Assistant Superintendent Melissa Vojta introduced the following presentations:
- Senator Tom Patton presented the Purple Star Award to all three schools. The award states the following:
On behalf of the members of the Senate of the 136th General Assembly of Ohio, we are pleased to commend North Royalton Elementary School, North Royalton Middle School, and North Royalton High School on being presented with a Purple Star Award by the Ohio Department of Education for the 2024-2025 school year.

The remarkable people who currently direct and sustain North Royalton Elementary School, North Royalton Middle School, and North Royalton High School, have displayed an unwavering dedication to providing excellent support to the families of area service members by initiating and maintaining many edifying works and programs. Without question, they have demonstrated leadership and foresight in expertly handling the unique circumstances facing the children of military personnel so as to provide the best possible education, and as a result of their tremendous efforts, the school has received a Purple Star Award.

North Royalton Elementary, North Royalton Middle School, and North Royalton High School’s inclusion as one of the fine schools in Ohio to be recognized as part of the Purple Star Schools Class of 2025 is indicative of its strong tradition of scholastic eminence. Our state is home to tens of thousands of students with guardians serving in active or reserve duty for the Armed Forces or the Ohio National Guard, and we are certain that in the years to come, the institution will continue its positive impact on the entire community through its loyalty to such young individuals and families among its ranks.

Thus, it is with sincere admiration that we applaud North Royalton Elementary School, North Royalton Middle School, and North Royalton High School on the recent accolades and offer best wishes for perennial good fortune.

North Royalton City Schools Band Presentation: In a historic and inspiring achievement, North Royalton High School’s band program has made headlines across the state with an extraordinary clean sweep at the 2025 OMEA State Band Adjudicated Event. For the first time in nearly two decades, every ensemble—Wind Ensemble, Symphonic Band, Concert Band, and Freshman Band—earned the coveted “1” SUPERIOR rating, the highest possible honor at the state level. In addition, North Royalton Middle School’s 7th and 8th Grade Bands and our Marching Band also earned Superior Rating and straight 1s. Remarkably, no other school district in the state of Ohio can make this claim.

The Marching Band also earned Grand Champion at multiple competitions as well as Best Overall Music at multiple competitions.

This accomplishment not only reflects the tireless work and musical excellence of the students but also the visionary leadership of the directors who have cultivated a culture of discipline, passion, and excellence within the program.
