YOUR SCHOOLS

Humble ISD – Where learning ignites, educators inspire, and students grow their abilities every day.

Igniting the FUTURE

Superintendent's View

By Dr. Roger Brown

Every student who walks across the stage at graduation has a different story. One is headed to college. Another is beginning military service. One has already earned an industry-based certification and is starting a career. Another discovered a passion for music, athletics, engineering, healthcare, or the arts. Every story is different. Every story matters. And every story begins with opportunity. In Humble ISD, we call that **The Humble ISD Experience**.

Dear Humble ISD Community,

The Humble ISD Experience is built on a simple belief: every student deserves the opportunity to succeed and pursue their dreams. There is no single definition of success, and there shouldn't be. Some students will continue their education. Others will enter the workforce or serve our country. Whatever path they choose, our responsibility is to provide the knowledge, experiences, and opportunities that prepare them for life after graduation.

That doesn't happen by accident. It happens because of dedicated teachers and staff, supportive families, community partners, and a school district committed to opening doors for students every day. Whether those opportunities are found in the classroom, on the stage, in a career and technical education program, on the athletic field, or through service to others, they help shape the next generation of leaders, skilled professionals, and engaged citizens who will strengthen our community for years to come.

> ***The Humble ISD Experience*** *is built on a simple belief: every student deserves the opportunity to succeed and pursue their dreams.*

A groundbreaking ceremony was held on May 11, 2026, for the new Ross Sterling Middle School.

As we begin another school year, we remain committed to building on that tradition. We are encouraged by the academic progress our students continue to make, and we will continue investing in strong instruction, safe schools, and opportunities that prepare students for an ever-changing world. Every decision we make is guided by one purpose: creating The Humble ISD Experience for every student.

Thank you for supporting Humble ISD and believing in the value of public education. Together, we are helping write the next chapter for thousands of students, and in doing so, shaping the future of our entire community.

I look forward to another outstanding school year.

HUMBLE ISD **2025-26 STATS**

Class of 2026 Grads:
3,685

Scholarship Money Awarded to Class of 2026:
$38 Million+

College Credits Earned by Students:
43,172

3,236
Industry-Based Certifications

Dr. Roger Brown has more than 40 years of experience in public education and was named Humble ISD's Superintendent in 2025. He is a proud University of Oklahoma graduate. He and his wife Lonia have been married for more than 40 years and have three adult children and seven grandchildren. Four of their grandchildren are Humble ISD students. Dr. Brown enjoys running. He has completed more than 100 marathons!

In this issue: Stay informed with helpful resources, district updates, and stories that celebrate our Humble ISD community.

Welcome from Our School Board President

By Michael Grabowski

Teachers, students, parents, and staff are all getting ready for the 2026-2027 school year.

Being married to a teacher and having a daughter entering her senior year makes me acutely aware of everything involved in transitioning out of summer vacation. As we prepare for another school year, it's worth taking stock of where Humble ISD has been and where we're headed. I'd like to highlight three important areas where we're continuing to move forward.

School Board President Michael Grabowski helped arrange for a Black Hawk helicopter at Atascocita High School for Workout With a Vet 2024.

Providing a safe environment is the foundation for everything.

School Safety

Since the tragic events in Uvalde in 2022, improving campus security has been a statewide concern. Humble ISD is no exception. For me, that commitment is also deeply personal.

After my service in the U.S. Air Force, I began a second career as a commercial airline pilot with United Airlines. On one of my first flights, I remember sitting in the cockpit before departure. A veteran pilot with decades of experience looked over at me, made eye contact, and asked, "You doing okay?" I told him I was. He nodded and said something I've never forgotten: "Remember, if we're not safe, we're nothing."

Those words continue to guide my approach to leadership and service. They are also a reminder that providing a safe environment is the foundation for everything we hope to accomplish in our schools.

With that philosophy in mind, we've implemented several recent initiatives to further strengthen school safety:

Evolv Security System: We have installed the Evolve security system in our high schools and are installing them in our middle schools. This system helps prevent unauthorized weapons from entering our campuses.

Enhanced Campus Signage: To deter active shooters, we added signs declaring our determination to defend our students.

Marshal Program: To provide an additional layer of campus security, we have initiated a pilot Marshal program. This program utilizes volunteer staff members and teachers who are trained to respond to an active shooter.

Judging by the number of employees attending orientation sessions, there is strong interest in the program.

Strong school safety is built through multiple layers of preparation and protection. These recent initiatives reflect our continued commitment to providing students and staff with the safest learning environment possible.

Academic Achievement

Beginning in 2017, Humble ISD experienced a decline in academic performance that affected students across every demographic group. The academic decline was driven by two factors: insufficient attention to declining STAAR performance and a reduced emphasis on teaching fundamental skills.

We are turning that trend around.

Under Superintendent Dr. Roger Brown's leadership, efforts have intensified to ensure teachers focus on the fundamental skills outlined in the Texas Essential Knowledge and Skills (TEKS). A key part of this effort has been giving our teachers the time and resources they need to focus on instruction by reducing distractions and strengthening classroom support. An important part of this effort has been adopting the teacher-endorsed, TEA-approved Bluebonnet Math and Houghton Mifflin Harcourt (HMH) Reading and Language Arts curricula. Both are fully aligned with TEKS.

Simply put, we're getting back to basics.

Early indications suggest these changes are already having a positive impact on student academic proficiency

Junior ROTC

Many of you know that I have a military background. I graduated from the U.S. Air Force Academy and subsequently served as an F-15 pilot and T-38 instructor in the U.S. Air Force. For that reason, upon being elected to the School Board in 2023, I took a strong interest in highlighting the Junior ROTC program led by its leadership team of veterans, known as the Cadre.

I am particularly proud of the Veterans Day Workout With a Vet event, which began in 2024. It gives students, parents, and staff the opportunity to interact with our cadets as well as local military personnel.

Also, the JROTCs have recently created the Commander's Cup event where our five high schools compete against one another in different training skill events.

I encourage all students to consider joining this community. It develops teamwork, goal setting, problem-solving, character, and leadership while fostering lasting friendships and a strong sense of belonging.

Our eager group of amazingly talented Cadre love working with our students.

I would also note that joining Junior ROTC does not imply or require any military commitment after high school.

Looking Ahead

As we begin another school year, we can all look forward to safer campuses, stronger classrooms, and a Junior ROTC program that continues to grow in visibility and appreciation.

As a longtime airline pilot, I can confidently say all systems are go, our navigation is set, and we're clearly headed in the right direction.

Workout With a Vet is scheduled to be held at Turner Stadium on October 24, 2026.

Board of Trustees

Michael Grabowski, President
Served as F-15 pilot and T-38 instructor in the U.S. Air Force. Retired United Airlines pilot. Former UNLV Adjunct Instructor teaching Business and Casino Management. Married to Humble ISD elementary school teacher. Daughter attends Kingwood High School. Two adult children; grandparent to six.

