BETTENDORF COMMUNITY SCHOOL DISTRICT 2025

ANNUAL REPORT

Bett®

EDUCATIONAL EXCELLENCE

Michelle Morse, Ed.D.
Superintendent

We are proud to share our 2024–25 Annual Report, highlighting the achievements, challenges, and growth of the past school year.

From preschool through high school, our staff works alongside students and families to build the skills and confidence needed for future success. This year, we continued to create safe, engaging learning environments where every student can thrive.

Inside this report, you'll find key initiatives, academic progress, extracurricular successes, and examples of the innovative programs that enrich our students' experiences.

As we look ahead, we remain committed to excellence and to supporting every student on their educational journey.

Thank you for being an essential part of our school community.

Sincerely,

Dr. Michelle Morse
Superintendent

STRATEGIC PRIORITIES

The BCSD strategic plan focuses on five priorities to advance its mission, realize its vision and express its core values.

1. Organizational Coherence
2. Learning & Achievement for All
3. Student Accessibility & Support
4. Strategic Resource Allocation
5. Family & Community Engagement

VISION

Educating & Empowering Every Student Every Day in Pursuit of Educational Excellence.

MISSION

The mission of the Bettendorf Community School District is to inspire, empower, and unite our students as a community of learners in (their) pursuit of excellence.

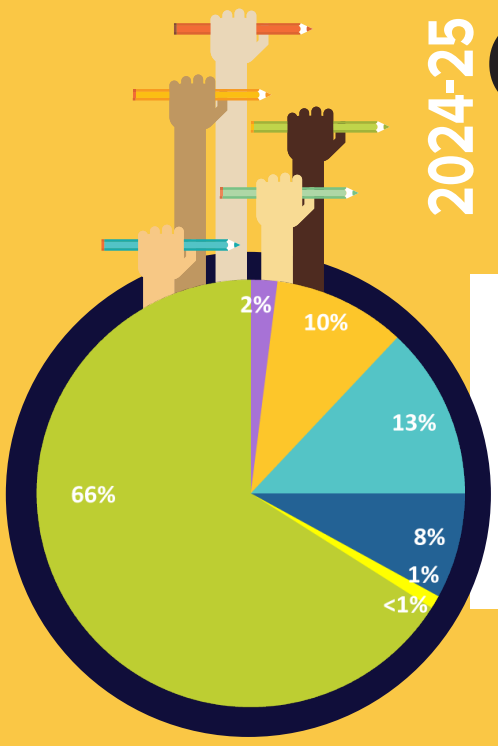

ABOUT US

Founded in 1907, the Bettendorf Community School District serves students from preschool through 12th grade, encompassing about nine square miles of Bettendorf, Iowa, along with a small section of Davenport. The district includes seven schools: five elementary schools, one middle school, one high school, and an alternative high school program shared with Pleasant Valley and North Scott high schools.

The Bettendorf Community School District has a strong tradition of excellence, dedicated to providing high-quality education for all students. Known for its academic success, the district offers a wide range of programs to support its diverse student body. From early childhood education to high school, Bettendorf prepares students with the skills and knowledge they need to succeed in college and for success in their futures. With the support of dedicated teachers, staff, and community members, the Bettendorf Community School District is a place where students thrive, grow, and achieve their full potential.

Community

We are welcoming to all, and seek to accomplish our goals through collaboration; ensuring the work honors and reflects our diverse voices and values.

Integrity

We are respectful and purposeful in our words and actions, so as to honor our responsibility as stewards of education and representatives of our district.

Empowerment

We seek to instill the confidence needed for our students and staff to take initiative, seek understanding, and capitalize on their full potential in pursuit of innovative solutions to the challenges of today and tomorrow.

Lifelong Learning

We are committed to fostering a culture that sparks curiosity, builds resilience, and develops skills in a manner that cultivates a genuine love of learning.

