FIRST DAY OF SCHOOL:

BY: HAILEY BINGAMAN

After a few months of being locked at home due to COVID-19, students were finally able to walk the halls of the school again on August 25th. Face coverings were required by the school and are still required to help prevent the spread of COVID. Besides the face coverings, school has continued as normal. Students are excited to be back in class and extracurriculars are in full swing.

DECA MEMBERSHIP DRIVE

BY: HEATHER FRENCH

The DECA drive took place on
September 4, 2020.

It was a wonderful way to start out
the day, with donuts, cookies,
chocolate
milk, and juice! It started at 8:00
when students first entered the
building.

The officers: Hailey Bingaman,
Heather French, Eliana Uptegrove,
Bailey Fleming, and
Regan Shaffer, were all working up
front and behind the scenes to
promote DECA and recruit more
members. We look forward to a
successful year in
DECA!

BACK TO SCHOOL NIGHT

BY: HAILEY BINGAMAN

Back to school night was a little
different this year due to COVID-
19. Students and parents were
asked to sign up for a time slot,
and they were allowed thirty
minutes to communicate with
their teachers, organize lockers,
and get any paperwork that they
may have needed. Due to the
Johnson County mask mandate,
everyone was required to wear a
face covering in the building.
Everything ran smoothly, and
students and teachers were
excited to be back.
