MATT CIHA NAMED "TEACHER OF THE YEAR" AND VIKKI RODRIGUEZ AS "SUPPORT STAFF PERSON OF THE YEAR"

The Teacher of the Year is Matt Ciha, who is a math teacher at North Royalton High School. "Matt has spent his 10 years at North Royalton High School having a positive impact on student learning as well as the total high school student experience," said Principal Sean Osborne. Matt exemplifies what it means to build relationships with his colleagues and students.

Matt has instructed a variety of math courses and has found success in every subject and grade. He provides fun, energetic and dynamic lessons and wants his students to achieve at high levels. He is a team player who works well with his teacher-based teams to improve instruction. As Student Council advisor and one of the Link Crew advisors, Matt has played a leadership role welcoming new students to the high school and helping students enjoy activities like Homecoming, Winter Formal, GloRo Charity Dance, assemblies and spirit weeks.

The Support Staff Person of the Year is Vikki Rodriguez, who is a cafeteria manager at North Royalton Elementary School. She has worked in the District since 1998. When the bond issue passed in May 2017, the process began of planning for the new building. The principals worked with central office administrators to examine the designs of the cafeteria, kitchen, and flow of traffic.

"It was clear that we would need a strong leader to ensure that lunch and breakfast would run smoothly at our new building," said Principal Kirk Pavelich. "We knew we needed one of the sweetest and most welcoming members from one of our existing elementary buildings. We chose Mrs. Rodriguez. She makes time for every teacher, staff member, parent and most importantly student in our new building."

KIM PONTING RECOGNIZED AS NORTH ROYALTON 2021-22 FRIEND OF EDUCATION

North Royalton City Schools recognized Kim Ponting, PTA President of North Royalton Elementary School, as the 2021-22 Friend of Education. This annual award goes to a person or persons who significantly contribute to North Royalton City Schools, help inspire and empower students, and dedicate themselves to making North Royalton and Broadview Heights great places.

This year, North Royalton Elementary School has faced a multitude of "new" challenges...new building, new learning spaces, new teammates, new schedule, new reading series, and COVID-19 challenges. Every step of the way, our District has been supported by the PTA, as they have been ready and willing to step up at a moment's notice to provide funding to support any new endeavors.

As the challenges of COVID-19 started to subside, the schools received requests from teachers about parent volunteers to help with various tasks. It only takes one phone call or email to request

that assistance and Kim finds those volunteers.

During the long month of March when the morale of the staff needed a boost, the PTA brought the Cleveland Cookie Dough truck to the school, where staff was able to enjoy cookie dough or an ice cream treat.

"Kim has been able to merge the ideas of the parent volunteers from Albion, Royal View and Valley Vista Elementary into a new cohesive unit," said Superintendent Mike Laub, North Royalton City Schools. "We are thankful for her support and volunteerism during this pivotal year for our elementary school."

Saluting the NORTH ROYALTON HIGH SCHOOL CLASS OF 2022

The stage of the State Theatre at Playhouse Square in downtown Cleveland was the setting for the 116th Commencement program for North Royalton High School on the evening of Friday, June 3, 2022. There were 349 graduates in the Class of 2022. The presentation of colors was done by the United States Army National Guard.

The graduates, dressed in purple and gold, proceeded in as the Commencement Band played "Pomp and Circumstance" and their families looked on proudly. Nina Kovalak, Class of 2022 president, welcomed everyone. There were two commencement speeches by graduates Alina Ogonovskiy and Hana Saad. The presentation and certification of the class was conducted by Principal Sean Osborne. Claire Casey and Ben Pacholski read the names of the graduates as they received their diplomas.

"In life, choose your guide carefully and expect and nurture honesty in your relationship," said Principal Sean Osborne. "When you embark on your next adventure in trying something new, find a guide that can honestly provide you with the best advice. Enjoy every minute of your life. Each moment is a place you have never been. Explore it fully."

Superintendent Michael Laub took a moment to recognize Oleh Boyko, Mackenzie Miller, Andreus Nathaniel, Jr., and Matthew Williams, members of the Class of 2022, who will be entering the military. He then asked for anyone in the audience who is serving or has served in the military to stand and be recognized.

"There are three things you need to be successful in life...direction, alignment, and commitment," said Superintendent Mike Laub. "Along the way, stay committed and overcome your challenges. Challenges make life interesting. Overcoming them make life meaningful. If you can choose a positive attitude, I have no doubt that you will have a happy and successful life."

"Class of 2022...may your future bring you happiness, fulfillment, joy and success by any measure, and may you always have enough," said Board President Dr. John Kelly.

The Alma Mater was sung by the senior choir members.

As we say goodbye to the Class of 2022, we wish them much success and know that they will make us proud as they move onto their next steps at college, the military or in their careers.

CONGRATULATIONS Class of 2022!

ALMA MATER
North Royalton High will always live
In our memory.
And when our high school days are over,
We will think of thee.
Lift your voices,
Shout her praises,
Loudly let it ring,
Our Alma Mater loved so dear,
Of thee we'll ever sing.

STUDENT SPEAKERS

“

ALINA OGONOVSKIY

Don't be scared to try something. It is better to fail at something rather than say 'I wish I would have when I had the opportunity.' Finally, live the moment. Life is what you make out of it. Cherish the moment.

”

“

HANA SAAD

These past four years have made us into a strong and resilient group of individuals. In the pandemic, we learned to adapt to unstable conditions, form closer relationships with our family and friends and learn to not take anything for granted. We graduate tonight and enter into the real world, a world of competition, exploration and opportunity.
