§ 11.1.3 Provided that an Application for Payment is received by the Owner not later than the Twenty-Fifth day of a month, the Owner shall make payment of the amount certified to the Construction Manager not later than the Fifteenth day of the following month. If an Application for Payment is received by the Owner after the application date fixed above, payment of the amount certified shall be made by the Owner not later than Twenty (20) days after the Owner receives the Application for Payment.
(Federal, state or local laws may require payment within a certain period of time.)

§ 11.1.4 With each Application for Payment, the Construction Manager shall submit, upon request, payrolls, petty cash accounts, receipted invoices or invoices with check vouchers attached, and any other evidence required by the Owner to demonstrate that payments already made by the Construction Manager on account of the Cost of the Work equal or exceed progress payments already received by the Construction Manager, plus payrolls for the period covered by the present Application for Payment, less that portion of the progress payments attributable to the Construction Manager's Fee.

§ 11.1.5 Each Application for Payment shall be based on the most recent schedule of values submitted by the Construction Manager in accordance with the Contract Documents. The schedule of values shall allocate the entire Guaranteed Maximum Price among: (1) the various portions of the Work; (2) any contingency for costs that are included in the Guaranteed Maximum Price but not otherwise allocated to another line item or included in a Change Order; and (3) the Construction Manager's Fee.

§ 11.1.5.1 The schedule of values shall be prepared in such form and supported by such data to substantiate its accuracy as the Owner may require. The schedule of values shall be used as a basis for reviewing the Construction Manager's Applications for Payment.

§ 11.1.5.2 The allocation of the Guaranteed Maximum Price under this Section 11.1.5 shall not constitute a separate guaranteed maximum price for the Cost of the Work of each individual line item in the schedule of values.

§ 11.1.5.3 When the Construction Manager allocates costs from a contingency to another line item in the schedule of values, the Construction Manager shall submit supporting documentation to the Owner.

§ 11.1.6 Applications for Payment shall show the percentage of completion of each portion of the Work as of the end of the period covered by the Application for Payment. The percentage of completion shall be the lesser of (1) the percentage of that portion of the Work which has actually been completed, or (2) the percentage obtained by dividing (a) the expense that has actually been incurred by the Construction Manager on account of that portion of the Work and for which the Construction Manager has made payment or intends to make payment prior to the next Application for Payment, by (b) the share of the Guaranteed Maximum Price allocated to that portion of the Work in the schedule of values.

§ 11.1.7 In accordance with AIA Document A201–2017 and subject to other provisions of the Contract Documents, the amount of each progress payment shall be computed as follows:

§ 11.1.7.1 The amount of each progress payment shall first include:

.1 That portion of the Guaranteed Maximum Price properly allocable to completed Work as determined by multiplying the percentage of completion of each portion of the Work by the share of the Guaranteed Maximum Price allocated to that portion of the Work in the most recent schedule of values;

.2 That portion of the Guaranteed Maximum Price properly allocable to materials and equipment delivered and suitably stored at the site for subsequent incorporation in the completed construction or, if approved in writing in advance by the Owner, suitably stored off the site at a location agreed upon in writing;

.3 That portion of Construction Change Directives that the Owner determines to be reasonably justified; and

.4 The Construction Manager's Fee, computed upon the Cost of the Work described in the preceding Sections 11.1.7.1.1 and 11.1.7.1.2 at the rate stated in Section 6.1.2 or, if the Construction Manager's Fee is stated as a fixed sum in that Section, an amount that bears the same ratio to that fixed-sum fee as the Cost of the Work included in Sections 11.1.7.1.1 and 11.1.7.1.2 bears to a reasonable estimate of the probable Cost of the Work upon its completion.

§ 11.1.7.2 The amount of each progress payment shall then be reduced by:

.1 The aggregate of any amounts previously paid by the Owner;

.2 The amount, if any, for Work that remains uncorrected and for which the Owner has previously withheld a Certificate for Payment as provided in Article 9 of AIA Document A201–2017;

.3 Any amount for which the Construction Manager does not intend to pay a Subcontractor or material supplier, unless the Work has been performed by others the Construction Manager intends to pay;

.4 For Work performed or defects discovered since the last payment application, any amount for which the Owner may withhold payment, or nullify a Certificate of Payment in whole or in part, as provided in Article 9 of AIA Document A201–2017;

.5 The shortfall, if any, indicated by the Construction Manager in the documentation required by Section 11.1.4 to substantiate prior Applications for Payment, or resulting from errors subsequently discovered by the Owner's auditors in such documentation; and

.6 Retainage withheld pursuant to Section 11.1.8.

