A. All salaries are calculated from a base of 1.0. The 1.0 is arrived at by multiplying 2.08 times the B.S. track - Step 6 of the teachers salary schedule.

B. Steps may not necessarily equate to years of administrative experience in initial placement of administrative staff. The factor assigned by position and step is multiplied by the base salary.

C. Administrators are required to provide an automobile if their job requires them to travel between buildings on a daily basis at their own expense.