LEARNING & ACHIEVEMENT FOR ALL

Jayme Olson
Executive Director of Curriculum, Instruction & Assessment

Learning and Achievement for All is our most critical commitment - it represents our promise to provide academic excellence for all. BCSD will ensure all students have equitable access to and engagement with programs and supports that reduce barriers to learning.

"Our teachers and administrators inspire and empower every student to succeed. Guided by our Mission and Vision, they ensure all students have the support and opportunities needed to grow and thrive. Through teamwork, data-informed decisions, and strong partnerships with families, they help every learner achieve their fullest potential."

Jayme Olson
Executive Director of Curriculum, Instruction & Assessment

AP Biology	10	9	90%
AP 2D Art & Design	1	1	100%

* indicates a course with a dual-credit option so students may have opted for the college credit rather than taking the AP exam.

Positive Behavioral Interventions and Supports (PBIS)

In 2024–25, our district continued to strengthen its focus on PBIS—a schoolwide system that helps students learn and practice positive behavior alongside academic skills.

PBIS ensures that our schools and staff:

- Teach clear expectations (such as being respectful, responsible, and safe)
- Model and practice these expectations in all areas of the school
- Recognize and celebrate positive behavior
- Provide support when students need help meeting expectations

The goal of PBIS is to create a safe, predictable, and positive environment where all students can learn, feel supported, and succeed.

Aligned with BCSD's mission to inspire, empower, and unite students, Career Readiness equips students with the knowledge, skills, and experiences they need to thrive in future careers.

CAREER READINESS

Career Center

Each week, Bettendorf High School's Career Center hosts professionals from diverse fields to share their career paths, required education, strengths, challenges, and lead hands-on activities. Recent guests include the DNR, Rouse Consulting cybersecurity staff, Davenport Country Club's Caddy Program, and dental assisting demonstrations—along with many other opportunities for students.

Partnerships with Local Businesses

Work-Based Learning

Bett	Iowa
77%	45%

College Credit

Bett	Iowa
69%	70%

Career Readiness at Bettendorf Schools is powered by strong community partnerships. In 2024–2025, every K–12 student participated in a career experience supported by local partners, from Career Ready Reading visitors to guest speakers and field trips.

Iowa School Performance Profile

BCSD earned the highest postsecondary readiness score among similarly sized districts, supported by the Class of 2025's participation in:

- Industry partnership projects
- Simulated work experiences tied to Industry-Recognized Credentials
- Internships
- Apprenticeships

Career & Technical Education (CTE)

Bettendorf's CTE programs build essential skills for future pathways through advanced coursework, dual enrollment, work-based learning, and exploration.

High School Programs: Business, Computer Science, Construction, Culinary Arts, Early Childhood Education, Engineering, Health Science, Robotics, Welding

Middle School Programs: Business, Computer Science, Culinary Arts, Early Childhood Education, Health Science, Robotics

Student Voices

Nathan Winger: "I've taken every Industrial Tech class I can. I've learned how to fix or repair anything so I don't have to pay someone else."

Cooper Krager: "Student Built Homes gets me outside the classroom and working as part of a crew. I'm building a house before I graduate—who else can say that?"

Brody Kennis: "CTE gave me the chance to join Student Built Homes. I love learning things you can't get from a textbook."

FAFSA School of Achievement Award

Bettendorf High School earned the Iowa Department of Education's FAFSA School of Achievement Honor after 60% of the Class of 2025 completed FAFSA before August 2025.

Seeking Career Partnerships

ORGANIZATIONAL COHERENCE

EQUITABLE SYSTEMS

Organizational Coherence represents our conscious commitment to align the District as one team. Unified in a singular commitment to support all schools, students, and families by building a culture of continuous development, our coherence is centered on designing equitable systems for school and instructional improvement.

DISTRICT STAFF & TEACHERS

The Bettendorf Community School District employed 647 people in full- or part-time positions for the 2024-2025 school year.

TEACHER PROFILE

All BCSD classes are taught by highly qualified teachers with seven National Board Certified Teachers on staff.

