

2026-2027 Bulldog Backpack Blessings Program

The Ada Food Pantry is offering Ada students in grades K -5 an opportunity to participate in the Bulldog Backpack Blessings Program.

This program will send food home for your elementary student(s) each Friday for the duration of the school year. The goal of the program is to give a child food over the weekend, increase attendance on Fridays, raise test scores and help our students live an even healthier lifestyle. We plan to begin distribution sometime in late September or early October and will post a notice on our website when we are set to begin.

With our current economy, many families are struggling to make ends meet. This program is designed for families with genuine needs and is completely optional. If you would benefit from this program and need the assistance this program has to offer, please return the completed form to the elementary school office and we will add your name to the distribution list. You may discontinue this program at any time by contacting the elementary office, 419-634-2341. The school will discreetly put the non-perishable food bags in each of your child's(ren's) cubbies in their classrooms before each Friday or the last day of the school week. If you have any questions, please feel free to call the elementary office, 419-634-2341

Sincerely

Ada Elementary Office

Please return to the Elementary Office as soon as possible, if you are wishing to participate.

_____ Yes, I would like my elementary students grades K- 5 to participate in the Bulldog Backpack Program.

Please list food allergies for your children_____

Child's Name_____Teacher_____

Child's Name_____Teacher_____

Child's Name_____Teacher_____

Child's Name_____Teacher_____

Parent Signature_____Date_____

Please note: It is necessary to return one form per family. Please list all of your children grade K-5 on one form. Thank you
