Officer Laurence Flaxman to Cammack. They are volunteering their time because they value Cammack and want to keep it as safe as I do.

Don't hesitate if you need anything to let CVPD know what we can do. We are here for you and thank you for your continued support.

DOWNLOAD THE CAMMACK APP

With many changes and events coming up in Cammack, you can receive push notification reminders on the Cammack app. The app is available for Apple and Android devices.

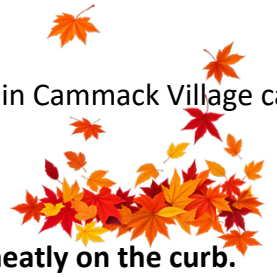

Also available on the app is an event calendar, sanitation reminders, Baker Park reservation request forms, and more. Coming soon in 2027, the community will be able to reserve the new City Center from the app.

SANITATION REMINDERS

LABELING OF TRASH CANS: Reminder not to label trash cans. Borrow a neighbor's can if you need more space on a pickup day. If you would like an additional trash, yard waste, or recycle bin, there is a request form on the City's website:

cammackvillage.org > Resident Information > Sanitation > Sanitation Request Form

BULK PICKUP: To get on the bulk pickup list, call City Hall BEFORE placing items on the curb. City Hall will give you the next pickup date available for you to then place items on the curb. More information on bulk pickup can be found on the City's website.

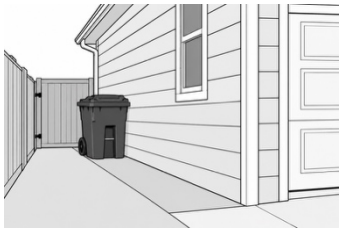

LEAVES: Each Monday, every household in Cammack Village can place on the curb for collection:

- Yard Waste Bin(s) – Brown top
- Trash Bin(s) – Blue or Black top
- **Maximum 10 leaf bags stacked neatly on the curb. The yard waste can MUST be with the leaf bags to help the driver load the bags into the truck.**

If you place more than 10 bags on the curb for pickup, you may be asked to remove them until the next Monday's collection. This is done so that bags do not sit on the curb and break open into the street. **Republic will only pickup 10 bags of leaves per week per household.**

PULL IN YOUR TRASH CANS AFTER PICKUP: Please make sure to pull in your trash can in a timely manner after pickup. This helps keeps streets clear and less crowded. Trash bins should be stored in a location no closer to the street than the front edge of the home in a location that may not easily be observed from the street.

For all sanitation needs, *please do not call Republic directly*. All requests must be routed through Cammack City Hall (501) 663-4593, email clerk@cammackvillage.org, or the online form mentioned above.
