Union High School Activities

Parent to Coach Transportation Release Form

Students must ride the bus to school-sponsored games/activities. Students must ride the bus home from the game/activity unless the coach/advisor releases them to ride with their parents. Any other travel arrangements must have prior written approval (with signatures) by a parent/guardian and school administrator. (See Parent to Coach Transportation Release Form on Union High School webpage at www.dcsd.org under "Sports.") It is the responsibility of the student or parent/guardian to deliver the written approval to the coach/advisor before the coach/advisor releases the student.