§ 11.1.8 Retainage

§ 11.1.8.1 For each progress payment made prior to Substantial Completion of the Work, the Owner may withhold the following amount, as retainage, from the payment otherwise due:

§ 11.1.10 Except with the Owner's prior written approval, the Construction Manager shall not make advance payments to suppliers for materials or equipment which have not been delivered and suitably stored at the site.

§ 11.1.12 In taking action on the Construction Manager's Applications for Payment the Owner shall be entitled to rely on the accuracy and completeness of the information furnished by the Construction Manager, and such action shall not be deemed to be a representation that (1) the Owner has made a detailed examination, audit, or arithmetic verification, of the documentation submitted in accordance with Section 11.1.4 or other supporting data; (2) that the Owner has made exhaustive or continuous on-site inspections; or (3) that the Owner has made examinations to ascertain how or for what purposes the Construction Manager has used amounts previously paid on account of the Contract. § 11.2.2 Within 30 days of the Owner's receipt of the Construction Manager's final accounting for the Cost of the Work, the Owner shall conduct an audit of the Cost of the Work or notify the Construction Manager that it will not conduct an audit.

§ 11.2.2.1 If the Owner conducts an audit of the Cost of the Work, the Owner shall, within 10 days after completion of the audit, submit a written report based upon the auditors' findings to the Construction Manager.

§ 11.2.2.2 Within seven days after receipt of the written report described in Section 11.2.2.1, or receipt of notice that the Owner will not conduct an audit, and provided that the other conditions of Section 11.2.1 have been met, the Owner will notify the Construction Manager in writing of the reasons for withholding a payment as provided in Article 9 of AIA Document A201–2017. The time periods stated in this Section 11.2.2 supersede those stated in Article 9 of AIA Document A201–2017.

§ 11.2.2.3 If the Owner's auditors' report concludes that the Cost of the Work, as substantiated by the Construction Manager's final accounting, is less than claimed by the Construction Manager, the Construction Manager shall be entitled to request mediation of the disputed amount without seeking an initial decision pursuant to Article 15 of AIA Document A201–2017. A request for mediation shall be made by the Construction Manager within 30 days after the receipt of the Construction Manager's final Certificate for Payment. Failure to request mediation within this 30-day period shall result in the substantiated amount reported by the Owner's auditors becoming binding on the Construction Manager. Pending a final resolution of the disputed amount, the Owner shall pay the Construction Manager the amount certified in the Architect's final Certificate for Payment.

§ 11.2.3 The Owner's final payment to the Construction Manager shall be made no later than 30 days after the issuance of the Construction Manager's final Certificate for Payment, or as follows:

Final Payment to the Construction Manager shall be made no later than 30 days to Construction Manager's completion of its deliverables in 11.2.1.1 and 11.2.1.2.

§ 11.2.4 If, subsequent to final payment, and at the Owner's request, the Construction Manager incurs costs, described in Sections 7.1 through 7.7, and not excluded by Section 7.9, to correct defective or nonconforming Work, the Owner shall reimburse the Construction Manager for such costs, and the Construction Manager's Fee applicable thereto, on the same basis as if such costs had been incurred prior to final payment, but not in excess of the Guaranteed Maximum Price. If adjustments to the Contract Sum are provided for in Section 6.1.7, the amount of those adjustments shall be recalculated, taking into account any reimbursements made pursuant to this Section 11.2.4 in determining the net amount to be paid by the Owner to the Construction Manager.

§ 11.3 Interest

Payments due and unpaid under the Contract shall bear interest from the date payment is due at the rate stated below, or in the absence thereof, at the legal rate prevailing from time to time at the place where the Project is located.

