~Principal's Message~

I cannot believe it is already November! The first two months of this year have flown by. It feels like just yesterday we were meeting for Back-to-School events. I can't believe how fast it moves sometimes. The beginning of this school year has been amazing to say the least and that is simply because of the hard work of our teachers, students, and families. Thank you for everything you do to support the students and staff at BIS. It truly takes a village, and we are grateful for our partnerships with families!

Now that the weather is turning colder, please make sure that your child comes to school dressed appropriately for the weather. We will continue to go outside for recess and unfortunately, we will not be able to allow students to go out if they are not dressed for the weather. Please do your best to place your child's name inside their jacket/coat and lunchbox in case they are misplaced. It helps us be able to return them directly to the student instead of placing them in the lost and found in the cafeteria.

One of my favorite times of the year is American Education Week. We are grateful this year to invite parents into school to visit. Our American Educatio Week flyer is now available on Dojo. To ensure space for all visitors, we are asking parents to make every effort to visit on their student's designated day, based on grade level and last name. Remember all visitors must pre-register and must have a photo ID when checking in at school. You will not be allowed to visit without a proper ID.

Communication is very important to us at Berlin Intermediate School. During the year, try to flood our Facebook and Instagram pages with pictures of the amazing things our students and teachers are doing at BIS. We also try to highlight important information and upcoming events on social media. Be sure to check out our pages! The pages are linked to our website home page, http://bis.worcesterkl2.org which also includes links to important information for parents and students. It is kept up to date and is very informative. Finally, teachers and admin use Class Dojo for ongoing communication with families. Please reach out to us if you need help connecting to any of these communication methods.

Have a great November and a Happy Thanksgiving! As always, please do not hesitate to call us with questions or concerns.

-Dr. Gallagher

Please do your best to place your child's name inside their jacket/coat and lunchbox in case they are misplaced. Please be sure to fill out a **Student Trip Approval Request Form** if you are planning to be out of town. This form needs to be filled out at least 10 days prior to your trip. After the form is filled out by the parent, students must get all their teachers to sign it if the student is in school. Under the policy of the Board of Education, a **maximum of 5 school days** will be excused for family trips during one school year. These forms are available in the front office.

CHANGE OF ADDRESS?

The State of Maryland requires that all students have a current proof of residency on file. If you have moved, please make sure the office has proof of residency. The following will be accepted: Current property tax bill, current rental lease or deed, current utility bill with name and service address (electric, gas, etc.).

Bus Reminders:

- Students are **not** able to switch buses to ride home with a friend due to limited space. *This includes special days like dances.*

Library News

Our annual Scholastic Book Fair was another huge success. Thank you to everyone for your support of our fair. Scholastic Book Fairs are a great way for students to add new books to their home libraries, while also raising money to buy new titles and materials for our school library. Using Scholastic funds raised from last year, we were able to purchase many new books for BIS! Mrs. Lloyd can't wait to shop for more student favorites- awesome new graphic novels, scary books and more new nonfiction. Some of these funds will be used to replace some of our popular and well-loved books. Thanks again!

Here are a few Fast Facts that you will need to know for getting started:

Add the SDM App to a smartphone, tablet, or web browser. The app is compatible with Android and Apple devices.
IMPORTANT: Returning parents need to UNINSTALL last year's App before installing the new App.

- **Android** – Go to the Install tab from the dropdown menu within your SDM account or open a Chrome browser window, go to ***www.schooldismissalmanager.com***, tap *Add to Home Screen*, and follow the onscreen instructions to install the app.
- **iPhone** – Go to the Install tab from the dropdown menu within your SDM account or open a Safari browser window, go to ***www.schooldismissalmanager.com***, then tap the *Share* button, scroll down, and tap *Add to Home Screen*. Enter the name *SDM* and select *Add* to install the app.

First Login

- Check your child's default dismissal (how your child goes home most days) and make sure it is set correctly. If changes are needed, select the green ***Set/View Default*** button above the calendar or if using the SDM app, select ***Default Dismissal*** from the menu at the top left, to set the correct dismissal. Setting a weekday default will override the main default on a specific day of the week. **Always set the main default first**, then set weekday defaults only as necessary.