Robert Scarfo, Vice President
Retired as Managing Director of Credit Services for Insperity. Board Member of The Village Centers. Fourteen years of experience serving on the Humble ISD School Board. Served in leadership roles on 2018, 2008 and 2005 Bond Study Committees.

Oscar Silva, Secretary
Corporate trainer in the financial industry. Parent to five children: three Humble ISD graduates, a son enrolled in an Humble ISD middle school, and a son who will be entering kindergarten in a few years. Serves on the Dream Team Scholarship Board, which awards scholarships to Humble ISD graduates.

Elizabeth Shaw, Parliamentarian
Business strategy consultant. Two daughters and a son graduated from Kingwood High School. Board member for National Christian Foundation-Houston, Lifesong for Orphans, and myLIFESpeaks.

Chris Parker, Member
Licensed insurance agent and small business owner. First Kingwood High School graduate to serve on the School Board. Received 2026 Distinguished Alumni Award from the Humble ISD Education Foundation. Married to Humble High School graduate. Longtime community volunteer and mother to two daughters, one who graduated from Kingwood High School in 2026 and one who is a current student.

Ken Kirchhofer, Member
Director of Operations for Atascocita Golf Club, PGA Member, and employer of Humble ISD students. Son, daughter-in-law, and daughter all graduated from Atascocita High School. Two grandsons.

Marques Holmes, Member
National Director for a technology company. Son is attending Kingwood Park High School. Daughter graduated from Atascocita High School. Serves on the Trustee Board of the Texas Association of School Boards.

To learn more about each of the Humble ISD Board of Trustees visit **humbleisd.net/board** or scan the QR code.

EXCELLENCE IN *Education*
STRENGTH IN *Community*
Humble ISD

MISSION

Humble ISD's mission is to provide an excellent education in safe schools where students and educators thrive, individual talents are developed, and students gain the knowledge, critical thinking skills, and determination to succeed in an ever-changing world.

VISION

Humble ISD - Where learning ignites, educators inspire, and students grow their abilities every day.

5 THINGS TO KNOW FOR THE FIRST WEEK OF SCHOOL

1 Personal Devices Stay Put Away
Students cannot use personal devices during the school day under state law. Parents contact the front office for urgent messages.

2 Bus Routes Are Still Adjusting
Bus schedules may run a little early or late as routes settle into routine. We recommend checking your route information daily during the first couple of weeks.

3 Help Keep Everyone Safe
School zones will be busy. Please follow staff directions, drive cautiously, and use designated crosswalks to keep all students safe.

4 Plan for Extra Traffic
The first week always brings heavier traffic. Drop-off and pick-up lines will take longer than usual, especially on day one—please allow extra time and be patient.

5 Attendance Matters
When students stay in school until 10 a.m. (Elementary) and 10:40 a.m. (Middle and High School), it ensures the school receives FULL FUNDING for the day!

CELEBRATING **KITCHEN HEROES**

We proudly recognize our Child Nutrition teams for their dedication and impact across the district. In the 2025-26 school year, they served more than 2.4 million breakfasts and 4.3 million lunches. Their commitment goes beyond meals, creating welcoming environments where students feel supported and cared for every day.

Nancy Montalbo, Humble ISD
Director of Child Nutrition Services

SCHOOL MEAL PRICES FOR 2026-2027

Elementary School Student
Breakfast - **FREE** | Lunch - $2.50

Middle School Student
Breakfast - **FREE** | Lunch - $3.00

High School Student
Breakfast - **FREE** | Lunch - $3.25

Reduced-price meals for all eligible students:
Breakfast - **FREE** | Lunch - **FREE**

There are no increases in the cost of student meals for the 2026-2027 school year. In addition, breakfast will continue to be free for EVERY enrolled student at ALL campuses, as long as they take at least 3 items, including a fruit or a juice, with their meal.

REMINDER

Parents, please check your student's balance in their SchoolCafe account prior to the first day of school (Aug. 12, 2026) to make sure proper funds are available.

FOOD HIGHLIGHTS

FREE/REDUCED LUNCH **INFO**

The National School Lunch Program, administered by Humble ISD Child Nutrition Services, provides free and reduced-price meals to students who meet eligibility guidelines. Your children may qualify for free or reduced-price meals. For the 2026–2027 school year, families approved for reduced-price meals will not be required to pay the usual $0.40 per meal, as this cost will be covered by the state.

WAYS TO APPLY:

Apply Online:
Applications are available online at **schoolcafe.com/HUMBLEISD**

Already have a SchoolCafé account?
Sign in, then navigate to Eligibility Benefits (left-hand side menu), then click Apply. SchoolCafé will walk you through the steps.

No SchoolCafé account?

- Choose the Create an Account option at the bottom to sign up for a new parent account.
- Once you are registered, your initial screen will prompt you to add students to your SchoolCafé account. This process helps us identify those students within your household so that we can quickly and accurately identify them for applying.
- Once your children are added to your account, navigate to Eligibility Benefits and click Apply.

If you have children in more than one school, please complete and submit only ONE application.

- Get Free & Reduced Application instructions at **humbleisd.net/freereducedapplication**
- Instrucciones para agregar una cuenta y solicitar beneficios a **humbleisd.net/aplicaciongratuitayreducida**

FREE/REDUCED LUNCH **FACTS**

- Households must **reapply annually** after July 1st, in order to be eligible for free or reduced priced meals.
- Students who receive free/reduced price meals during the current school year qualify for those benefits the **First 30 School Days** of the following year in August.
- Any student who does not have a new application processed by **September 23** will automatically be changed to full pay starting on September 24.

APPLY ONLINE TODAY:
humbleisd.net/freeandreduced

Benefits of Submitting Free/Reduced Lunch Application

- Humble ISD receives increased funding to support student education.

Families Receive:

- Free or reduced meal prices for healthy, nutritious student meals
- Additional funding for technology and internet access
- Discounted fees for SAT, ACT and AP tests along with scholarship opportunities and college applications
- Free tuition, supplies and textbooks for dual credit classes for up to 15 credit hours per semester

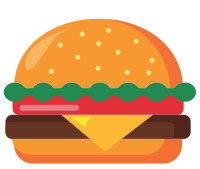

APPLICATION FORM:
Paper application forms are available at the Child Nutrition Office located at:
1705 Wilson Road, Building D, Humble, 77396.

MOBILE APP:
Download the mobile app for your phone or tablet.

WE'RE COMMITTED TO HEALTHIER, HIGHER QUALITY MEALS!
REDUCING PROCESSED FOODS. BRINGING IN MORE ORGANIC FOODS.

Featuring high-quality ingredients like:

USDA ANGUS BEEF
from local Texas farms

NO HORMONE CHICKENS
from local Texas farms

SUPPORTING LOCAL TEXAS FARMS. NOURISHING OUR STUDENTS.

SAFETY MATTERS

iHELP: A Safety Resource for Humble ISD

Students, staff, and parents in Humble ISD can use iHELP, a mobile app and web tool, to anonymously report safety, social, or emotional concerns and get help quickly.

Monitored 24/7, iHELP connects students to caring adults and provides emotional support, especially for those who may hesitate to ask for help in person. Users can attach photos, videos, or audio and engage in two-way conversations with a real person.

