JA TOWN VOLUNTEERS NEEDED

Junior Achievement of Chicago's Northwest Indiana Division in partnership with East Porter County School Corporation is bringing JA Town to the eighth grade students of Kouts, Morgan Township, and Washington Township.

Tuesday, Dec. 16th
7:45 a.m. to 10:45 a.m.

Washington Twp. MS/HS
381 E. State Road 2
Valparaiso, IN 46383

What is JA Town?

JA Town is a budgeting simulation experience where students will be an adult for a day. In the classroom, they have been learning about careers, needs versus wants, and personal values. At JA Town, they will put what they have been learning into action!

Students will be assigned a career, an income, and at JA Town, they will go from station to station making financial decisions and paying their bills. The stations represent budgeting categories (savings, food, housing, transportation, etc.) and we need you to help us staff those stations. You will help guide students through their choices and support them in making smart financial decisions.
