Dear JUHSD Students, Staff, and Families,

My name is Jack Larkin and I will be the new Principal and Athletic Director of Julian Union High School this school year. I am extremely excited to serve the families of Julian and nearby communities. Julian truly is a special place and it is a great honor to be given this opportunity.

As principal, I wish to build upon the strong tradition at Julian High School and continue to improve every year. My hope is to create many opportunities for students to grow and learn, so they view Julian High School as a spring board to their future, and a home away from home. I believe in creating high student engagement, empowering students to take ownership of their learning, and building a culture where all students feel safe and welcomed at school. It is crucial for students feel a sense of belonging at Julian High School and valued for who they are. Students are most successful when they take pride in their school and are self-advocates for their future. This year we hope all students feel a strong connection to school so they can excel in their academic courses, extracurricular actives, and all aspects of their educational experience.

I would like families to know that my door is always open. I would love to meet all of you and learn about your hopes and dreams for your child. Communication is vital for student success, so please do not hesitate to contact me for any questions you may have, or just to say hello. We have many exciting new programs this year, as Mrs. Fleet has communicated, along with unique after school enrichment experiences. Our goal is to work closely with all families, so we can build trust and a lasting partnership to ensure student success.

I look forward to helping your child have an incredible high school experience. Thank you for welcoming me into your school community. **Great Things Happen at Julian High School!**