The ability to report anonymously often encourages students to share more than they would face-to-face, helping build trust and positive relationships on campus.

While face-to-face support is best in emergencies, iHELP offers an extra layer of protection and encourages students to open up. Visit humbleisd.net/ihelpinfo.

Evolv Detection Systems Humble ISD Enhances Safety

Humble ISD continues to enhance safety measures to support safe and secure environments for students, staff, and visitors.

In 2026-2027, all Humble ISD middle schools will be equipped with the Evolv Weapons Detection System. The system was first introduced at Turner Stadium in Oct. 2024, expanded to all high schools in Spring 2025, and installed at the Board, Business and Technology Center in Spring 2026.

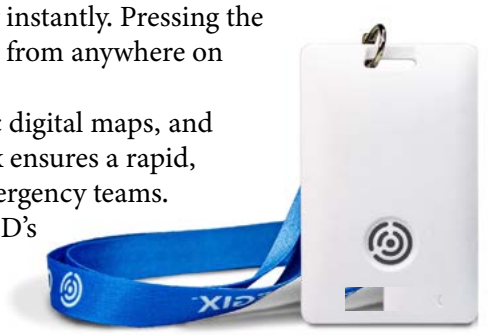

Unlike traditional metal detectors, Evolv screens for weapons with minimal disruption, helping daily routines continue smoothly. Evolv meets all government safety standards and uses low-frequency radio waves that are safe for everyone, including pregnant individuals and infants.

Centegix Safety Platform Enhances Emergency Response

In the 2025-2026 school year, every Humble ISD teacher and staff member received a Centegix badge. This was a part of Humble ISD's Department of Emergency Management and Safety's launch of the Centegix Safety Platform across all campuses and departments.

The system includes a simple, wearable panic button that lets any staff member report an emergency instantly. Pressing the button discreetly alerts responders from anywhere on campus or district property.

With real-time alerts, dynamic digital maps, and precise location tracking, Centegix ensures a rapid, targeted response from on-site emergency teams. This platform is part of Humble ISD's continued commitment to a safe, supportive environment for all students and staff.

Humble ISD **Police Department Spotlight**

The Humble ISD Police Department hosts an annual community event through the National Night Out initiative. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie.

The Humble ISD Police National Night Out event includes activities such as police department and vehicle tours, face painting, bingo, live music and more for the entire family.

This is an incredible opportunity for Humble ISD Police Officers to further connect with the community that they protect every single day.

Mark your calendars now for Tuesday, Oct. 6, 2026 for the next Humble ISD Police Department National Night Out!

Celebrating National Night Out, an Humble ISD police officer connects with a student, highlighting the strong partnership between law enforcement and the community. Events like these build trust, foster relationships, and create a safer, more supportive environment for everyone.

Technology Services works behind the scenes so students continue to have technology they need to learn, create and succeed

One year ago, Humble ISD faced a challenge. A new state law prohibited students from bringing personal communication devices to school - including devices that some students had been using in their classes.

To address this challenge, the Humble ISD School Board approved a significant investment in new devices. Specifically, $2 million was allocated to replace and update Career and Technical Education (CTE) devices in more than 50 classrooms. An additional $1 million was utilized to fund more than 2,000 new Chromebooks and more than 70 carts.

Every campus now maintains at least 85 devices per 100 students. Because students do not require devices in every class—such as PE or athletics—this investment ensured the district met student needs in a fiscally-responsible way. Twenty-seven campuses have already achieved a one-to-one ratio through additional campus or Title I funding.

Providing devices was only part of the challenge. Humble ISD also is making significant investments in the technology infrastructure that supports student learning. Recent improvements include:

- Upgraded wireless networks using next-generation Wi-Fi 7 technology.
- Improved internet reliability through diverse network pathways and enhanced failover capabilities.
- Fiber network upgrades at campuses across the district.
- Increased network security and monitoring.

Although students can no longer use personal communication devices during the school day, Humble ISD has taken proactive steps to ensure students still have access to the technology necessary for academic success.

Why were there no major network outages in 2025-2026?

Humble ISD added resilience to the network, allowing Technology Services to reroute traffic through alternative fiber lines if one is cut. Outages can be caused by falling tree branches, road construction, traffic accidents and more. The district does not have control over these factors. Utility and telecommunications providers can take from one hour to several days to restore service. However, having resilience meant there were no major network outages during the past school year. When computers were down, it was due to electricity outages and not a major network outage.

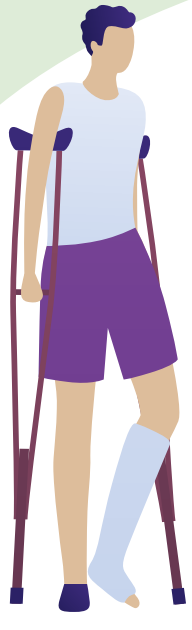

What's needed for the future?

Federal funding during COVID and Bond 2022 Proposition B infused the district with technology. Laptops for staff, Chromebooks for students, and interactive display screens for classrooms were purchased. However, as devices age, funding will be needed for replacements. Devices must be kept up to date for security software to be effective.

Protect Your Student with Optional Student Accident Insurance

Affordable Protection for Life's Unexpected Moments

What is Student Insurance?

Humble ISD offers optional student accident insurance to help families manage unexpected medical expenses resulting from covered injuries. It helps cover eligible out-of-pocket medical expenses when a student sustains a covered accidental bodily injury at school, during school activities, or under other covered circumstances. Benefits are paid regardless of any other valid insurance coverage.

Meet Our 2026-2027
TEACHERS OF THE YEAR

Anita McKeague of Elm Grove Elementary named District and Elementary Teacher of the Year.

Champale Thomas of SCHS named Secondary Teacher of the Year.

Anita McKeague, a fourth grade reading and language arts teacher at Elm Grove Elementary, is entering her 18th year of teaching and for the past 13 years has been at Elm Grove Elementary. McKeague won a $10,000 check sponsored by Robbins Auto and received a District Teacher of the Year Ring sponsored by Dilly Campus Supply.

2027 REGION 4 ELEMENTARY TEACHER of the YEAR FINALIST

** Winner announced August 6th*

"My favorite phrase that guides my philosophy is, 'Love what you teach, but love who you teach more'. It's important that our kids see that we are joyful in what we teach, that we are excited, that we bring that positive energy into the classroom. But deeper than that it's about them."

Champale Thomas, a ninth grade English teacher and coach at Summer Creek High School, is entering her 12th year of teaching and for the past five years has been at Summer Creek High School. Thomas won a $5,000 check sponsored by GTS Technology Solutions and received a District Teacher of the Year Runner-Up Ring sponsored by Dilly Campus Supply.

"My purpose is to serve. My purpose is to give back and then my passion is kids. The teaching profession allows me to do both. I genuinely enjoy being able to pour into young minds. What I receive is that these kids are being prepared for a future outside of my classroom."

