EDGERTON PERFORMING ARTS CENTER

The Edgerton Performing Arts Center (EPAC) was built in 2000 to serve not only as the home for the Edgerton School District's performing arts, but also as a venue for the Edgerton community.

Honoring JOYCE & WILLIAM WARTMANN

All performances are partially funded by the

WARTMANN ENDOWMENT FOR THE PERFORMING ARTS CENTER

The WEpac (Wartmann Endowment for the Performing Arts Center) Board was established in 2003 by then Edgerton School District Superintendent Dr. Norman L. Fjelstad to work in accordance with the Wartmann Endowment to help the arts program in the Edgerton Community grow in perpetuity.

*“Striving to provide a diverse selection
of quality, affordable entertainment
to the Edgerton Community”*

Additional Gratitude to LARRY & JULIE MIDTBO

"It is our pleasure to support the Edgerton Performing Arts Center. We applaud the Wartmann mission to bring a wide range of entertainment to the entire community. CHICKEN WIRE EMPIRE

July 1, 6:30 pm

Chicken Wire Empire is a Wisconsin-based bluegrass band known for their dynamic musicality, thorough arrangements, and true-to-life songwriting. The band emerged in 2016 with their debut self-titled album and have since released a prolific catalogue of studio projects and live performances. Their sixth and latest

album, *Growing Pains*, releases June 1 and is a veritable culmination of the band's growth through the past decade.

CWE continuously captivates audiences with thoughtful, energetic performances. Their high-level musicality turns up a fresh conversation with each show, like a brainstorm of creative musical substance. *Americana Highways* writes "These musicians must enjoy what they do because their joy translates through their instruments. The energy, fingering techniques are all proponents that deliver substance with a modicum of joy. There aren't any low points, missteps, loss of heat in any of these melodies."

1ST BRIGADE | July 15, 6:30 pm

The band **MAKES HISTORY LIVE** by presenting period brass band music, performed on antique instruments. Attired in uniforms and gowns, the Band's musicians, color guard, and costumed ladies take you back to the 1860's; to that turbulent era known as the Civil War. A nostalgic portrayal of the atmosphere of days

gone by is generated by a unique form of showmanship that blends the sights and sounds of the period with historical anecdotes. More than eighty volunteers, men and women, make up the 1st Brigade Band. Widely varied in age and occupation, they come from many communities, bringing with them a common interest in their musical heritage.
