PORTRAIT OF A HORNET

Communication

Our students use appropriate oral, written, digital, and non-verbal communication skills to connect with others.

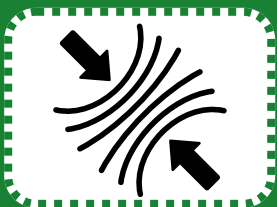

Collaboration

Our students productively collaborate, analyze information, and develop plans to positively resolve issues.

Passion

Our students value learning, work hard to be successful, and prepare for a future beyond school.

Resilience

Our students persevere and understand that success doesn't just happen; it is a process that requires problem-solving and learning from mistakes.

Integrity

Our students are respectful and kind, act appropriately in all situations, and are valuable members of our community.