2026-2027 Top 10 Finalists were honored at the Humble ISD Education Foundation's annual Boots & Bling Gala at Stampede Houston on stage and received rings sponsored by Dilly Campus Supply. They also received tickets to the event courtesy of Gulf Coast Educators Federal Credit Union.

HUMBLE ISD EDUCATION FOUNDATION
Where Inspiration Meets Innovation

More than **$21.9 million** invested in Humble ISD

FUELING BIG IDEAS. INNOVATING CLASSROOMS.

We have connected a generous community with innovative educators to create opportunities that extend beyond the classroom since 1999.

In the past year alone, we awarded **$1.1 million in grants** bringing bold ideas to life and expanding opportunities for students.

Because of our supporters:
- ★ Students experience learning in new and engaging ways
- ★ Teachers bring innovative ideas to life
- ★ Classrooms become spaces for exploration and growth

Our Schools. Our Community. Our Future.

LIFE OF A CADET

PURPOSE OF JROTC: To instill the values of citizenship, service to the United States, personal responsibility and a sense of accomplishment. JROTC was established by the National Defense Act of 1916. The curriculum covers topics such as leadership, ethics, civics, history, and health and wellness. There is no requirement to enlist in the military following high school to participate in a JROTC program.

JROTC IN HUMBLE ISD

Humble ISD offers
Junior Reserve Officer Training Corps (JROTC)
programs at all five traditional high schools:

AHS (Marine Corps JROTC)

HHS (Army JROTC)

KHS (Navy JROTC)

KPHS (Air Force JROTC)

SCHS (Army JROTC)

During the 2025–2026 school year, more than 550 HUMBLE ISD STUDENTS participated in JROTC.

More than 485,000 students nationally were enrolled in 3,475 JROTC units in 2025.

★

Students who successfully complete a JROTC course earn a physical education credit toward graduation requirements.

★

Those who participate in JROTC for three or more years and achieve a qualifying ASVAB score may also earn a College, Career, and Military Readiness (CCMR) indicator.

★

Contact your student's high school counselor to learn more information about JROTC opportunities in Humble ISD.

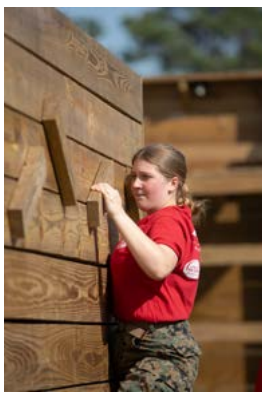

JROTC IN THE COMMUNITY

JROTC cadets are active leaders on their campuses and in the community. They participate in service projects, present the colors at school and community events and compete in local, state, and national competitions.

COMMANDERS CUP:

In spring 2026, Humble ISD hosted its inaugural Commander's Cup, bringing together all five JROTC programs to compete in leadership, teamwork, and physical fitness challenges. SCHS's Army JROTC earned the championship title.

WORK OUT WITH A VET: DATE: OCT. 24, 2026 AT TURNER STADIUM

This annual, free, family-friendly event celebrates service, fitness, and community. JROTC cadets from Humble ISD's five high schools lead participants through warm-ups and modified military-style fitness activities designed for a variety of ages and fitness levels.

CADETS IN THE SPOTLIGHT ★ A YEAR OF AWARDS AND ACHIEVEMENT

AHS Drill Team: A team of 16 AHS Marine Corps JROTC cadets placed ninth at the 2026 Marine Corps JROTC National Drill Championship in Georgia, competing against top units nationwide in inspection, color guard, regulation drill, and exhibition drill.

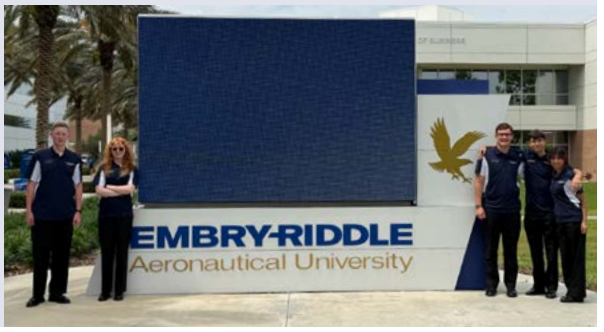

1 **"It was an honor to attend. We are now one of the top nine schools in the nation. JROTC gave me a purpose, and I really enjoyed representing my school."**

Cadet Sgt. **Romeo Aguilar**

KHS Brain Brawl: Modeled after Jeopardy!, the fast-paced Brain Brawl competition tests cadets' knowledge of NJROTC curriculum and current topics. KHS NJROTC cadets advanced to the national championship in Daytona Beach, Florida, after winning the Area 17 title and outperforming 16 teams. Cadet Lt. Noah Knepper also placed sixth in the Brawl Stars individual competition.

2 **"We are extremely proud of everything they accomplished, considering this is the first time we've ever participated in an event like this and made it to a national level."**

Alena Fuller
KHS - Senior Naval Science Instructor

SCHS Raider Team: A team of 14 SCHS JROTC cadets earned third place at the JROTC National Raider Challenge, competing against more than 100 teams. Held at Fort Knox, Kentucky, the competition tested cadets' physical endurance, teamwork and resilience through events such as team runs, obstacle courses, rope bridge challenges and casualty evacuation drills.

3 **"They competed against teams from all over the world. Watching how much hard work they put in throughout the school year and seeing it pay off was incredible. Watching them grow and achieve is why I'm here as a teacher."**

Major Sammy Woodburn
SCHS - Senior Army Instructor

SCHS Archery Team: With less than six months of archery experience, members of the SCHS JROTC Archery Team qualified for the JROTC Archery Nationals at Fort Leonard Wood, Missouri, through National Archery in the Schools Program competitions during the program's first season.

4 **"I never thought about being an archer, but I gave it a try and thought, 'Okay, this is groovy,'. Now, I think archery is something really special because this is our first year doing it, and we made it all the way to nationals."**

Cadet Corporal **Quinterra Davis**

SCHS JLAB Leadership Team: After advancing through a field of more than 5,000 teams worldwide, Summer Creek High School cadets Joaquin Crenshaw, Michael O'Gun-File, Kennedy Frenza and Jason Pham competed at the 2026 JROTC Leadership & Academic Bowl Championship in Washington, D.C., earning a 4th-place finish.

5 **"This is an extraordinary accomplishment for our JROTC program! I'm extremely proud of all their hard work, leadership, and academic excellence!"**

Major Sammy Woodburn Sr.
SCHS - Senior Army Instructor

HUMBLE ISD ATHLETICS ★★★ TICKET SAVINGS OPTIONS

TURNER STADIUM SEASON PASS

Varsity Football Only

$10 Per Ticket Chairback

$8 Per Ticket General Admission

- Tickets are for five home games of your selected school, excluding Kingwood Park -- which has four home games in 2026. Games must be for the same high school and cannot vary between teams.
- Tickets can be purchased on: humbleisd.net/athletictickets from Aug. 4 at 8 a.m. until Aug. 14 at 11:59 p.m
- There will be a one-time processing fee attached to each season ticket or flex pass purchase.

