ALL ABOUT MRS. MAXWELL

I am excited to begin my 22nd year in education and look forward to another rewarding year of learning and growth.

I have been happily married for 27 years, and my husband and I are proud parents of three wonderful children—two daughters and one son—who have all been educated in the Humble Independent School District.

Our two daughters graduated from Humble High School, earned their college degrees, and have chosen to follow in my footsteps by becoming educators themselves. Our youngest son is beginning his senior year at Quest Early College High School, and we are excited to see all that this year holds for him.

Outside of the classroom, I enjoy spending time with my family and our tuxedo cat, Magic, whom we adopted this year. In my free time, I enjoy reading, creating diamond art, and visiting favorite places such as Starbucks, Chick-fil-A, and Bath & Body Works.