11.5 Years - Average years with BCSD (State average - 10)

14.2 Years - Average years in education (State average - 13.5)

36% Percentage of teachers with advanced degrees (State average - 38.6%)

39.6 Years - Average age of teachers (State average - 40.9)

$68.786 Average total teacher salary (State average - $64,279)

309 Full-time Teachers

Staff Retention 87.5% (State average 84.6%)

This metric reports the percentage of teachers, administrators, and other licensed professionals who remain employed in the same school.

PARENT EXECUTIVE COUNCIL

The Parent Executive Council strengthens the partnership between parents, schools, and administration. It is made up of parents who belong to parent organizations. Members provide feedback, collaborate on school initiatives, and support programs that enhance student success. They also work directly with the superintendent and other administrators to share innovative ideas and learn about the district's plans.

SCHOOL IMPROVEMENT

School Improvement Advisory Committee (SIAC) is a group of students, parents, teachers, administrators, and representatives from the community. Its purpose is to enhance the school-community relationship, provide an avenue for information, and identify educational concerns from a different perspective. The committee helps assess district needs and makes recommendations to the school board on major educational needs and district initiatives.

Therapeutic Learning Initiatives Update

DISTRICT COLLABORATION

The work of the Interest-Based Problem Solving Team for BCSD has enabled our three local unions—BEA, BESA, and BSSA—alongside district administration to collaborate and help move the district forward in a positive, meaningful way. Through the IBPS process, stakeholders who may have previously approached issues from different perspectives came together with a shared focus on problem-solving and mutual respect.

This process has helped bridge divides between the district and the unions by creating space for open dialogue, transparency, and a genuine understanding of one another's interests. Overall, the team has collaborated effectively to make thoughtful, balanced decisions that support students, staff, and the district's long-term success. The progress made through this work demonstrates the value of continued partnership and a commitment to working together for the benefit of all parties involved.

Student accessibility and supports will ensure students have equitable access to and engagement with programs and supports that reduce barriers to learning.

"We are dedicated to supporting all students and their families by providing the resources and opportunities they need to succeed, while also addressing their social and emotional well-being, ensuring equal access to programs, and reducing challenges to learning."

Karen Allison
Executive Director of Student Services

STUDENT ACCESSIBILITY & SUPPORTS

Karen Allison
Executive Director
of Student Services

AAC: It's a Family Affair – Building Communication Together

AAC (Augmentative and Alternative Communication): It's a Family Affair! brought preschool–5th grade students who use AAC devices together with their families for an evening of connection, learning, and play. Families shared a meal, participated in interactive activities with their children, and learned practical strategies for using AAC at home to support everyday communication. The event strengthened our Family & Community Engagement and Student Accessibility & Support efforts by helping families build confidence with their child's device and connect with a broader AAC support network.

Additional 2024-25 Highlights

- Expanded special education programming to Paul Norton, which focused on students with autism
- Paraeducator professional development for autistic students and communication devices
- Bus driver and nurse training using Crisis Prevention Institute (CPI) de-escalation
- CPR training for bus drivers and aides
- Therapeutic Learning Classroom presentation at the School Administrators of Iowa Conference

District Expansion of Therapeutic Learning Supports

District Expands Therapeutic Learning Supports

In 2024–25, the District expanded the Therapeutic Learning Classroom (TLC) program by adding dedicated regulation spaces in every elementary school. TLC supports students' social, emotional, and behavioral needs, providing safe spaces where trained staff help students regulate, build skills, and return to class ready to learn.

Not a Separate Classroom - A Support System

TLC is not a standalone classroom. Students remain with their peers while receiving evidence-based supports that help reduce barriers related to mental health.

Family Brain Health Nights

The district hosted Family Brain Health Nights to bring students, parents, and school staff together to strengthen connections and promote mental well-being. Each elementary school held engaging events featuring hands-on activities for kids and expert-led sessions for parents. Families learned practical strategies for managing stress, anxiety, and emotional wellness—all in a supportive, positive environment focused on building healthy minds and strong relationships.

