Evans Middle School
Parent & Family Engagement Policy
2026-27

What is it?	Lubbock ISD schools are committed to our vision: Every Child Every Day. We strive to provide a high-quality education to all students, and we believe that parental engagement and a strong home-school connection play a crucial role. One way we support the home-school connection is through participation in the Title I, Part A Program. Funding from this program supports students' academic achievement and parents' capacity building to support their students. **Title I, Part A regulations require that each school served under the program jointly develop with and distribute to parents of participating children a written parent engagement policy that describes the requirements outlined in Section 1116 of the Every Student Succeeds Act (ESSA).**
	Policy is developed and updated during the spring and the Spring Title I Meeting. Parents are involved in the planning process by reviewing and editing existing documents and creating changes as needed. The policy is distributed each year on the campus website, in the campus newsletter and at the Fall Title I Meeting in both English and Spanish.
Annual Meeting	Campuses will conduct an annual fall meeting to review the Title I, Part A program and Parent Family Engagement plan for the year. This meeting will be offered on two different days and at two different times.
	Fall Title I Meetings will occur at Open House and the Book Fair
Curriculum & Assessments	Lubbock ISD utilizes high-quality curriculum that supports student success. Students are assessed throughout the year in a variety of ways to track growth and progress, including district-wide standardized 9-week assessments. Students are assessed annually through the State of Texas Assessments of Academic Readiness, or STAAR, tests. Performance standards for STAAR can be found here: https://tea.texas.gov/student-assessment/student-assessment-results/staar-performance-standards
	Evans utilizes amplify in RLA, Stemscopes in Math and SAVVAS in science. Students are assessed on IXL, CFAs, and STAAR exams.
Parent Family Engagement Opportunities	Lubbock ISD schools will build staff and parent capacity to strengthen their partnership in order to improve student academic achievement and foster parent engagement through various activities and events.
	Some opportunities at Evans for Parent Family Engagement include, but not limited to, the following:

Staff Training	Lubbock ISD works with all staff to recognize the importance of collaborating with parents as partners in student success. Through effective communication and appreciation of parental contributions, school-family partnerships are enhanced. Efforts to train and support staff may include, but are not limited to, the following:	
	Professional Development Content Focus Sessions Goals Days Parent/Teacher Conferences	
Home-School Notification	Lubbock ISD campuses will send information to parents and families regarding student progress, school programs, meetings, and other activities in a format, and to the extent practicable, in a language parents can understand.	
	Communication tools for parents include phone calls, email, progress reports, Review360 reports, campus newsletter, and GOALS day. Information is translated into another language as needed by parents and families.	
Requesting a Meeting	Lubbock ISD values the suggestions, ideas, and concerns of parents and family members, and we welcome ideas and feedback in order to make our campuses places where everyone feels safe and welcome.	
	Parents can meet with teachers and administrators in person by request. Phone calls and emails should be responded to in a timely manner to ensure positive and ongoing communication.	
Translation of Plan	Lubbock ISD is committed to ensuring that all families have access to important information. All documents and communications are provided in both English and Spanish, and we welcome families to contact the school if translation is needed in any other language.	
	Parents can access translated documents on the Evans website. For additional help, parents can call the school at 806-219-3600 or email and administratorShare where parents can access translated documents and who to contact for additional help
