Commerce City Schools' Elementary and Middle Schools Ranked Among Georgia's Top 10%

Commerce, GA – Commerce City Schools is proud to announce that both Commerce Elementary School (CES) and Commerce Middle School (CMS) have been recognized among the top 10% of schools in Georgia by U.S. News & World Report.

Commerce Elementary School is ranked #176 out of 1,956 elementary schools in Georgia, placing it in the top 10% statewide. Commerce Middle School is ranked #96 out of 1,122 middle schools, also earning a spot in the top 10% of Georgia middle schools. Previously, Commerce High School was recognized on U.S. News & World Report's 2025 List of Best High Schools in August, ranking among the top 25% of high schools in Georgia.

This recognition comes shortly after Commerce Elementary and Commerce Primary Schools were named Title I Distinguished Schools, an honor awarded to the top-performing Title I schools in the state. Together, these achievements highlight the district's ongoing commitment to academic excellence at every level.

These rankings reflect schools' performance on state-required tests, graduation rates, and how well they prepare students for the next level of education. Commerce City Schools has consistently earned this recognition, highlighting the ongoing dedication of teachers, staff, students, and families in creating a high-quality learning environment.

"We are incredibly proud of our students and staff for achieving top rankings in the state year after year," said Billy Kirk, Superintendent of Commerce City Schools. "These honors recognize the hard work, commitment, and excellence that define our schools. Our community continues to show that student achievement and preparation for future success are at the heart of everything we do."
