

ONLINE ACTIVITY REGISTRATION FOR THE 2026-2027 SCHOOL YEAR IS OPEN!

If your child is planning to participate in any middle or high school activity such as athletics, speech, drama, band, choir, etc. they must be registered through Varsity Bound.

CREATE FAMILY ACCOUNT

1. Create family account by filing out the form and checking the box at the bottom after certifying the information.
2. If you have used Varsity Bound in the past, your child's profile should appear on the next screen. If you have not used Varsity Bound, or your child's profile is not visible, please add your child.
3. Update or add guardian information as needed. **PLEASE NOTE: Varsity Bound is the primary form of communication used by coaches and sponsors for activities. It is important that parent/guardian information is available and current.**

REGISTER FOR ACTIVITIES

1. Next, on your child's profile click "Register for Activities."
2. A screen with all available activities will appear (if it is before August 1st, you will need to click on the upcoming year to see the list). Click on the registration button next to the activity for which you wish to register. Keep in mind this is registration for the entire 2026-2027 school year. If your child has any interest in possibly participating in an activity, please register. This does not mean they are committed to participate if they change their mind later.
3. When choosing an activity, please make sure you choose the appropriate level. For example, if an activity is only listed as "High School" it is not available at the middle school level.
4. There are 11 quick and easy steps to register for each activity. Most of the information will be automatically populated and just needs verification, unless you are new to Varsity Bound.

REQUIRED DOCUMENTS

1. On Step 9, you will need to upload your child's current Sport Physical. You can take a photo of the completed physical and upload it. Physicals that have not expired from last year have rolled over to this year. You will still need an updated physical when the current one has expired, there is a 30-day grace period after the expiration date, if you get beyond the 30-day grace period, your child will not be allowed to participate until an updated one is submitted. Click here to access the physical form:
https://files-backend.assets.thrillshare.com/documents/asset/uploaded_file/3562/Cdcsd/89fc1144-8599-4042-a960-0d4e8ae2d8db/Pre-Participation_Physical_Form.pdf?disposition=inline
2. Student and parent will need to read, sign and submit the "Heads Up Concussion," "Good Conduct Policy" and "Student-Parent Handbook."
3. Click "Complete Registration." You will receive an email confirmation for the activities you registered for.

At the top of the page, click on "Return to Family Dashboard" to register for the next activity or another child.

If you need to go back to upload a physical form at a later day, in the Family Dashboard there is a menu bar on the left side of the page. Underneath the Saber logo, click on your child's initials. Then click on "Documents."

Under "School Document" click the green button next to "Sports Physical." This will allow you to upload the new file. Again, you can take a photo of the form and upload it.

If your child will be riding to or from an event at any time with someone other than their parent or guardian (i.e., grandparent, family friend, teammate's parent), please fill out the "Transportation Permission & Release Form." Your child will not be allowed to ride with anyone who is not on this list.