FLEX PASS

Non-Turner Stadium Middle School and High School Athletic Events

A 10-game or 20-game flex pass for Humble ISD middle or high school athletic events held on Humble ISD campuses in the 2026-2027 school year. Not eligible for varsity games at Turner Stadium.

MIDDLE SCHOOL FLEX PASSES

Adults & Students:
- $30 for 10-game pass
- $60 for 20-game pass

Beginning in the 2026-2027 school year, all Humble ISD High School Flex Passes will be the same price for Atascocita, Humble, Kingwood, Kingwood Park and Summer Creek High School fans.

HIGH SCHOOL FLEX PASSES

Adults & Students:
- $50 for 10-game pass
- $100 for 20-game pass

GOLD CARD

Senior Citizens Age 65 or Over

Humble ISD offers a **FREE** Gold Card to members of the community who are age 65 or over.

- Grants admission to any middle school or high school athletic event for FREE, barring a sell out.
- Are not valid for entry to playoff games, a ticket will need to be purchased.
- Can be acquired by showing your ID at ANY Humble ISD athletic event.
- You can keep the Gold Card and use it indefinitely. A new Gold Card is not required each year.

NEW FOR 2026-2027 FINE ARTS ACCESS!

Gold Cards will grant access to free tickets for Fine Arts ticketed events, such as theatre productions. Gold Card holders should reserve a ticket at no charge through that campus' fine arts website.

Reserve tickets are limited to **one per Gold Card** and community members can only attend **one show per show run**.

Gold Cards **DO NOT ALLOW** free access to UIL-sanctioned Fine Arts competitions or events.

Gold Cards are also available for pickup at the Humble ISD Administration Building (10203 Birchridge Drive Humble, Texas 77338) during normal business hours (8 a.m. - 4 p.m.)

SAVE THE DATE Gold Card Member Breakfast

October 20, 2026 - 8:00 a.m.
Humble Civic Center
Please RSVP for breakfast by emailing:
community.engagement@humbleisd.net
or calling 281-641-8140

Purchase Humble ISD 2026-2027 Athletics Tickets

All ticket purchases for Humble ISD middle school, sub-varsity and varsity athletic events will be cashless.

All major credit cards will be accepted along with Apple Pay and Google Pay at the gates of **Only Varsity Football Games** if tickets are still available.

A small processing fee (ranging from $1-$2) will be attached to each ticket purchase. The processing fee is subject to change as that rate is set by Hometown Ticketing.

All tickets can be purchased digitally through humbleisd.net/athletics or the Hometown Fan App for all varsity, sub-varsity and middle school games hosted on Humble ISD campuses. On-campus presale for tickets will not occur in 2026-2027.

Concession stand purchases at Turner Stadium will continue to accept cash and cashless payments. The concession stands are primarily operated by each high school's band booster club parents.

KEY TICKET INFORMATION

- When purchasing tickets for Turner Stadium, make sure the tickets purchased are for the correct team.
- Guests will not be permitted to use tickets at a gate not designated for the team listed on the ticket.
- Once inside Turner Stadium, fans are not allowed to walk from home to the visitor side and vice versa.
- To ensure entrance to a sporting event, employees, students, families and community members should consider purchasing a ticket in advance.

Humble ISD Employee and Student Ticket Options

Employees and students who hold passes/employee badges will be allowed to access games at Humble ISD athletic events.

Employees and students will not be able to enter tournaments and playoff games with passes/employee badges.

Employee and Student passes will not be permitted if the game is a sellout.

ONLINE TICKET CONTACT INFO

For questions or concerns regarding online ticketing, contact these Humble ISD offices:

Athletics Office 281-641-8130

Fine Arts Deptartment 281-641-8240

Ticket prices for high school athletic events are set by the District Executive Committee, which is made up of athletic participating districts' Superintendents, while middle school athletic event ticket prices are set by Humble ISD:

Turner Stadium Varsity Football ticket:
$10 (Adult and Student)

Pre-Sale Varsity Football Ticket (1 1/2 hours prior to Kickoff):
$8 Adult - **$5** Student

High School Campus Athletic Event:
$5 (Adult and Student)

Middle School Campus Athletic Event:
$3 Adult - **$2** Student

HISTORY MAKERS!

In the 2025-2026 school year, Humble ISD rose to the top in the State of Texas across numerous UIL Academic and Athletic Contests, TMEA Selections and State VASE Competitions, securing gold medals and State Titles.

Kingwood Girls Soccer

Kingwood High School girls soccer won the third State Championship in program history after defeating Forney 2-1 (4-2 in penalty kicks) in the Class 6A Division II State Championship match in April. This was the program's first title since 1999. The Lady Mustangs finished the season undefeated with a record of 27-0-2. Kingwood High School senior Tyler Weaver was named the State Championship Game MVP. Kingwood is coached by Adam Bell.

Summer Creek Girls Basketball

Summer Creek High School girls basketball won the program's second-straight Girls Basketball State Championship with a 55-45 victory over Flower Mound in the Class 6A Division I State Championship game in March. They became the first program since DeSoto in 2021 to win back-to-back titles in the UIL's largest classification. Junior Erin Newsom was named State Championship Game MVP. Summer Creek is coached by Kiara Marshall.

Humble Wrestling

Humble High School junior Sean Perez defeated Rockwall Heath's Cody Savage 12-5 to win the Class 6A 190-Pound State Championship during the 2026 UIL Wrestling State Tournament. Perez finished the season with a perfect record of 52-0 and is the first-ever boy to win a UIL Wrestling State Title in Humble ISD history. Humble is coached by Christopher Kimes.

VASE State Champ

Kingwood High School freshman Avery Fitzgerald received the High School State Visual Art Scholastic Event (State VASE) Gold Seal and State Championship honor with her fiber art piece, "Woody." Her teacher is Megan Tchokoev. At the state VASE competition, 165 student artworks are chosen as Gold Seal and State Champions. That is less than 1% of the 35,000+ VASE entries for the 2025-2026 academic year.

TMEA

Fourteen Humble ISD band, choir and orchestra students performed as members of the Texas Music Educators Association All-State Band, Choir and Orchestra, the highest individual honor a Texas high school musician can achieve. Being named to a TMEA All-State performing ensemble is a remarkable accomplishment. Students are selected through an extensive audition process that begins with more than 70,000 musicians statewide. After advancing through all-district, all-region and all-area auditions, only the top students earn the opportunity to perform as members of the TMEA All-State Band, Choir, or Orchestra.

