1. All students will be assessed a \$10.00 fee for parking at the high school student parking lot during the school day.
2. Students must display an official Orion High School parking lot tag on the inside rear view mirror. This permit serves as a permission to park in the student (south) parking lot only and is not a guarantee of a parking space.
3. Students who do not have a parking tag displayed while their vehicle is parked in the student parking lot during the school day, will be assessed a \$5 fine and may be subject to disciplinary action, whether or not a parking tag has been previously purchased.
4. Every car that a student drives to school must be registered. Spaces for two vehicles are provided above. If more than two vehicles may be driven to school, you may place that information on a second form. The parking tag can be moved from one of the registered vehicles to another owned by the same student of his/her family.
5. If at any time during the school year a student purchases a new vehicle or begins driving a new vehicle to school, that student must notify the office of the change.
6. Students are to park in designated parking spaces only. Each individual driving a vehicle must comply with all parking rules and regulations. Failure to do so may result in disciplinary action.
7. Orion High School and Orion Community Unit School District #223 assumes no responsibility for any vehicle or its contents while it is operated or parked on school grounds.
