The solicitation may be amended at any time prior to opening. Addenda notifications will be posted to the district website. All actual and prospective offerors should monitor the district website, as failure of any offeror to receive any such addenda or interpretation shall not relieve such offeror from any obligation under their offer as submitted. If, after examination of the various terms and conditions and requirements of this document, the Offeror believes there are any terms and conditions or requirements which remain unclear or which restrict competition, the Offeror must request, in writing, that the District clarify the terms(s) and condition(s) and requirement(s) specified by the Respondent. The Offeror must provide applicable Section(s), Subsection(s), Paragraph(s), and page number(s) that identify the conditions or requirements questioned, in writing, on or before **September 10, 2026 by 11:30 am**. All requests for interpretation of the bid documents shall be submitted in writing to Shelley Allen, the Chief Financial Officer at sallen@lexington4.net. Email is the required method for submitting questions with "Questions: Solicitation #" as the subject of the email. All questions and answers will be posted anonymously on the District's procurement website as an addendum at the close of the Q&A period.

The District may ask any or all respondents to elaborate or clarify specific points or portions of their response. Clarification may take the form of written responses to questions or meetings to discuss the solicitation and/or the participant's response.

No questions may be directed to or contacts made with members of the School Board, Superintendent, or any District staff not identified in this solicitation as points of contacts during the period of time that this solicitation is made public until the final selection is made. Violation of this prohibition will be subject to disqualification of the Respondent from further consideration.

2.5 Experience and Reference Check

The District reserves the right to consider historic information and facts, whether gained from the Respondent's bid/proposal, question and answer conferences, references, or any other source, in the review of a response. Offeror acknowledges: (1) that the District will contact various persons who are familiar with the offeror's prior work and related matters, whether such persons are voluntarily disclosed to the District in this bid/proposal or not; (2) that truthful and complete information is necessary for the District to make an adequate review of bid/proposal; and (3) that offeror will not take any action against any person who responds truthfully and in good faith to a bonafide inquiry by the District for purposes of reviewing the offers received by the District under this solicitation.

2.6 Maximum Contract Period

Any resulting contract from this solicitation will begin on the date specified in the Statement of Award or Intent to Award. The initial contract period is intended to cover the period from October 1, 2026 through September 30, 2027 or (1) year from the effective date of the initial contract. The district may exercise the option to renew for an additional (4) four years.

2.7 Offer Submission

Lexington School District Four will accept sealed bids/proposals. All bid/proposals shall be received no later than September 17, 2026 at 11:30 am. **Late bid/proposals will not be considered for evaluation.**

All bid/proposals must be submitted in ink or typewritten. Bids/Proposals may be withdrawn without penalty prior to the date and time of the opening. All offers shall be valid for a period of no less than ninety (90) days after the date of opening.

2.8 Pre-Bid/Proposal Conference

No pre-bid/proposal conference is scheduled at this time; however, all potential offerors must visit the sites prior to offer submission date. Site visits allow the offerors to take such steps as may be necessary to ascertain the nature and location of the work and the general location conditions which can affect the work and/or cost thereof. Failure to inspect sites will result in automatic offer rejection.

2.9 Bid/Proposal as Offer to Contract

By submitting your bid/proposal, you are offering to enter into a contract with Lexington School District Four. Without further action by either party, a binding contract shall result upon final award of this solicitation. Any award issued will be issued to, and the contract will be formed with, the entity identified as the Offeror in the submitted solicitation. Joint Bids/Proposals are not allowed – an offer may be submitted by only one legal entity. A Purchase Order shall be issued to the identified offeror by the District and shall give Offeror the right to proceed with fulfilling this contract.

2.10 Bid/Proposal Acceptance Period

Bids/Proposals may be withdrawn through offer closing date. After withdrawing a previously submitted bid/proposal, the responding firm may submit another bid/proposal at any time up to the deadline for submissions. In order to withdraw your offer after the minimum period specified in this solicitation, you must notify the Chief Operations Officer in writing.

2.11 Pricing

All prices and notifications submitted may not be altered or amended after the specified time for opening bids/proposals.

2.12 Procurement Process

This solicitation is an **Invitation for Bid (IFB)**. In the event the District elects to negotiate a contract with the successful Respondent, any contract shall contain, at a minimum, the terms and conditions (or substantially the same terms and conditions) as hereinafter stated. The District reserves the right, in its sole discretion, to reject all submissions, reissue a subsequent IFB, terminate, restructure or amend this procurement process at any time. The final selection and contract negotiation rests solely with the District. All bids/proposals will be publicly opened at the noted date and time. The name of each bidder and the total dollar amount of each bid will be recorded at the opening. Other than the information disclosed at the bid opening, contents of competing bids/proposals shall not be disclosed during the process of opening or negotiation.