Pictured [From Left to Right]: [Back Row] - Neil DiVall (AHS, Choir), Owen Salas (AHS, Band), Evan Salas (AHS, Band), Carter Laws (KHS, Band), Goy Fuller IV (SCHS, Choir), Ethan Abrahams-Nhliziyo (SCHS, Orchestra) and William Schaefer (SCHS, Orchestra). [Front Row] - 2025 Humble ISD Board President Marques Holmes, Grace Jones (AHS, Choir), Callie Everett (AHS, Choir), Jadriean Blouin (KHS, Choir), Gabrielle Sebello (KHS, Choir), Paloma Huertas (SCHS, Choir), Payton Parker (KHS, Band), Humble ISD Board Member Chris Parker and Humble ISD Superintendent Dr. Roger Brown. Not pictured: Amara Amadi (KPHS, Choir)

Academic State Journalism Champions

Summer Creek High School students Allison Wood and Stephanie Wong, pictured with advisor Melinda Wood, Humble ISD Superintendent Dr. Roger Brown and 2025 Board President Marques Holmes, claimed the 2026 UIL Class 6A Academic Journalism State Championship. Wong finished first overall in UIL Headline Writing and third overall in the UIL Copy Editing. Wood finished seventh overall in UIL News Writing. Combined they scored 25 points to win the title.

CELEBRATING THE ARTS

2025-2026 HUMBLE ISD
ACHIEVEMENTS IN FINE ARTS

Lake Houston Middle School's Joey Diaz Wins DownBeat Student Music Award

Lake Houston Middle School student Joseph "Joey" Diaz earned national recognition as a winner in the 49th Annual DownBeat Student Music Awards, one of the highest honors in jazz and contemporary music education.

Diaz received recognition in the Blues/Pop/Rock Soloist category for junior high and middle school students. Often referred to as the "Grammy Awards of Jazz Education," the DownBeat Student Music Awards recognize outstanding young musicians from around the world.

Humble ISD earns State and National recognition for excellence in Fine Arts

Humble ISD continues to be recognized as a leader in fine arts education, earning prestigious honors for both its music and visual arts programs.

For the seventh consecutive year, Humble ISD has been named one of the nation's Best Communities for Music Education by The NAMM Foundation. The award recognizes school districts that demonstrate outstanding achievement in providing access to high-quality music education for all students.

In addition, Humble ISD received the District of Distinction Award from the Texas Art Education Association (TAEA) for the eighth consecutive year. The award honors districts that demonstrate exceptional leadership and commitment to promoting visual arts education within their schools and communities.

Humble ISD students selected for Carnegie Hall's Weill Music Institute National Youth Orchestra

Atascocita High School's Evan Salas and Summer Creek High School's Ethan Abrahams-Nhliziyo were among 97 students selected to participate in Carnegie Hall's Weill Music Institute National Youth Orchestra.

The orchestra, open to students ages 16-19, toured Europe this summer, including stops in Amsterdam, Berlin and Edinburgh, while serving as cultural ambassadors through music.

Kingwood High School's Annie Newton named Texas Young Master, awarded $10,000 grant

Kingwood High School percussionist Annie Newton has been named a 2026 Butler Texas Young Master by the Texas Cultural Trust, a statewide honor recognizing student artists.

The Butler Texas Young Masters award recognizes students for their exceptional artistic talent in music, theatre, dance, visual arts, literary arts and other art disciplines. She was one of six percussionists selected internationally.

Students are selected based on artistic quality, capability and the impact of the additional studies for the student's development. Each student receives a $10,000 grant to further their studies in their chosen field.

Newton used the scholarship to attend the Juilliard Summer Orchestra Intensive in New York.

Marie Popp Wins Tommy Tune Award for Sound of Music Performance

Kingwood High School student Marie Popp was named the 2026 Tommy Tune Award winner for Outstanding Singer for her performance in The Sound of Music.

Hosted annually by Theatre Under The Stars (TUTS), the Tommy Tune Awards celebrate excellence in high school musical theatre across the greater Houston area, recognizing achievement in performance, production and arts education.

Popp received the honor for her role in Kingwood High School's production of The Sound of Music, directed by Camee Faulk. The award is among the program's most prestigious individual recognitions and highlights exceptional vocal talent among student performers.

HUMBLE ISD **BOND 2022 HIGHLIGHTS**

New Ross Sterling Middle School Takes Shape

Following a groundbreaking celebration this spring, construction is officially underway on the new Ross Sterling Middle School, ushering in an exciting new chapter for the Bearcats. The replacement campus, scheduled to open for the 2027–2028 school year, will provide students with a modern learning environment designed to support collaboration, innovation, and academic success.

The new three-story, 213,734-square-foot campus is being built on a larger site within the Turner Complex, just southeast of the current school. Designed by Kirksey, the architectural firm behind Kingwood Middle School, the campus will feature abundant natural daylight, spacious classrooms, and flexible learning spaces that support today's instructional practices.

For Principal Joshua Dawson, the new campus represents far more than a new building. "I am looking at this as if it's a rebirth—a Renaissance—for our students. It's going to be something new for us. I think it's a new beginning for Ross Sterling."

The groundbreaking ceremony also highlighted the lasting impact Ross Sterling has had on students. Tony Dang, a former Ross Sterling student and the Humble High School Class of 2026 salutatorian, reflected on the significance of the project.

"This moment means a great deal to me because it represents more than just the start of a new building. It represents growth, opportunity and the future being created for students who will walk these halls at Ross Sterling for years to come."

The current building was built in 1972. As construction continues, the new campus symbolizes a bright future—one that honors the school's proud legacy while creating new opportunities for students for decades to come. Satterfield & Pontikes Construction Company is serving as the general contractor on the project.

Mosaic

The Mosaic Program serves students ages 18-22 who received special education services and qualify for educational services after high school to transition to adult life. Previously housed in portable buildings, the Mosaic program now has a permanent home off of Timber Forest Dr. behind the Community Learning Center, thanks to funding approved by voters in Bond 2022.

The new 56,600-square-foot Mosaic building is 2-stories and opened in March 2026. The second floor is office space for special education professionals who serve students at schools throughout the district. The first floor houses the Mosaic program and includes mock apartments, an outdoor learning environment with a garden, several types of classrooms, and a new production lab - all designed to focus on developing and enhancing employability and independent living skills.

New Foster Elementary School Opens August 2026: Bulldogs Return Home

This August, Foster Elementary will open the doors to its brand-new campus, marking the start of an exciting new chapter for generations of Bulldogs.

A major project funded through Humble ISD's Bond 2022 program, the new Foster Elementary campus represents both a celebration of the school's rich history and an investment in its future. Originally opened on January 18, 1971, the school served the community for more than five decades before the original building was demolished in Fall 2024. Construction on the new facility began in April 2025, and this August, Bulldogs will return home to a modern campus designed for 21st century learning.

During the 2024-2025 and 2025-2026 school years, Foster Elementary students and staff were relocated across four elementary campuses while their campus was being rebuilt.

> "Our new building is absolutely beautiful and filled with incredible opportunities for students."
> **Brandy Heckman** Foster Elementary Principal

"As we prepare to begin the new school year, I am overwhelmed with gratitude and excitement for what it means to finally bring the Foster family back together under one roof," said Principal Brandy Heckman. "While Bulldogs remained united in spirit, there is something deeply meaningful about being able to share everyday moments together again."

The new Foster Elementary is a two-story, 121,600 square-foot facility designed to inspire learning and collaboration. Among its standout features are abundant natural daylighting, dedicated STEM and technology labs, and a unique 600 square-foot second-floor garden terrace with planters for vegetation.