FAMILY & COMMUNITY
Engagement

Family & Community Engagement is our promise that all staff, students, families, and the community feel welcomed, valued and respected.

Bring a Grown-Up to School Night

Elementary students across the Bettendorf Community School District hosted Bring a Grown-Up to School Night — inviting parents, guardians, and special adult guests to experience a glimpse of their school day.

Students guided their guests through classrooms, introduced them to teachers and staff, and shared the exciting activities they enjoy each day.

Bett Community Expo

The district kicked off the school year with the Bett Community Expo, connecting local organizations with our families and showcasing our Bett spirit. The event also featured the BHS Student Council Makers Market and Food Truck Fest, making it a fun and vibrant celebration!

School Safety in Collaboration with Community Partners

District staff work closely with the Bettendorf Police and Fire Departments to enhance overall school safety. In the summer of 2025, the district and local emergency services collaborated on an active intruder drill at Bettendorf High School. This joint training provided both first responders and district staff with an opportunity to practice and refine their response protocols in a realistic setting.

BettConnect Community

The Bettendorf Community School District & the Bettendorf Community Schools Foundation launched BettConnect, an alumni and Bett community platform. Join at BettConnect.com.

- CONNECT - Stay in touch with other Bettendorf graduates. Share job information and opportunities with current students and recent graduates.
- GIVE BACK - We are looking for local mentors for current students and recent graduates.
- KEEP IN TOUCH - Stay updated about what's going on at Bettendorf High School and the Bettendorf Community School District.
- BUSINESS DIRECTORY - Alumni and community members can add their businesses and offers to the BettConnect Business Directory.
- SUPPORT - Stay informed about the Bettendorf Community Schools Foundation and learn how to support current students and teachers.

Bett STEAM Expo

In March, we hosted our annual STEAM Expo, featuring more than 30 hands-on community displays in science, technology, engineering, art, and math. It was a fun and educational event for the whole family!

COMMUNITY GRANTS

Thank you to our wonderful community partners for supporting the education of our area youth and helping expand their opportunities!

We Are BETTerTogether

The Scott County Regional Authority provides grants to non-profit organizations, educational institutions, and government entities that benefit the residents of Scott County, Iowa. Over the years, we have been fortunate to have their partnership on many district initiatives.

Story Champs: Multisensory Language & Literacy Support – $987

This grant brings Story Champs 2.0 English to Mark Twain Elementary, enhancing support for special education students through a multi-sensory approach to language and literacy. With visual, verbal, and tactile tools, the program helps learners at all grade levels develop critical communication and literacy skills in an engaging, accessible way.

Replacement Instruments & Equipment for Band and Orchestra – $90,000

Our Bettendorf High School Band and Orchestra Department is receiving a major boost with the replacement and expansion of its instrument inventory. This funding will add new "color" instruments that allow students to explore a broader range of musical styles—including jazz, opera, and Broadway genres. It will also replace aging marching instruments and gear that see heavy use in outdoor and travel settings.

BHS Flex Farm - $6,225

The BHS Flex Farm creates a positive & greener environment that can incentivize educational, social, & mental prosperity in a constantly changing world. The benefits of Flex Farms in school settings support the Iowa 21st Century Core and provide students with the opportunity to explore careers in horticulture, food, and agriculture, as well as STEM education exploration and also teaching students important life skills like critical thinking and problem skills through hands-on experience.

PN Elem Outdoor Classroom & Multi Use Space - $32K

The Paul Norton Elementary School outdoor learning space creates an area designed to provide students with an environment to explore, learn, and grow through direct engagement with nature. The multi-use space serves both educational and communal purposes offering a unique setting for lessons, creativity, and reflection.

The space also includes a memorial in honor of the late Jennifer Colarusso, who was a cherished member of the school's staff.

Arconics Foundation - Machining Safety & Innovation – $50,000

Thanks to support from the Arconic Foundation, students interested in technical education will benefit from upgraded machining equipment and improved safety features. This investment will help ensure that hands-on learning in machining remains cutting-edge, safe, and aligned with industry standards—offering students real-world readiness for careers in skilled trades and manufacturing.

