Parent & Family Engagement Policy
2026-2027

What is it?	Lubbock ISD schools are committed to our vision: Every Child Every Day. We strive to provide a high-quality education to all students, and we believe that parental engagement and a strong home-school connection play a crucial role. One way we support the home-school connection is through participation in the Title I, Part A Program. Funding from this program supports students' academic achievement and parents' capacity building to support their students. Title I, Part A regulations require that each school served under the program jointly develop with and distribute to parents of participating children a written parent engagement policy that describes the requirements outlined in Section 1116 of the Every Student Succeeds Act (ESSA).	
	<i>The school will build the schools' and parent's capacity for strong parental involvement, in order to ensure effective involvement of parents and to support a partnership among the school involved, parents, and the community to improve student academic achievement.</i>	
Annual Meeting	Campuses will conduct an annual fall meeting to review the Title I, Part A program and Parent Family Engagement plan for the year. This meeting will be offered on two different days and at two different times.	
	The Title One plan will be shared with parents at Open House in August and at a Morning parent meeting in October.	
Curriculum & Assessments	Lubbock ISD utilizes high-quality curriculum that supports student success. Students are assessed throughout the year in a variety of ways to track growth and progress, including district-wide standardized 9-week assessments. Students are assessed annually through the State of Texas Assessments of Academic Readiness, or STAAR, tests. Performance standards for STAAR can be found here: https://tea.texas.gov/student-assessment/student-assessment-results/staar-performance-standards	
	All teachers will utilize the district adopted curriculum, Bluebonnet for Reading and Math during their Core Content instructional times. IXL and AMIRA are utilized during intervention times daily and during Power Hour 1x/week.	
Parent Family	Lubbock ISD schools will build staff and parent capacity to strengthen their partnership in order to improve