§ 13.1.2 In the event of termination of this Agreement pursuant to Section 13.1.1, the Construction Manager shall be compensated for Preconstruction Phase services and Work performed prior to receipt of a notice of termination, in accordance with the terms of this Agreement. § 13.1.5 If the Owner terminates the Contract pursuant to Section 13.1.3 after the commencement of the Construction Phase but prior to the execution of the Guaranteed Maximum Price Amendment, the Owner shall pay to the Construction Manager an amount calculated as follows, which amount shall be in addition to any compensation paid to the Construction Manager under Section 13.1.4:

.1 Take the Cost of the Work incurred by the Construction Manager to the date of termination;

.2 Add the Construction Manager's Fee computed upon the Cost of the Work to the date of termination at the rate stated in Section 6.1 or, if the Construction Manager's Fee is stated as a fixed sum in that Section, an amount that bears the same ratio to that fixed-sum Fee as the Cost of the Work at the time of termination bears to a reasonable estimate of the probable Cost of the Work upon its completion; and

.3 Subtract the aggregate of previous payments made by the Owner for Construction Phase services.

§ 13.1.6 The Owner shall also pay the Construction Manager fair compensation, either by purchase or rental at the election of the Owner, for any equipment owned by the Construction Manager that the Owner elects to retain and that is not otherwise included in the Cost of the Work under Section 13.1.5.1. To the extent that the Owner elects to take legal assignment of subcontracts and purchase orders (including rental agreements), the Construction Manager shall, as a condition of receiving the payments referred to in this Article 13, execute and deliver all such papers and take all such steps, including the legal assignment of such subcontracts and other contractual rights of the Construction Manager, as the Owner may require for the purpose of fully vesting in the Owner the rights and benefits of the Construction Manager under such subcontracts or purchase orders. All Subcontracts, purchase orders and rental agreements entered into by the Construction Manager will contain provisions allowing for assignment to the Owner as described above.

§ 13.1.6.1 If the Owner accepts assignment of subcontracts, purchase orders or rental agreements as described above, the Owner will reimburse or indemnify the Construction Manager for all costs arising under the subcontract, purchase order or rental agreement, if those costs would have been reimbursable as Cost of the Work if the contract had not been terminated. If the Owner chooses not to accept assignment of any subcontract, purchase order or rental agreement that would have constituted a Cost of the Work had this agreement not been terminated, the Construction Manager will terminate the subcontract, purchase order or rental agreement and the Owner will pay the Construction Manager the costs necessarily incurred by the Construction Manager because of such termination.

§ 13.2 Termination or Suspension Following Execution of the Guaranteed Maximum Price Amendment

§ 13.2.1 Termination

The Contract may be terminated by the Owner or the Construction Manager as provided in Article 14 of AIA Document A201–2017.

§ 13.2.2 Termination by the Owner for Cause

§ 13.2.2.1 If the Owner terminates the Contract for cause as provided in Article 14 of AIA Document A201–2017, the amount, if any, to be paid to the Construction Manager under Article 14 of AIA Document A201–2017 shall not cause the Guaranteed Maximum Price to be exceeded, nor shall it exceed an amount calculated as follows:

.1 Take the Cost of the Work incurred by the Construction Manager to the date of termination;

.2 Add the Construction Manager's Fee, computed upon the Cost of the Work to the date of termination at the rate stated in Section 6.1 or, if the Construction Manager' Fee is stated as a fixed sum in that Section, an amount that bears the same ratio to that fixed-sum Fee as the Cost of the Work at the time of termination bears to a reasonable estimate of the probable Cost of the Work upon its completion;

.3 Subtract the aggregate of previous payments made by the Owner; and

.4 Subtract the costs and damages incurred, or to be incurred, by the Owner under Article 14 of AIA Document A201–2017.

and that is not otherwise included in the Cost of the Work under Section 13.2.2.1.1. To the extent that the Owner elects to take legal assignment of subcontracts and purchase orders (including rental agreements), the Construction Manager shall, as a condition of receiving the payments referred to in this Article 13, execute and deliver all such papers and take all such steps, including the legal assignment of such subcontracts and other contractual rights of the Construction Manager, as the Owner may require for the purpose of fully vesting in the Owner the rights and benefits of the Construction Manager under such subcontracts or purchase orders.

§ 13.2.3 Termination by the Owner for Convenience

If the Owner terminates the Contract for convenience in accordance with Article 14 of AIA Document A201–2017, then the Owner shall pay the Construction Manager a termination fee as follows:

If either party attempts to make an assignment without such consent, that party shall nevertheless remain legally responsible for all obligations under the Contract.

§ 14.2.2 The Owner may, without consent of the Construction Manager, assign the Contract to a lender providing construction financing for the Project, if the lender assumes the Owner's rights and obligations under the Contract Documents. The Construction Manager shall execute all consents reasonably required to facilitate the assignment.