Quail Donation to BHS Athletics - $935,000

We received a significant donation from the Quail family in memory of Parker D. Quail (Class of 2004) and his best friend, Steven M. Lampe (Class of 1982). The funds allowed Bettendorf High School to complete long-needed upgrades to the weight room, and TouVelle Stadium including replacement of the score board and renovation of the press box.

Paul Norton Elementary Therapeutic Classroom

Paul Norton Elementary Therapeutic Classroom, where students learn in a structured environment focused on building emotional regulation, social skills, and academic growth through individualized instruction and therapeutic supports.

1:1 Technology Advantage

To prepare our students for a technology-driven future, every student is provided with a personal device: iPads for Kindergarten and 1st grade, and Chromebooks for grades 2 through 12. Coupled with interactive displays in every elementary classroom and many secondary classrooms, this investment (funded through PPEL & SAVE funds and SCRA grants) empowers learners to access high-quality educational resources, collaborate with peers and teachers, develop essential digital citizenship skills, pursue personalized learning paths, and foster critical thinking, problem-solving, and creativity.

By providing equal access to technology, we level the playing field, ensuring that all students have the tools they need to succeed in school and beyond.

Strategic Resource Allocation is our commitment to being good stewards of the district's resources by strategically providing differentiated resources and support to schools and departments in order to eliminate opportunity and achievement gaps for all student groups.

"The finance team is committed to using taxpayer funds appropriately as this is essential to maintaining public trust and ensuring that resources directly support student learning. Every dollar spent is guided by transparency, accountability, and alignment with educational priorities. Responsible financial management allows us to maximize the impact of limited funds, provide equitable opportunities for all students, and demonstrate stewardship of the community's investment in education."

Tyler Reedy
Executive Director of Finance & Business

2024-2025 PPEL/SAVE Projects

Thank you to our community for their continued support of the District through the Physical Plant and Equipment Levy (PPEL) and the One Cent Sales Tax initiatives. These contributions play a vital role in funding essential school projects that enhance the learning environment for our students. Community tax dollars make a lasting impact on our schools and student achievement.

CELEBRATING **EXCELLENCE**

During the 2024-2025 school year, Bettendorf Community School District students and staff achieved exceptional honors and recognition across academics, arts, athletics, and community service.

STUDENTS

BMS NHD Students — Earned top awards at State and US National History Day competitions.

BHS Engineering Problems Team — Top School by the Quad City Engineering and Science Council

BHS Student Council — IASC State Honor Council Award with Meritorious Distinction and the National Gold Council of Excellence

BHS Yearbook Staff — Iowa High School Press Association "Yearbook of the Year" and one of the Top 10 Yearbooks in the Nation by Pictavo

BMS Battle of the Books Team - Eastern Iowa Teen Award

Bettendorf Robotics — 1st Place Think Award at the State Championship

Battle of the Bridges — BHS teams took the top four spots.

Herbert Hoover Fifth-Graders — Won the Elementary-Level Regional Battle of the Books

Boys Wrestling Team — Finished 2nd at State

Boys Swim Team — Top MAC Team at State

Sam Beecher — Selected for 2025 Iowa Shrine Bowl

Bettendorf Football Team — George J. McCabe Sr. Memorial Trophy

Bettendorf Wrestling Team — 1st Place at the Dan Gable Donnybrook Tournament and placed at State

STAFF

Jordan Drane — Iowa School Nurse of the Year

Deb Temperly — Iowa Junior Division National History Teacher of the Year

Katy Mahoney — Iowa Regional Teacher of the Year

Anna Fank — Iowa Wildlife League Educator of the Year

Meghan Purcell — Elementary Art Educator of the Year

Robbie Furne — MAC Coach of the Year for Girls Golf

Mike Kelly — MAC Boys Bowling Coach of the Year

Joe Girsch — Boys Track Assistant Coach of the Year (Class 5A)

Nutrition Services - USDA Healthy Meals Incentives Award
