

PROPOSED BUDGET

2025-26

Thank you for your ongoing support and engagement with the Ithaca City School District.

We are pleased to present the 2025-26 proposed school district budget, a carefully crafted plan that prioritizes the needs of our students while remaining fiscally responsible to our taxpayers. This budget, totaling **\$169,031,619**, represents a rollover approach, ensuring continuity in our programs and services without major additions, while also incorporating further reductions in administrative costs.

The proposed budget includes a tax levy increase of 3.76%, which is **within the New York State tax cap**. This approach allows us to meet our district's financial obligations—including contractual commitments and meaningful compensation increases for educators—while also reducing our reliance on fund balance. The proposed use of fund balance stands at just under \$6.8 million, reflecting a slight decrease from prior years as we work toward long-term financial sustainability.

In addition to the proposed budget, we are seeking voter approval for Proposition 2, which would authorize the district to spend up to \$2,267,549 of our 2022 Capital Reserve Fund to purchase ultra-low emission propane buses and complete essential renovations at Cayuga Heights Elementary School. Proposition 2 is not taken from the general fund, but rather from an existing savings account used specifically for bus purchases and capital improvement projects—it has no impact on the budget or tax levy.

Most importantly, this budget ensures that we continue to meet the diverse needs of our learners by maintaining high-quality instructional programs and resources. We remain mindful of the balance between securing the necessary funding for our schools and minimizing the financial impact on our community.

We encourage all residents to participate in the upcoming Budget Vote and School Board Election on **Tuesday, May 20**. Polls will be open from **12 noon until 9 p.m.** For more details, including propositions and candidates on the ballot and district poll site locations, visit ithacacityschools.org/vote.

As always, we appreciate your input and collaboration. Please continue to reach out directly or provide feedback via Let's Talk: ithacacityschools.org/letstalk. Your voice and engagement are vital to the continued success of our schools and students.

Sincerely,

Dr. Sean Eversley Bradwell