RE: The Farrell Sexton Enterprises, Inc. Property; Located at 572 E. Robinson Avenue, Springdale, Arkansas; Washington County

Dear Mr. Carr:

In compliance with your request and for the purpose of estimating the market value of the above captioned property, we hereby certify that we have examined the subject property and made a survey of the matters pertinent to the estimation of its value.

We further certify that we have no interest, present or contemplated, in the property appraised, and our fee was not contingent upon the value estimate reported.

The following real property appraisal report contains data gathered in our investigation, information from our files, and shows the method of appraisal in detail. This report is presented under the Appraisal Report Option.

This report addresses: the market value of the Whole Property prior to the City of Springdale acquiring 5,046± square feet (SF) in permanent utility easement (PUE), as of February 11, 2026; and, the market value of the Remainder Property after the acquisition of 5,046± SF PUE are in place, also as of February 11, 2026.

Based on an analysis of relevant data, and contingent on the Assumptions and Limiting Conditions which follow and appear in the Addenda Section of this report, it is our opinion the market value of the subject property, as of February 11, 2026, was as follows:

Whole Property	=	$ 427,800
Remainder Property	=	$ 283,300
Damage To Market Value	=	$ 144,500

The preceding values reflect terms equivalent to cash to the owners and represent that for real property only.

The following Extraordinary Assumptions are utilized in this report:

1. **Subject land sizes, Whole Property and Remainder Property, are approximately as indicated;**
2. **The area of acquisition is approximately as indicated;**
3. **The City of Springdale, at their expense, will put the land, concrete curbs and concrete paving located within the PUE back to as near original condition as possible;**
4. **Subject and adjacent properties are in compliance with all applicable EPA regulations.**

If any, or all, of these Extraordinary Assumptions prove to be untrue, one or both of the preceding value estimates could be influenced.

The reader is referred to additional Assumption and Limiting Conditions presented in the Addenda Section of this report.

A Hypothetical Condition of this appraisal is that the Sunset Avenue Extension & Powell Street Improvements Project (Holcomb Street to Robinson Avenue) is complete and in place as of the effective date of this report in estimating the market value of the Remainder Property. In reality, the Sunset Avenue Improvements Project is not complete and in place as of February 11, 2026. If this Hypothetical Condition is not considered, the estimated market value of the Remainder Property could be influenced.

Sincerely,

RE: Notice of clean-up lien on property located at 610 N Kansas St., Springdale, Washington County, Arkansas, Tax Parcel No. 815-21001-000

Dear Property Owner/Lienholder:

On March 19th, July 13th, & July 21st, 2026, a notice was posted on property located at 610 N. Kansas St., Springdale, Arkansas, that the property was in violation of Springdale City Ordinance 42-77 and 42-78, and needed to be remedied within seven (7) days. Notice was mailed to the owner of record on March 19th, 2026 that the City intended to seek a clean-up lien on this property pursuant to Ark. Code Ann. §14-54-903 if the violations were not remedied. The notice also applied to any violations that may be found on the property within the next 12 months.

Subsequent to the above-referenced violation notice being issued, a city code violation was found to have existed on the property. As a result, the City of Springdale took action to remedy the violations on the property, as is allowed by Ark. Code Ann. §14-54-903, on or about July 21st, 2026. As of this date, the total costs incurred by the City of Springdale to clean this property are $557.32. I have enclosed an invoice evidencing the abatement costs incurred and paid by the City of Springdale to clean this property. Also, in accordance with Ark. Code Ann. §14-54-903(c)(4), administrative fees may be added to the total costs incurred by the City of Springdale, which will include certified mailing fee in the amount of $9.92 per letter and a filing fee in the amount of $15.00 to the Washington County Circuit Court.

This is to notify you that in the event this amount is not paid to the City of Springdale on or before October 21st, 2026 a hearing confirming the amount of the lien will be held before the Springdale City Council pursuant to Ark. Code Ann. §14-54-903 to determine the amount of the clean-up lien

to which the City is entitled for cleaning up the property. The hearing confirming the amount of the lien will be held Tuesday, October 27th, 2026, at 6:00 p.m. in the City Council Chambers at the City Administration Building, 201 Spring Street, Springdale, Arkansas. If this amount is paid prior to the hearing, no lien will be pursued.