"Our new building is absolutely beautiful and filled with incredible opportunities for students," Heckman said. "But beyond the physical space itself, what excites me most is the renewed sense of pride, camaraderie, and connection this building restores to our school community."

Heckman also expressed appreciation for the host campuses - Deerwood, Hidden Hollow, Shadow Forest and Willow Creek elementaries - that supported Foster Elementary students and staff through the transition.

"Displacement across multiple campuses was not easy, but it reminded me of the strength of our district, the resilience of our people, and the importance of community," she said.

As Bulldogs return to their new campus this fall, the building stands as more than just a school - it represents perseverance, partnership and the excitement of finally coming home.

From Classrooms to **CAREERS**

Industry-Based Certifications are preparing Humble ISD students for high-demand careers, college success, and lifelong opportunities.

Earning an Industry-Based Certification contributes to a student's College, Career, and Military Readiness (CCMR) attainment, a key indicator of postsecondary success. Through these credentials, students graduate with valuable technical skills, industry-recognized qualifications, and meaningful opportunities that position them for success in college, careers, military service, and beyond.

What type of certifications are Humble ISD students attaining?

The majority of certifications earned by Humble ISD students are Tier I and Tier II credentials, which the Texas Education Agency recognizes as having the highest value for students entering high-demand, high-wage careers directly after graduation. These certifications provide benefits that extend beyond immediate workforce entry. Many students use their credentials to strengthen college applications, secure apprenticeships, or pursue advanced training opportunities that can significantly influence their future career paths. As more students earn industry-recognized certifications, our community benefits from a larger pool of skilled, work-ready graduates who can meet the workforce needs of local businesses and industries.

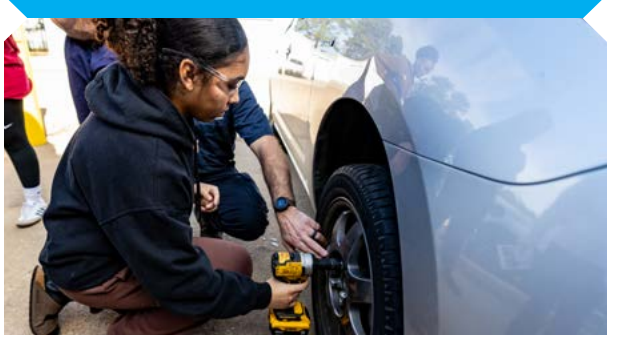

What is Humble ISD doing to ensure we give our students the best competitive advantage in an ever-changing career landscape through IBCs?

Each year, CTE Coordinators lead career cluster meetings with teachers from across the district to evaluate Industry-Based Certifications and ensure they are aligned with current labor market demands and workforce opportunities. These discussions empower our teachers, who are closest to the students and industry expectations, to help determine which certifications will provide the greatest value for our students.

By continuously refining our programs, strengthening industry alignment, and using student performance data to guide decision-making, we are positioning Humble ISD to continue increasing the number of Industry-Based Certifications earned each year while maintaining a focus on quality and student success.

"I am incredibly proud of the dedication and commitment our teachers have shown in helping students earn more Industry-Based Certifications. They challenged, supported, and motivated their students to develop the skills needed to achieve these credentials. The results are a direct reflection of their hard work and belief in student success. I am proud of what we have accomplished together and excited to see our continued growth and success in the years ahead. "

Larry Wilson, CTE Director

CTE Industry Based Certifications Data

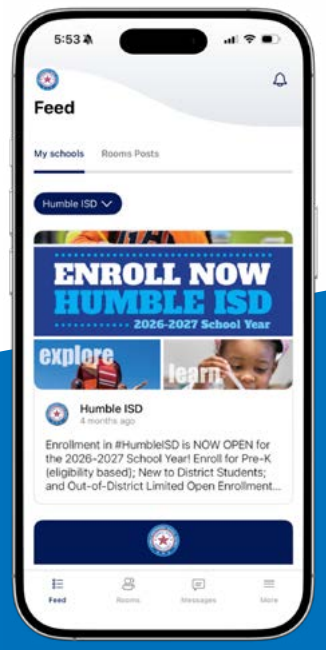

2024-2025 School Year: **1,541 IBCs**

Enrollment Information

New Students

Students in grades K-12 who are new to Humble ISD will begin the registration process online. Visit humbleisd.net/enrollment to get started.

Pre-Kindergarten

Humble ISD offers a free, full-day Pre-Kindergarten Program. To participate in the Pre-Kindergarten Program, a child must be 4 years old on or before September 1 of the current school year AND meet specified criteria. Visit humbleisd.net/prek for more information.

Returning Students

A returning student is any student who was actively enrolled on the last day of the prior school year at any Humble ISD campus. The online Annual Update process must be completed each year for all returning students. Parents and guardians received an email during the week of July 15, when the Annual Update became available for each child currently enrolled in Humble ISD. Visit humbleisd.net/annualupdate for more information.

SCHOOL SUPPLIES

Parents can get elementary school supply lists online at

humbleisd.net/schoolsupplies

Most middle and high school campuses will provide a list of needed supplies for each class on the first day of school. Students should bring paper, pencils and pens on the first day of school.

Required Immunizations

Information on immunization requirements, in both English and Spanish, can be accessed at: dshs.texas.gov/immunizations.

All students must be immunized in accordance with state law before entering Texas schools. Vaccines are available from doctors' offices, the Harris County Public Health and Environmental Services Department, 281-446-4222, or the Houston Department of Health and Human Services, 211texas.org or call 211. All immunization records must be validated with the healthcare provider's signature/stamp.

NOTE

Incoming 7th grade students are required to receive Tdap and MCV4

Immunization Exemptions:

For students who require medical exemptions, a written statement by a physician should be submitted to the school nurse annually. If the exemption is for reasons of conscience, which includes religious beliefs, visit https://www.dshs.texas.gov/immunizations/school/exemptions for instructions. Exemptions for reasons of conscience must be submitted to the school nurse on the original exemption form once completed and must be renewed every 2 years from the date it was notarized.

For more information, please visit the Humble ISD Health Services website at: **humbleisd.net/immunizations**

CTE for All Students

Humble ISD offers career and technical education programs in agricultural sciences, architecture & construction, audio/video & communication, health science, business/finance & marketing, information technology, hospitality & tourism, human services, education & training, energy, manufacturing, engineering, automotive, law & public service, and career preparation.

Admission criteria are listed in the high school and middle school planning guides. It is the policy of Humble ISD not to discriminate on the basis of race, color, national origin, sex or handicap in its vocational programs, services or activities as required by Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

Humble ISD will take steps to assure that lack of English language skills will not be a barrier to admission and participation in all educational and vocational programs.

For information on career and technical education courses, contact Larry Wilson, Director of CTE, at 281-641-8310. For information about your rights or grievance procedures, contact Terry Perkins at 281-641- 8005 or 10203 Birchridge Drive in Humble.

