WHAT IS SPANISH IMMERSION?

- Unique and innovative educational opportunity
- Designed for English-speaking students
- Students enter the program in Kinder
- The curriculum is delivered entirely in Spanish until third grade and the amount of English instruction increases through fifth grade
- Students and their families are asked to commit to continue the program until fifth grade

The Spanish Immersion Program is open to all students and is only available at Jose S. Ramirez Elementary. Students are tested in their native language (English) to determine level of language proficiency.