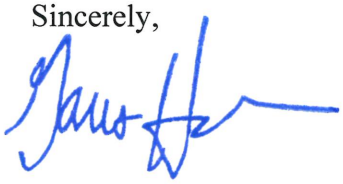

Please remit the total sum of $567.24, which includes $557.32 for cleaning up the property and $9.92 for certified mailing to the City of Springdale by the date listed above. Payment must be made payable to the City of Springdale and presented to the attention of Giselle Gonzalez, Springdale City Attorney's Office, 201 Spring Street, Springdale, AR 72764. If you fail to pay this amount before the hearing, then an additional $15.00 will be added for the costs of filing the ordinance with the Circuit Clerk's Office.

If you desire to contest the amount sought above, you will need to contact Neighborhood Services Division at 479-756-7712 for an appointment and you will be given a court date in Springdale District Court where you will have the opportunity to state your case before the District Court Judge.

This letter is also being mailed by regular mail to Tiffany Schmidt at the address above. Delivery of that letter by the U.S. Postal Service shall warrant service should the certified letter be returned.

If you should have any questions, please let me know.

Sincerely,

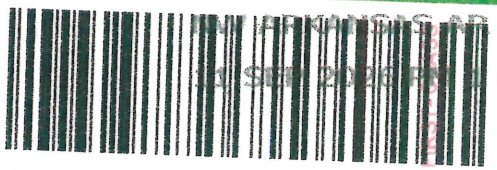

Garrett Harlan

On May 4th, 22nd, and August 12th, 2026, a notice was posted on property located at 836 Jay Ln, Springdale, Arkansas, that the property was in violation of Springdale City Ordinance 42-77 and 42-78, and needed to be remedied within seven (7) days. Notice was mailed to the owner of record on May 4th, 2026 that the City intended to seek a clean-up lien on this property pursuant to Ark. Code Ann. §14-54-903 if the violations were not remedied. The notice also applied to any violations that may be found on the property within the next 12 months.

Subsequent to the above-referenced violation notice being issued, a city code violation was found to have existed on the property. As a result, the City of Springdale took action to remedy the violations on the property, as is allowed by Ark. Code Ann. §14-54-903, on or about May 29th and August 13th, 2026. As of this date, the total costs incurred by the City of Springdale to clean this property are $496.64. I have enclosed an invoice evidencing the abatement costs incurred and paid by the City of Springdale to clean this property. Also, in accordance with Ark. Code Ann. §14-54-903(c)(4), administrative fees may be added to the total costs incurred by the City of Springdale, which will include certified mailing fee in the amount of $9.92 per letter and a filing fee in the amount of $15.00 to the Washington County Circuit Court.

This is to notify you that in the event this amount is not paid to the City of Springdale on or before October 21, 2026 a hearing confirming the amount of the lien will be held before the Springdale City Council pursuant to Ark. Code Ann. §14-54-903 to determine the amount of the clean-up lien

to which the City is entitled for cleaning up the property. The hearing confirming the amount of the lien will be held Tuesday, October 27, 2026, at 6:00 p.m. in the City Council Chambers at the City Administration Building, 201 Spring Street, Springdale, Arkansas. If this amount is paid prior to the hearing, no lien will be pursued.

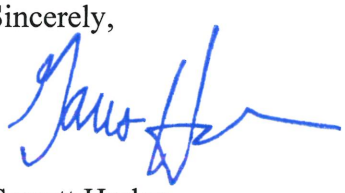

Please remit the total sum of $506.56, which includes $496.64 for cleaning up the property and $9.92 for certified mailing to the City of Springdale by the date listed above. Payment must be made payable to the City of Springdale and presented to the attention of Giselle Gonzalez, Springdale City Attorney's Office, 201 Spring Street, Springdale, AR 72764. If you fail to pay this amount before the hearing, then an additional $15.00 will be added for the costs of filing the ordinance with the Circuit Clerk's Office.

If you desire to contest the amount sought above, you will need to contact Neighborhood Services Division at 479-756-7712 for an appointment and you will be given a court date in Springdale District Court where you will have the opportunity to state your case before the District Court Judge.

This letter is also being mailed by regular mail to Barbara Sue Reddell at the address above. Delivery of that letter by the U.S. Postal Service shall warrant service should the certified letter be returned.

If you should have any questions, please let me know.

Sincerely,

Garrett Harlan