Reporting Your Child will be Absent: We will be utilizing SDM's *Absent* option for parents to report their child absent. Select the day on the calendar that your child will be absent, then select ***Add Exception***, and choose ***Absent*** from the dropdown options, filling out the necessary information. Note: "Absent" reporting will be the same as a parent note sent to school with your child. Ten parent notes are permitted per year. Please continue to send doctor's notes to school and to complete vacation forms with teacher signatures so we can document excused absences per our policy. *SDM does not determine if absences are excused or unexcused and you must still provide the school office with a doctor's note when required and as specified in our school's policies.*

Reporting Your Child will Leave Early: We will be utilizing SDM's *Leaving Early* option so that parents can let the school know when their child is being picked up early. Select the day on the calendar that your child will be picked-up early, then select ***Add Exception***, and choose ***Leaving Early, NOT Coming Back***. You will immediately be asked if your child is coming back to school. Select ***Yes*** or ***No*** and then fill out the remaining information. Depending on whether you answered yes or no, SDM will create the appropriate dismissal exception or notification to the office once you click ***Submit***. *You must still come into the office, with identification, to sign your child out and adhere to any rules or guidelines specified in our school's policies.*

Reporting a Late Arrival: We will be utilizing SDM's *Late Arrival* feature so that parents can let the school know when their child will be arriving late to school. Select the day on the calendar that your child will be arriving late, then select ***Add Late Arrival***, fill out the reason, and click ***Submit***. *SDM does not determine if students are tardy and you must still come into the office to sign your child in and adhere to any rules or guidelines specified in our school's policies.*

The Parent Dashboard always displays the current and following week. Days where there is no school or there is an early dismissal will be clearly marked. To opt in for text messages, click ***Preferences*** in the top menu to add your mobile number.

Recurring Dismissal Exceptions: If your child has a temporary, recurring dismissal exception click the ***Recurring Dismissal Instructions*** located at the top of the screen and fill out the details as required. ***DO NOT use the Recurring Dismissal feature to put in your child's "default" dismissal***. *The difference between a Recurring Dismissal Exception and a Weekday Default Dismissal is that recurring has a start and end date because it is a temporary dismissal exception that occurs for a set period of time, while the weekday default is a default dismissal that occurs regularly on a specific day of the week for the entire school year.*

Email Notifications: When receiving email notifications regarding dismissal changes or cancellations made, know that hitting *Reply or Reply All* on those emails does not reply to the school or person making the change. If you need to respond to a notification (e.g., to inform the school it is incorrect, provide additional details, etc.), click ***Help*** in your top menu and fill out the details to email the office.

FAQs: As you begin to use School Dismissal Manager, if you have questions, check the ***Frequently Asked Questions*** (FAQs) link found in the Parent login area at the top of the SDM homepage or click on ***Help*** in your top menu. Here, you will find answers to the most commonly asked questions. If your question remains unanswered after checking here, please contact the school office and we will be happy to assist you further.

STANDARD RESPONSE PROTOCOL

INFORMATION FOR PARENTS AND GUARDIANS

Our school has adopted The "I Love U Guys" Foundation's Standard Response Protocol (SRP). Students and staff will be training, practicing, and drilling the protocol.

COMMON LANGUAGE

The Standard Response Protocol (SRP) is based on an all-hazards approach as opposed to individual scenarios. Like the Incident Command System (ICS), SRP utilizes clear common language while allowing for flexibility in protocol.

The premise is simple - there are five specific actions that can be performed during an incident. When communicating these, the action is labeled with a "Term of Art" and is then followed by a "Directive." Execution of the action is performed by active participants, including students, staff, teachers and first responders. The SRP is based on the following actions: Hold, Secure, Lockdown, Evacuate, and Shelter.

HOLD

"In Your Classroom or Area"

Students are trained to:
- Clear the hallways and remain in their area or room until the "All Clear" is announced
- Do business as usual

Adults and staff are trained to:
- Close and lock the door
- Account for students and adults
- Do business as usual

SECURE

"Get Inside. Lock outside doors"

Students are trained to:
- Return to inside of building
- Do business as usual

Adults and staff are trained to:
- Bring everyone indoors
- Lock the outside doors
- Increase situational awareness
- Account for students and adults
- Do business as usual

LOCKDOWN

"Locks, Lights, Out of Sight"

Students are trained to:
- Move away from sight
- Maintain silence
- Do not open the door

Adults and staff are trained to:
- Recover students from hallway if possible
- Lock the classroom door
- Turn out the lights
- Move away from sight
- Maintain silence
- Do not open the door
- Prepare to evade or defend

EVACUATE

"To a Location"

Students are trained to:
- Leave stuff behind if required to
- If possible, bring their phone
- Follow instructions

Adults and staff are trained to:
- Bring roll sheet and Go Bag (unless instructed not to bring anything with them, dependent on reason for evacuation.)
- Lead students to Evacuation location
- Account for students and adults
- Report injuries or problems using Red Card/Green Card method.

SHELTER

"State Hazard and Safety Strategy"

Hazards might include:
- Tornado
- Hazmat
- Earthquake
- Tsunami

Safety Strategies might include:
- Evacuate to shelter area
- Seal the room
- Drop, cover and hold
- Get to high ground

Students are trained in:
- Appropriate Hazards and Safety Strategies

Adults and staff are trained in:
- Appropriate Hazards and Safety Strategies
- Accounting for students and adults
- Report injuries or problems using Red Card/Green Card method.