CTE para Todos los Estudiantes

Humble ISD ofrece programas de Educación Profesional y Técnica (CTE) en las áreas de ciencias agrícolas; arquitectura y construcción; audio, video y comunicaciones; ciencias de la salud; negocios, finanzas y mercadotecnia; tecnología de la información; hospitalidad y turismo; servicios humanos; educación y capacitación; energía; manufactura; ingeniería; tecnología automotriz; derecho y servicio público; y preparación profesional. Los requisitos de admisión se encuentran en las guías de planificación de las escuelas secundarias y preparatorias.

Es política de Humble ISD no discriminar por motivos de raza, color, origen nacional, sexo o discapacidad en sus programas, servicios o actividades de educación profesional y técnica, de conformidad con el Título VI de la Ley de Derechos Civiles de 1964, según sus enmiendas; el Título IX de las Enmiendas Educativas de 1972; y la Sección 504 de la Ley de Rehabilitación de 1973, según sus enmiendas.

Humble ISD tomará las medidas necesarias para garantizar que la falta de dominio del idioma inglés no sea una barrera para la admisión o participación en todos los programas educativos y de formación profesional.

Para obtener información sobre los cursos de Educación Profesional y Técnica, comuníquese con Larry Wilson, Director de CTE, al 281-641-8310. Para información sobre sus derechos o los procedimientos para presentar una queja, comuníquese con Terry Perkins al 281-641-8005 o visite 10203 Birchridge Drive, Humble, Texas..

Required Bus Transportation Registration for the 2026-2027 School Year

Beginning with the 2026-2027 school year, parents and guardians of students who are eligible for bus transportation must register their child using the Zūm Transportation Registration Tool before the first day of school. Parents will need their child's student ID number and date of birth to complete the registration.

Once registration is complete, parents will receive a confirmation that their child is registered for eligible bus service for the 2026-2027 school year. Bus route assignments will be available in early August.

Scan the QR code for step-by-step instructions on registering your child using the Zūm Transportation Registration Tool.

Parents of eligible bus riders should download the Zūm Transportation App:

- Parents of elementary students can see in the app when their child entered and exited the bus. Parents can also see the estimated time of arrival for the bus at their stop.
- Parents of middle and high school students can see the estimated time of arrival for the bus at their stop.

To register your child for bus transportation:
humbleisd.net/busregistration

To see which schools are zoned to your address:
humbleisd.net/attendancezones

For questions regarding bus transportation, please contact:
Humble ISD Transportation Department
281-641-8720

Services For Students with Disabilities

Humble ISD is responsible for identifying, locating and evaluating all children with disabilities who are in need of special education and related services who reside and/or are located within the school district's boundaries or attend a private school within the district's boundaries.

All referrals are confidential and the parent, legal guardian, or surrogate parent has the right to refuse services.

Children who have a disability or who are suspected of having a disability may be referred to Humble ISD through one of the following means:

- For children of district residents, who are school-age (3 to 21), please contact the elementary, middle, or high school that serves your particular neighborhood or location. If you are unsure which school serves your neighborhood, call the special education department at 281-641-8410.
- For children who live out of district but attending a private school within the district's boundaries, please contact the special education office at 281-641-8410.
- For children of district residents who are below school-age (birth through 2 years old), please contact the Special Education Department at 281-641-8410 or one of the following Early Childhood Intervention (ECI) Agencies::

- **ECI Infant Program of Easter Seals**

Humble ISD Non-Discrimination Policy

It is the policy of the Humble Independent School District to comply fully with the nondiscrimination provisions of all Federal and State laws and regulations by ensuring that no student shall be discriminated against, or harassed, on the basis of race, color, religion, national origin, sex, gender, disability, or any other basis prohibited by law in its educational and vocational (CTE) programs, or activities, as required by Title IX, Title VI, Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act (ADA). Terry Perkins, 281-641-8005, is designated as the Title IX Coordinator (Sex and Gender) and Title VI Coordinator (Race, Color, National Origin). Rick Meyer, 281-641-8316, is designated as the ADA and Section 504 Coordinator for students. Rick Gardner, 281-641-8160, is designated as the ADA and Section 504 Coordinator for employees. Jason Seybert, 281-641-8712, is designated as the ADA and Section 504 Coordinator for facilities accessibility. A more detailed notice of nondiscrimination may be found in the 2026-2027 Student Handbook.

Poliza de Antidiscriminacion de Humble ISD

Política de No Discriminación de Humble ISD Es política del Distrito Escolar Independiente de Humble cumplir plenamente con las disposiciones de no discriminación de todas las leyes y reglamentos federales y estatales, garantizando que ningún estudiante sea objeto de discriminación o acoso por motivos de raza, color, religión, origen nacional, sexo, género, discapacidad o cualquier otro motivo prohibido por la ley en sus programas o actividades educativos y vocacionales (CTE), tal como lo exigen el Título IX, el Título VI, la Sección 504 de la Ley de Rehabilitación de 1973 y la Ley de Estadounidenses con Discapacidades (ADA). Terry Perkins (281-641-8005) ha sido designado como Coordinador del Título IX (sexo y género) y Coordinador del Título VI (raza, color y origen nacional). Rick Meyer (281-641-8316) ha sido designado como Coordinador de ADA y de la Sección 504 para estudiantes. Rick Gardner (281-641-8160) ha sido designado como Coordinador de ADA y de la Sección 504 para empleados. Jason Seybert (281-641-8712) ha sido designado como Coordinador de ADA y de la Sección 504 para la accesibilidad de las instalaciones. Puede encontrar un aviso de no discriminación más detallado en el Manual del Estudiante 2026-2027.

Lake Houston Family YMCA is registering for the 2026-2027 school year

The YMCA Afterschool Program provides a safe, engaging environment where children continue learning, growing, and having fun after the school day ends. Serving Pre-K through 5th grade (Pre-K available at select campuses), the program includes homework support, STEM and literacy activities, creative arts, physical activity, healthy snacks, and character development led by caring, trained YMCA staff.

Programs operate Monday through Friday from school dismissal until 6:30 p.m. at participating Humble ISD elementary schools. Care is also available on early dismissal and designated teacher workdays.

Registration Fee: $45 per child

- Financial Assistance: Available for qualifying families.
- Enroll today and give your child a safe place to learn, grow, and belong after school.

For more information and to register, visit:
ymcahouston.org/programs
or stop by Lake Houston YMCA

Let's Play! Humble ISD Elementary Play Areas

Humble ISD is reinvesting in the community by adding immersive, imaginatively-themed playgrounds at all elementary schools. Outdoor equipment is open to the public on elementary school campuses after school, on weekends and on school holidays. All are built on handicap-accessible, poured-in-place rubber surfaces, with fall protection. All campuses will have playgrounds by 2027.

These new facilities are thanks to Bond 2022 funds, federal funds or City of Houston TIRZ funds. The playgrounds have been designed to enhance safety, provide outdoor opportunities for all children and develop community assets. Scan the QR code to learn more.

North Elementary Playgrounds

1. **Texas Landmarks** – Projected Opening Fall 2026
   Foster Elementary, 1800 Trailwood Village Drive, Kingwood