2.13 Proprietary Information

For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "CONFIDENTIAL" every page, or portion thereof, that Offeror contends contains information that is exempt from public disclosure because it is either (a) a trade secret as defined in Section 30-4-40(a)(1), or (b) privileged and confidential, as that phrase is used in Section 11-35-410. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the words "TRADE SECRET" every page, or portion thereof, that Offeror contends contains a trade secret as that term is defined by Section 39-8-20 of the Trade Secrets Act. For every document Offeror submits in response to or with regard to this solicitation or request, Offeror must separately mark with the word "PROTECTED" every page, or portion thereof, that Offeror contends is protected by Section 11-35-1810. All markings must be conspicuous; use color, bold, underlining, or some other method in order to conspicuously distinguish the mark from the other text. Do not mark your entire response (bid, proposal, quote, etc.) as confidential, trade secret, or protected. If your response, or any part thereof, is improperly marked as confidential or trade secret or protected, the District may, in its sole discretion, determine it nonresponsive. If only portions of a page are subject to some protection, do not mark the entire page. By submitting a response to this solicitation or request, Offeror (1) agrees to the public disclosure of every page of every document regarding this solicitation or request that was submitted at any time prior to entering into a contract (including, but not limited to, documents contained in a response, documents submitted to clarify a response, and documents submitted during negotiations), unless the page is conspicuously marked "TRADE SECRET" or "CONFIDENTIAL" or "PROTECTED", (2) agrees that any information not marked, as required by these bidding instructions, as a "Trade Secret" is not a trade secret as defined by the Trade Secrets Act, and (3) agrees that, notwithstanding any claims or markings otherwise, any prices, commissions, discounts, or other financial figures used to determine the award, as well as the final contract amount, are subject to public disclosure. In determining whether to release documents, the District will detrimentally rely on Offeror's marking of documents, as required by these bidding instructions, as being either "Confidential" or "Trade Secret" or "PROTECTED". By submitting a response, Offeror agrees to defend, indemnify and hold harmless the District, its officers and employees, from every claim, demand, loss, expense, cost, damage or injury, including attorney's fees, arising out of or resulting from the District withholding information that Offeror marked as "confidential" or "trade secret" or "PROTECTED". (All references to S.C. Code of Laws.)

2.14 Right to Protest

Any actual or prospective bidder, offeror or contractor who is aggrieved in connection with the solicitation or award of a contract may protest. The protest shall be submitted in writing to the superintendent, setting forth the grounds and facts applicable thereto for the protest, and the relief requested, within 15 days of the date of the solicitation is posted in accordance with this policy, or within 10 days of when the notification of the award is posted in accordance with this policy. The filing of a protest shall not stay solicitation or award of a contract unless fraudulent. A matter that could have been raised as a protest of the solicitation may not be raised as a protest of an award or intended award of a contract. A protest must set forth both the grounds of the protest and the relief requested with enough particularity to give notice of the issues to be decided.

All protests must be submitted in writing to the Superintendent, Dr. Justin Nutter, 607 E 5th Street, Swansea, SC 29160 or emailed to jnutter@lexington4.net. The protest must be filed in accordance to section 6-201 of the District's Procurement Code. The rights and remedies granted for protests are not available for contracts with an actual or potential value of less than \$50,000.

2.15 Respondent's Ability

Respondents must, upon request of the District, furnish satisfactory evidence of their ability to furnish products or services in accordance with the terms and conditions of these specifications. Officials of the District may make such investigations as deemed necessary to determine the ability of the Respondent to perform such work. The District reserves the right to make the final determination as to the Respondent's ability to provide the products or services requested herein and to reject any Respondent if evidence fails to indicate that the Respondent is qualified to carry out the requirements of the solicitation document.

2.16 Solicitation Condition

Each Respondent shall fully acquaint himself with conditions relating to the scope and restrictions attending the execution of the work under the conditions of this solicitation. It is expected that this will sometimes require on-site observation. The failure or omission of a Respondent to acquaint himself with existing conditions shall in no way relieve the Respondent of any obligation with respect to this solicitation or to the contract.

3.1 Late Bid/Proposals

Bids/Proposals, amendments, or a withdrawal request received after the time advertised for the solicitation opening/closing will be not be accepted.

3.2 District Closure

In lieu of an automatic extension, an Amendment may be issued to reschedule bid opening. If District offices are closed at the time a pre-bid or pre-proposal conference is scheduled, an Amendment will be issued to reschedule the conference.

3.3 Qualification of Offeror

To be eligible for award of a contract, a prospective offeror must be responsible. In evaluating an offeror's responsibility, the District's standards of responsibility and information from any other source may be considered. An Offeror must, upon request of the District, furnish satisfactory evidence of its ability to meet all contractual requirements. Unreasonable failure to supply information promptly in connection with a responsibility inquiry may be grounds for determining that the Offeror is not eligible to receive an award.

District Standards of Responsibility:

The District reserves the right to reject offers that contain prices for items or services that are inconsistent or unrealistic when compared to other prices in the same or other offers if such action would be in the best interest of the district. Ambiguous offers which are uncertain as to terms, delivery, quantity, or compliance with specifications may be rejected or disregarded. The right is reserved to reject any offer in which the delivery time indicated is considered sufficient to delay the operation for which the project/service is intended.

the District cannot be determined. Offerors will not be given an opportunity to correct any material nonconformity. Any deficiency resulting from a minor informality may be cured or waived at the sole discretion of the District.

- (c) Price Reasonableness: Any offer may be rejected if the District determines in writing that it is unreasonable as to price.
